The Power of Prayer and Fasting WestBow Press

Prayer is not a practice or a ritual. It is a place. A secret place in the Spirit. A place of divine encounters with our heavenly Father where we express our love for Him and enter the dimensions of His glory and power. Where we welcome His presence, receive His revelation and guidance for our life, and are empowered to serve His purposes on earth while experiencing the outpouring of His grace through miracles, healings, deliverances, and salvations. With a scriptural foundation, the conviction of personal experience, and the evidence of many testimonies, Guillermo Maldonado passionately reveals how to enter this place in the Spirit so we, as the body of Christ, can become "a house of

prayer." Discover the joy of two-way communication with the Father. Learn not only to hear His voice but to listen and act on what He is saying to you. See how to build momentum in your prayer life, creating a spiritual atmosphere in which God moves powerfully on behalf of His people. Discover essential keys for breakthrough--and how to have all your prayers answered according to God's will and Word. There has never been a more vital time to find our place in prayer. We are in a period of increased opposition from the enemy as we draw closer to the day of Christ's return. This requires us to attain a higher level of spiritual power and authority, which can only come through prayer that ushers us into God's presence. Nothing else will prepare us to meet the challenges that are coming our way. Nothing else will prepare us for the second coming of Christ. Now is the time to be spiritually vigilant! Now is the time to watch and pray!

From the BookMeet three who discovered the power of "breakthrough prayer." "My husband and I had a dream of helping desperate young women. But no banker in his right mind would finance such a venture. So we prayed and God broke through every single obstacle we faced. That was just the beginning of the wonderful roller-coaster ride we call 'faith.'"—Grace (chapter 7) "Voices inside my head were constantly screaming at me. I became like an animal in the street, muttering or yelling out a stream of profanity as people passed by. One day I screamed out, Jesus, help me! O God, you're my only hope! That was the breakthrough prayer that saved my life."—Danny (chapter 2) "Talk about breakthrough prayer! I was buried under 110 stories of steel and concrete after the collapse of the World Trade Center Towers when God heard my cry for help."—Genelle (chapter 3)

Prayer Is Power Zondervan

Author Sheldon Juell, Ph.D. has written a two volume exhaustive study on the spiritual discipline of fasting as seen throughout the entire canon of Scripture. The context and key words of each fast are examined systematically and exegetically to reveal the deeper meaning and relevancy of each fast to the Christian today. I believe that more than ever, in the day in which we live, we need to become aware of the spiritual discipline of fasting combined with prayer to bring healing, deliverance, fresh vision, and focus to our lives as Christians and to churches. There seems to be many Christians today who struggle with various issues--

whether, physical, emotional, mental, spiritual, and financial--who are searching for the spiritual power to truly walk in the freedom that Jesus Christ has given them and live healthy and whole in every area of their life. Volume 1 investigates Scripture, and Jewish and Christian history to find the roots of the discipline, and how it can be used biblically and practically in a person's life. Many experience breakthrough and freedom as they seek the Lord. However, many pray for what seems to be endless hours and experience some level of breakthrough, but may not sense a complete breaking of the chains of bondage that has been holding them captive. A great example of the need for fasting and prayer can be seen as the Messiah heals a boy possessed by an impure spirit (Mk. 9:14-29). This led me to ask the Lord, what else is there? How can I experience a complete breaking of these chains of bondage? This 2 Volume set raises the awareness of the need for fasting. My prayer is that those who read and put into practice the spiritual discipline of fasting will experience freedom from the bondage that has been holding them captive. The reader will discover the keys to walking in freedom and living the life that Jesus Christ offers us by defeating Satan through His life, death, and resurrection.

The hand-in-hand spiritual discipline of prayer and fasting is not a gimmick or a spiritual fad, although its neglect in recent decades makes it a new discovery for many Christians. Instead, as author Ronnie Floyd explains, prayer and fasting is a Scripture-ordained act of obedience—a means of humbling ourselves before God,

drawing closer to Him, and making room for Him to speak and act in our lives. This newly revised and updated edition of *The Power of Prayer and Fasting* offers fascinating firsthand stories of the difference prayer and fasting has made in Floyd's life and others, compelling explanations of how this discipline works in a Christian's life, practical guidance for those who have never fasted before, and finally a stirring call to revival.

Prayer is Power serves as your guide in understanding the Word of God and how to use the passages from the Bible, which are essential in delivering powerful prayers. It provides instructions on how to effectively communicate and build a one-on-one relationship with God and how simple prayers can release God's

supernatural powers to solve problems that are beyond human ability. This book has sample prayers, which you can use to unlock God's power. It also guides you on how to come under his authority to gain the power you need to heal the sick, cast out evil spirits, and to perform wonders. It guides you on how to deliver prayers more effectively and to rely on the Holy Spirit as your guide and allow him to intercede on your behalf, for God loves you and wants to answer your prayers. Patricia Zimmermann, MBA, author, suffered a great deal in the loss of her one and only child in a car accident. For twenty years she was unable to talk about her loss until she found comfort in God's presence. It wasn't until she accepted Jesus Christ in her heart and became filled with the Holy Ghost that she began to receive healing from him. Jesus began to heal the deep-seated wound in her heart so she can begin to live again. The Word of God gave her the full assurance that her daughter is safe with Jesus up in heaven. But most of all she learned that Prayer has the Power to heal.

Excerpt from *Spiritual Breakthroughs: What exactly is a spiritual breakthrough?* For the purposes of this book, a spiritual breakthrough is "an obvious and observable change in controlling thoughts, feelings, or behaviors, resulting in dramatic spiritual growth." The bottom line is, when you make a spiritual breakthrough, it will be obvious. You will know it, and others will see it, too. Making and sustaining spiritual breakthroughs will transform you into a drastically different person. That is what the power of God can do if we allow it. Yes, you read that correctly; we must allow the most powerful force in the universe to work in our lives. We can stop the power of God simply by deciding not to change. I made the decision to hinder His power many times in the past, and perhaps you are making it right now. My prayer is that by picking up this book, you made the first step towards opening your heart and mind to the power of God and are ready to delve into His Scriptures.
