Testimony of an Irish Slave Girl

Learning from the Germans

southern cultures continually shaped Cather's life and work, culminating with this novel; and trace the progress of Cather's research and composition during years of grief and loss that she described as the worst of her life. More early drafts, including manuscript fragments, are available for *Sapphira and the Slave Girl* than for any other Cather novel, and the revealing textual essay draws on this rich resource to provide new insights into Cather's composition process.

These four Stefan Zweig stories, newly translated by the award-

winning Anthea Bell, are among his most celebrated and compelling work. The titular tale is a devastating depiction of unrequited love, which inspired a classic Hollywood film, directed by Max Ophüls and starring Joane Fontaine. Elsewhere in the collection, a young man mistakes the girl he loves for her sister, two erstwhile lovers meet after an age spent apart, and a married woman repays a debt of gratitude to her childhood sweetheart. Expertly paced, laced with the acutely accurate psychological detail and empathy that are Zweig's trademarks, this is a powerful addition to Pushkin's growing collection of his work.

As an increasingly polarized America fights over the legacy of racism, Susan Neiman, author of the contemporary philosophical classic *Evil in Modern Thought*, asks what we can learn from the Germans about confronting the evils of the past. In the wake of white nationalist attacks, the ongoing debate over reparations, and the controversy surrounding Confederate monuments and the contested memories they evoke, Susan Neiman's *Learning from the Germans* delivers an urgently needed perspective on how a country can come to terms with its historical wrongdoings. Neiman is a white woman who came of age in the civil rights-era South and a Jewish woman who has spent much of her adult life in Berlin. Working from this unique perspective, she combines philosophical reflection, personal stories, and interviews with both Americans and Germans who are grappling with the evils of their own national histories. Through discussions with Germans, including Jan Philipp Reemtsma, who created the breakthrough *Crimes of the Wehrmacht* exhibit, and Friedrich Schorlemmer, the East German dissident preacher, Neiman tells the story of the

long and difficult path Germans faced in their effort to atone for the crimes of the Holocaust. In the United States, she interviews James Meredith about his battle for equality in Mississippi and Bryan Stevenson about his monument to the victims of lynching, as well as lesser-known social justice activists in the South, to provide a compelling picture of the work contemporary Americans are doing to confront our violent history. In clear and gripping prose, Neiman urges us to consider the nuanced forms that evil can assume, so that we can recognize and avoid them in the future.

A Crime So Monstrous Turtleback Books

Mende Nazer lost her childhood at age twelve, when she was sold into slavery. It all began one horrific night in 1993, when Arab raiders swept through her Nuba village, murdering the adults and rounding up thirty-one children, including Mende. Mende was sold to a wealthy Arab family who lived in Sudan's capital city, Khartoum. So began her dark years of enslavement. Her Arab owners called her "Yebit," or "black slave." She called them "master." She was subjected to appalling physical, sexual, and mental abuse. She slept in a shed and ate the family leftovers like a dog. She had no rights, no freedom, and no life of her own. Normally, Mende's story never would have come to light. But seven years after she was seized and sold into slavery, she was sent to work for another master—a diplomat working in the United Kingdom. In London, she managed to make contact with other Sudanese, who took pity on her. In September 2000, she made a

dramatic break for freedom. *Slave* is a story almost beyond belief. It depicts the strength and dignity of the Nuba tribe. It recounts the savage way in which the Nuba and their ancient culture are being destroyed by a secret modern-day trade in slaves. Most of all, it is a remarkable testimony to one young woman's unbreakable spirit and tremendous courage.

'Luminous, elegant, haunting, - I read it straight through' Philippe Sands, Author of *East West Street* The enthralling story of a man's search for the truth about his family's past The last time Lien saw her parents was in the Hague when she was collected at the door by a stranger and taken to a city far away to be hidden from the Nazis. She was raised by her foster family as one of their own, but a falling out well after the war meant they were no longer in touch. What was her side of the story, Bart van Es - a grandson of the couple who looked after Lien - wondered? What really happened during the war, and after? So began an investigation that would consume and transform both Bart van Es's life and Lien's. Lien was now in her 80s and living in Amsterdam. Reluctantly, she agreed to meet him, and eventually they struck up a remarkable friendship. *The Cut Out Girl* braids together a powerful recreation of Lien's intensely harrowing childhood story with the present-day account of Bart's efforts to piece that story together. And it embraces the wider picture, too, for Holland was more cooperative in rounding up its Jews for the Nazis than any other Western European country; that is part of Lien's story too. This is an astonishing, moving reckoning with a young girl's struggle for survival during war. It is a story about the powerful love and challenges of foster families, and about the

ways our most painful experiences - so crucial in defining us - can also be redefined. Copper Sun Crown

The “frank, tragic, bittersweet, brutal, emotional” true story of the Third Reich’s so-called she-devils of the League of German Girls (Gerry Van Tonder, author of Berlin Blockade). They were ten to eighteen years old: German girls who volunteered for the war effort, and were indoctrinated into the Nazi youth organizations, Jungmädelbund and Bund Deutscher Mädel. At first they were schooled in a very narrow education: how to cook, clean, excel at sports, birth babies, and raise them. But when Hitler called, they were trained, militarized, and exploited for the ultimate goal of the Third Reich. From the prosperous beginnings of the League of German Girls in 1933 to the cataclysmic defeat of 1945, Hitler’s Girls is an insightful, disturbing, and revealing exploration of their specific roles: what was expected of them, and how they delivered, as defined by the Nazi state. Were they unwitting pawns or willing accessories to genocide? Historian Tim Heath searches for the answers and provides a definitive voice for this unique, and until now, unheard generation of German females. “An essential account of the women who served Hitler during his years of power. Stunning photographs but a chilling narrative, in view of what they were required to do.” —Books

The Big Lie Open Road + Grove/Atlantic

A Lost Lady is a novel by American author Willa Cather, first published in 1923. It centers on Marian Forrester, her husband Captain Daniel Forrester, and their lives in the small western town of Sweet Water, along the Transcontinental Railroad. However, it is mostly told from the perspective of a young man named Niel Herbert, as he observes the decline of both Marian and the West itself, as it shifts from a place of pioneering spirit to one of corporate exploitation. Exploring themes of social class, money, and the march of progress, A Lost Lady was praised for its vivid use of symbolism and setting, and is considered to be a major influence on the works of F. Scott Fitzgerald. It has been adapted to film twice, with a film adaptation being released in 1924, followed by a looser adaptation in 1934, starring Barbara Stanwyck. A Lost Lady begins in the small railroad town of Sweet Water, on the undeveloped Western plains. The most prominent

family in the town is the Forresters, and Marian Forrester is known for her hospitality and kindness. The railroad executives frequently stop by her house and enjoy the food and comfort she offers while there on business. A young boy, Niel Herbert, frequently plays on the Forrester estate with his friend. One day, an older boy named Ivy Peters arrives, and shoots a woodpecker out of a tree. He then blinds the bird and laughs as it flies around helplessly. Niel pities the bird and tries to climb the tree to put it out of its misery, but while climbing he slips, and breaks his arm in the fall, as well as knocking himself unconscious. Ivy takes him to the Forrester house where Marian looks after him. When Niel wakes up, he's amazed by the nice house and how sweet Marian smells. He doesn't see her much after that, but several years later he and his uncle, Judge Pommeroy, are invited to the Forrester house for dinner. There he meets Ellinger, who he will later learn is Mrs. Forrester's lover, and Constance, a young girl his age.

"Delightful . . . [a] captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded."—The New York Times Book Review "A marvelous fiction about the power of language to elevate or repress."—Geraldine Brooks, New York Times bestselling author of *People of the Book* Esme is born into a world of words.

Motherless and irrepressibly curious, she spends her childhood in the Scriptorium, an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary. Young Esme's place is beneath the sorting table, unseen and unheard. One day a slip of paper containing the word *bondmaid* flutters beneath the table. She rescues the slip and, learning that the word means "slave girl," begins to collect other words that have been discarded or neglected by the dictionary men. As she grows up, Esme realizes that words and meanings relating to women's and common folks' experiences often go unrecorded. And so she begins in earnest to search out words for her own dictionary: the *Dictionary of Lost Words*. To do so she must leave the sheltered world of the university and venture out to meet the people whose words will fill those pages. Set during the height of the women's suffrage movement and with the Great War looming, *The Dictionary of Lost Words* reveals a lost narrative, hidden between the lines of a history written by men. Inspired by actual events, author Pip

Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. The Dictionary of Lost Words is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world. WINNER OF THE AUSTRALIAN BOOK INDUSTRY AWARD

WINNER OF THE NOBEL PEACE PRIZE • In this “courageous” (The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia’s brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and

repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia's story—as a witness to the Islamic State's brutality, a survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war.
