Brain Games Spot the  
Difference B.E.S.

Publishing

Young tourists will have to pay attention to find the differences in more than 50 picture puzzles. Pairs of similar illustrations range from scenes of pandas in China and skyscrapers in Dubai to the Greek seaside, Moroccan souks, Australia's Great Barrier Reef, and other interesting locations.

Don't worry about getting lost: answers appear in the back of the book.

The Ultimate Spot-The-Difference Book

Createspace

Independent Publishing Platform

Hard math for elementary school is a

math enrichment textbook, providing ideas to provide children with lessons that are harder, deeper, and more fun. It has chapters to supplement most textbook topics as well as chapters on topics, such as making polyhedra out of marshmallows and toothpicks, that make the book more fun and develop higher reasoning skills.

Some of the priceless

masterpieces have

been stolen from the

Town Gallery and

replaced with forgeries, and it's up to you spot the clues and identify the fakes. This spot-the-difference game also contains facts about paintings, tips on the techniques of the Old Masters and a glossary of art terms. *Follow the Directions Workbook for Kids Spot the Difference* 1st Grade Activity Book Series Easy-to-use, comprehensive coverage of all essential first grade math topics. This scripted, open-and-go program from math educator Kate Snow will give you the tools you need to teach math with confidence—even if you've never taught math before. Short, engaging, and hands-on lessons will help your child develop a

strong understanding of math, step by step. Counting, comparing, and writing numbers to 100 Addition and subtraction facts to 20 Addition and subtraction word problems Beginning place-value and mental math Shapes, money, time, and measurement *Follow the Directions Workbook for Kids* Peace Hill Press Halloween 1st 2nd 3rd Grade Activity Book 50 Halloween Activities with spooky designs and Guessing Games that include coloring, Connect the Dots, Mazes, Word search, I Spy, Spot the difference and More! 8.5 x 11(in) dimensions Halloween 1st 2nd 3rd Grade Activity Book is a 100 Pages on a Matte-finish cover Perfect Presents for

Kids, Toddlers, Preschoolers and Kindergartners White-color paper Matte Finish Cover Are you looking for a gift for your Grandson, Granddaughter, Son, Daughter, or for your family as Halloween 1st 2nd 3rd Grade Activity Book? Then you need to buy this gift to celebrate Halloween, Cute Halloween 1st 2nd 3rd Grade Activity Book Gift Then click on our brand and check the hundreds more custom options and top designs on our shop! [Art of Conversation](#) Scholastic Teaching Resources Help your little readers practice their visual thinking, pen control, and hand-eye coordination with these simple mazes and dot-to-dot puzzles.

Straightforward questions spur them on to solve puzzles while tracing over and connecting dotted guidelines helps them to complete colorful pictures. Get them thinking, writing, counting, and laughing as they take on each intriguing challenge. This book offers hours of age-appropriate fun to kids that are just starting to enjoy thinking through problems and finding answers all by themselves. Youngsters will enjoy coloring in the numbers to reveal a fantastic picture as they answer questions, write words, count items, and solve problems. [The Citrus Grower](#) B.E.S. Publishing Do you like puzzles? Then you'll love this

little book. You'll find 60 pairs of illustrations with 5 small differences. Try to spot what's different between ALL THIS drawings. For added fun, you can even color each picture! THIS BOOK ALSO IS VERY INTERESTING FOR CHILDREN: Sharpen visual discrimination and problem solving with this colorful workbook! Visual discrimination is a critical skill for social studies and scientific learning-this product helps children develop and hone that skill. Children observe two similar pictures and identify the differences between them. As children progress they'll begin to develop an ability to make comparisons and identify similarities and differences. Help little

skill seekers build a strong foundation for academic success. *A Fun Kid Workbook for Happy Halloween Learning, I Spy, Mazes, Coloring, Puzzles, Games and More!* Ballantine Books Follow the Directions is a fun-filled workbook with specific directional activities such as math games, spot the difference and find and color pages. This book is similar to our other "Brain Games for Preschoolers" book, but the activities in this book. The activities in this book are meant for children who already know how to read. However, you can help a preschooler with the activities by reading them the directions and helping them complete the tasks. These activities are designed to improve

memory, motor skills and problem solving skills. \*\*Great for preschool, kindergarten and first grade students. \*\*We also created this book with several different covers. Feel free to choose a cover that fits your style child's style preferences. Have a great day.

Preschool,

Kindergarten and First

Grade Simon and Schuster

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice!

There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice

columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say.

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit "reply all"
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for

Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of

Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
