*P.S. I Still Love You* WestBow Press

Grounded in Christian love mysticism, Love's Oneing gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation. With great sensitivity, the book offers nuanced insight into the marriage of kenosis and desire in contemplation, through the rich tapestry of writings from nine mystics: Julian of Norwich, the Cloud of Unknowing author, Meister Eckhart, Mechthild of Magdeburg, Clare of Assisi, John of the Cross, Teilhard de Chardin, Beatrice Bruteau and Iliia Delio. With the delicate eye of a spiritual director immersed in mystical literature, Kerrie Hide situates these mystical teachings within contemplative prayer, whilst offering a scholarly exploration of contemplative practice to embody the insights. Deeply grounded in traditional and contemporary mystical classics, Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science, highlighting key moments in contemplation that when surrendered into, open into divine love. Born of intellectual reflection, lived experience and contemplative wisdom, Love's Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment.

[All Love Flows to the Self](#) Christian Faith Publishing, Inc.

"McGhee writes confidently as one who remembers the ordinariness of adolescence as well as its angst . . . and compellingly creates a protagonist blindsided by loss." — Publishers Weekly (starred review) For seventeen-year-old Rose, it keeps happening — the car crash. The car crash that put her sister, Ivy, in a coma with only a respirator keeping her alive. While Rose tries to find support from her reticent mother, distraction from the series of boys she meets at the town's gorge at night, and empathy from her neighbor William T., what she really needs must come from within herself — a release of what's been welling up inside. Heartrending, honest, and ultimately hopeful, this is the tale of a teenager overwhelmed by trauma and loss, yet steadied by loyal friendship and the solace of first love.

*A Book That Takes Its Time* Workman Publishing

The Miracle! In this book Nicholas presents you a practical, unique, subliminal, very simple, detailed method of how to Become Strong Enough to Love. You will feel the effects immediately and the results will appear very quickly! So it was in my case. You will not achieve fulfillment and happiness until YOU become the architect of your own reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through this unique, subliminal method combined with positive affirmations. The order of words is extremely important for every book written by Nicholas. These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being, blockages that are bringing disease or failure on various plans. You don't need a big chunk of your time or expensive programs.

Everything is extremely simple! Health, money, prosperity, abundance, safety, stability, sociability, charisma, sexual vitality, erotic attraction, will, optimism, perseverance, self-confidence, tenacity, courage, love, loving relationships, self-control, self-esteem, enthusiasm, refinement, intuition, detachment, intelligence, mental calm, power of concentration, exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book, you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill. Nicholas will guide you to touch your longed-for dream and will make you see life from a new perspective, full of freshness and success. This book helps you step by step, in a natural way, in just 3 minutes a day, to change your misguided way of thinking and to Become Strong Enough to Love. (NOTE: For good, Nicholas keep the price of the book as lower as he can, even if it is a hard work behind this project. A significant portion of the earnings from the sale of the book are used for these purposes: for charity, volunteer projects, nature restoration, and other inspired ideas to do good where it is needed. If you can not afford to buy the book please contact Nicholas and he will give you a free copy.) You, also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing. You will feel the difference. Yes. The Miracle is possible! Get Your Copy Now!

**Loving in Flow** Candlewick Press

Awaken Your Inner Butterfly This book is about the transformation process. It is about changing your life. It is about becoming. We all experience pain at least at some points in our life and we all wish to improve our life, to grow and to heal. But how can you heal? Transformation happens whether you are consciously aware of it or not. If you are aware and feel the desire for change, you are at the starting point of a conscious shift in your life. Perhaps you have become aware of something that could improve or you have a general sense of discontent. Perhaps you are in pain. Perhaps you feel that something is missing in your life. Whatever the feeling, you have realized that something could be better. With this belief, you have opened up a space to grow into. It is as if you have suddenly discovered a window, and become aware of the life outside, where new possibilities and adventures await. Whether you are grappling with physical, mental-emotional or spiritual issues, this book will guide you through steps to examine your life, heal wounds and transform situations. And with this you will discover an increase in love and joy in your life experiences. In this book you will find tools to help you expand in to better life experiences and therefore into a better life. This expansion into new life experiences is called transformation. And whether we want it or not, transformation is part of our life. We cannot remain in any set form, because life is always changing. Life moves on and there is

always a next step, a new door to open, food to digest, oxygen to breathe, the cocoon to leave, the wings to grow and then take flight as we soar to new heights... Just like the caterpillar, that thought his life was over before he became a butterfly, we often look upon our impending transformations with fear. This book offers tools to help you through life's many transformations, and to consciously take the next step. The Transformation Promise presents you with the understanding and the tools you need to shift, to heal and to transform. Even without doing the exercises this book will guide you to connect consciously with life-force-energy and a continuously increasing love within. It will show you how to use forgiveness and gratitude so you can heal and transform everything you encounter or have encountered. The Transformation Promise will help you to awaken your inner butterfly!

**The Tiny Book of Tiny Pleasures** New York Review of Books

Is God loving? The Bible says that God is love; however, it also portrays a God that floods the earth, takes the lives of the firstborn in Egypt, and lashes out time and again in His fury. How can a God of love be synonymous with the God of fury displayed in the Old Testament? Are we fools? "The fear of the Lord is the beginning of knowledge; fools despise wisdom and instruction" (Pro 1:7). Twice in the Proverbs we're told that the beginning of knowledge and wisdom is the fear of the Lord. Is it possible that we have become altogether ignorant simply because we've tossed out the Bible's basic teaching on God's fury? The Fury of God penetrates the paradox and shows that we cannot truly understand God's love until we fully understand His fury. If believers today are truly abiding in God's Word, they will come face-to-face with the fury of God, and its truth will bring satisfaction to their souls. God's people must know the truth. They longingly desire it. The truth is that our God is a consuming fire. He is a jealous God. He is a holy God. He is an unchanging God. He is a triune God. Our God is a God of fury. It is that God, the God of the Scriptures, whom I hope to resurrect in the hearts and minds of His people with this book.

**Love Flows** She Writes Press

"A truly profound debut."—Buzzfeed "A time-bending suspense that's contemplative and fresh, evocative and gripping."—USA Today "Henry's story captivates, both as a romance and as an imaginative rethinking of time and space."—Publishers Weekly "This time-traveling, magical, and beautifully written love story definitely deserves a spot on your bookshelf."—Bustle Emily Henry's stunning debut novel is Friday Night Lights meets The Time Traveler's Wife and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads and paths we've left untaken. Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there's a preschool where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn't right. Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.

**Love's Oneing** Austin Macauley Publishers

The Upanishads include some of the most beloved and illuminating stories from the vast literature of India's Vedic tradition. Adapted from the original text, this collection of tales tells the story of

enlightenment. It talks about: a teacher and his student in a secluded forest ashram, a great seer meditating in a Himalayan retreat, and more.

**Sermons preached in Christ Church Brighton. Reported for the 'Brighton pulpit'.** Workman Publishing

High school students embark on a crash course of friendship, female empowerment, and women's health issues in Lily Williams and Karen Schneemann's graphic novel *Go With the Flow*. Good friends help you go with the flow. Best friends help you start a revolution. Sophomores Abby, Brit, Christine, and Sasha are fed up. Hazelton High never has enough tampons. Or pads. Or adults who will listen. Sick of an administration that puts football before female health, the girls confront a world that shrugs—or worse, squirms—at the thought of a menstruation revolution. They band together to make a change. It's no easy task, especially while grappling with everything from crushes to trig to JV track but they have each other's backs. That is, until one of the girls goes rogue, testing the limits of their friendship and pushing the friends to question the power of their own voices. Now they must learn to work together to raise each other up. But how to you stand your ground while raising bloody hell?

**The Kids' Book of Paper Love** Balboa Press

Love flows is an extension of my two previous books, *Sweetness of the Heart, Mind, and Soul* and *the Centerpiece of Love*. Without love in the world, we are often left empty. Love Flows can change things within the heart, mind and soul. Not to mention the effects that real love has on our everyday living. Sometimes there are things that we would love to say, talk about or just have an open discussion but we are restrained because we do not know where to begin. Love flows will guide, encourage and inspire you to the next level of enjoyment as human beings.

*The Best Part of Us* Sourcebooks, Inc.

A study of the creative process, based on interviews with 75 contemporary American writers, including Carolyn See. Contains numerous quotations from participating authors describing their own approaches to, and feelings about, the writing process.

*Sermons for the Church's season from Advent to Trinity, selected [by R.F. Wilson]*. Harper Collins Relish life, love, and friendship {2014} and share it with everyone you love. Created by the editors of Flow magazine, *Everything Grows with Love* features dozens of uplifting quotes and sayings in original graphics and hand-lettering by 20 contributing artists and illustrators"—Amazon.

*Wherever Waters Flow* Astitva Prakashan

Keith Kirkman's life was radically transformed in March 2019 when he received a visitation from Jesus. He had come to the end of himself in all of the chasing and doing and knew there was more, from that moment the Love Flows arrived. The author found that as He passed through the doorway of a surrendered heart, it released the Golden Hand of a ready writer. From there it produced the dynamic flow of love prose and understanding of what it means to Selah from within the place of the heart to heart intimacy with Jesus. Within the pages of Love Flows are the prose that are full of grace and kindness wrapped in excitement and joy. Each one flowing from the heart of Jesus, releasing His presence. The hope for this book is that you would experience the love of Jesus through the interior life of a heart surrender, triggering divine intimacy and learning to find the place of 'Selah'.

*Eternal Stories from the Upanishads* Samhita Publications

This is more than a book about love and relationships. This is a book that shows how love works and how to make love work for you. Nurture the love within and the rest will follow. You can focus your thoughts on love today to free yourself from the past. Reclaim your innocence with love and feel your happiness flow. Introduce love to your dreams to empower their fulfilment. Use your belief in the spirit of love to heal and comfort. You will be introduced to four hundred quotes about love that will help you feel the joy love brings to all aspects of your life. Open your mind and your heart to the discovery of some of the deeper and spiritual meanings of love. Feel the love that is provided by nature and see the love in all things around you.

*Light and truth: or, Bible thoughts and themes* CreateSpace

The Upanishads include some of the most beloved and illuminating stories from the vast literature of India's Vedic tradition. Adapted from the original text, these twelve tales tell the story of enlightenment in simple, poetic language that will appeal to both adults and children. The Upanishads express the full glory of the inner Self. When one has realized the Self, everyone and everything becomes more near and dear, and one flows in universal love.

*Washington News Letter* Workman Publishing

Now a Netflix original movie starring Lana Condor and Noah Centineo! In this highly anticipated sequel to the "lovely, lighthearted" (School Library Journal) New York Times bestselling *To All The Boys I've Loved Before*, Lara Jean still has letters to write and even more to lose when it comes to love. Lara Jean didn't expect to really fall for Peter. She and Peter were just pretending. Except suddenly they weren't. Now Lara Jean is more confused than ever. When another boy from her past returns to her life, Lara Jean's feelings for him return too. Can a girl be in love with two boys at once? In this charming and heartfelt sequel to the New York Times bestseller *To All the Boys I've Loved Before*, we see first love through the eyes of the unforgettable Lara Jean. Love is never easy, but maybe that's part of what makes it so amazing.

*The Fury of God* Trafford Publishing

Where the River Flows is an honest, poetic, heartbreaking account of how my divorce catapulted me down a yearlong obsession to find the answer to the burning question I had every single day after my husband asked me for a divorce: "Why?" Was it my inability to show him love like he'd told me? Was it an old attachment wound, still unhealed and bubbling at the surface? Was it the sexual trauma I'd never resolved and carried into our marriage? Was it my very real and frequent urge to end my life? Or was it him? Was it his lack of understanding for my mental illness? His lost patience for me as I tirelessly worked through old wounds in therapy? Stress from the yearlong motorcycle trip of his dreams that I vowed to go on, and did just after our wedding day? As I spiraled myself around this question and fell deeper and deeper into a depression, as the binges became more

intense and the purges returned for the first time in years, as the urges to die grew stronger and when I curled myself in a ball on the shower floor, banging my fists against my belly like I'd first done seventeen years before, I started to believe that what my husband said to me in our last few days together might be true: "It's like there are three people in our marriage. You, me, and your Eating Disorder. And sometimes I think you love her more than me." If you or someone you know has struggled with an Eating Disorder, sexual or developmental trauma, depression, anxiety, suicidal thinking, divorce, grief, then it is my hope you will find yourself and your loved ones in the pages of this memoir. You are not alone.

**The Love That Split the World** Balboa Press

An introduction to "flow," a new field of behavioral science that offers life-fulfilling potential, explains its principles and shows how to introduce flow into all aspects of life, avoiding the interferences of disharmony.

*Breaking Free: Lose the Illusionary Self, Find Serenity, Energy, Love, Flow* Feiwel & Friends

Be still and know that I am God. --Psalm 46:10 In a culture that has the motto "the more you do, the more you are," the command of being still seems like the last thing any of us are doing. We may want to be still, but we don't even know where to begin. What does it even mean? How does one learn to be still yet productive and successful in all areas of our life, not just physically but mentally, emotionally, and spiritually as well? Or if you're like me, maybe you've struggled for years with the concept of being still that, to you, being still means to be lazy, unproductive, and ultimately wasting precious time; that it would make you less of a person. But here, we have a calling from God to be still--the opposite of what our culture preaches. Take the journey with me in discovering the success and strength of what it means to be still and know who he is.

**All Love Flows to the Self** Nicholas Mag

. . . I wanted you more than you'll ever know, so I sent love to follow wherever you go. . . . Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman. *Wherever You Are* is a book to share with your loved ones, no matter how near or far, young or old, they are.

**Unity** Workman Publishing Company

A perfect gift book filled with whimsical, colorful illustrations, short lists, cheerful prompts, recipes, and fun facts, *The Tiny Book of Tiny Pleasures* is the sweetest reminder imaginable that it's the little things in life that make us happy. Little things like sharing tea with a friend. An ice cream cone with sprinkles. Finding a forgotten item of clothing in the closet. The smell in the air right after a summer rain. Created by the editors of *Flow* magazine, *The Tiny Book of Tiny Pleasures* is a celebration of slowing down and appreciating the simple moments of life—all you have to do is take notice.
