From the award-winning, bestselling author of *The Circle* comes an exciting new follow-up. When the world's largest search engine/social media company, the Circle, merges with the planet's dominant ecommerce site, it creates the richest and most dangerous—and, oddly enough, most beloved—monopoly ever known: the Every. Delaney Wells is an unlikely new hire at the Every. A former forest ranger and unwavering tech skeptic, she charms her way into an entry-level job with one goal in mind: to take down the company from within. With her compatriot, the not-at-all-ambitious Wes Makazian, they look for the Every's weaknesses, hoping to free

humanity from all-encompassing surveillance and the emoji-driven infantilization of the species. But does anyone want what Delaney is fighting to save? Does humanity truly want to be free? Studded with unforgettable characters, outrageous outfits, and lacerating set-pieces, this companion to *The Circle* blends absurdity and terror, satire and suspense, while keeping the reader in apprehensive excitement about the fate of the company—and the human animal.

To the average onlooker, the city of Los Angeles represents glitz, glamour, and the celebrity lifestyle. But to seventeen-year-old Julie Jones, the city is a vast host of problems she's longing to get away from. The latest? An unfortunate disagreement with her ex-boyfriend Mark-one that could land her in some serious hot water. So rather than face the troubles that torment her, Julie decides to run away from her old life and start fresh somewhere new. But her parents aren't on board with the plan, and she soon finds her bank accounts frozen and her wallet empty. With just seventy-five dollars and a full tank of gas, the troubled teen is far too stubborn to turn around and head home. So what's a girl to do? What Julie doesn't know is that her travels are about to take her somewhere unexpected-a place where she'll be forced to come face to face with the ghosts of her past in order to secure her future. A tale of redemption, hope, and freedom lost and found, "32 Seconds" is a thought-provoking exploration into the human spirit and the nature of forgiveness.

No one weaves a story as well as beloved New York Times bestselling author Fern Michaels. In the latest in the Sisterhood series, a team of unscrupulous doctors is profiting from others' distress—but these loyal friends know just the cure . . . For the Sisterhood, there's a special satisfaction

that comes with helping a friend in need, especially when it's someone as dear as Charlotte Hansen. Myra Rutledge's childhood friend has spent tens of thousands of dollars on remedies to boost longevity. But far from improving her health, the medications seem to be destroying it. Myra becomes suspicious of the trio of doctors in charge of the program, especially once the Sisterhood's investigations reveal that one patient has died, and another lapsed into a coma. While those in their care suffer, the three doctors—located in London, Aspen, and New York—all enjoy indulgent lifestyles and extravagant toys. But justice is always the best medicine—and no one dispenses it better than the Sisterhood . . .
