KENDAL SHERLYN

Coyotes Guide To Connecting With Coyote's Guide to Connecting with Nature is like an ice-cubed drink of fresh-squeezed lemonade after a long, sun-blasted hike through the Nevada desert. So much of environmental and nature education has become a dry litany of facts, tragedies, disemboweled concepts, and fear-invoking

problems — a spare and sad landscape. Coyote's Guide to Connecting With Nature Coyote's Guide to Connecting with Nature has been hailed by Richard Louv, author of Last Child in the Woods, as "good medicine for nature-deficit disorder." The first edition quickly became the essential guidebook for mentors, parents, teachers, camp directors, and others wanting fun and exciting ways to connect children (and adults!) with

nature. Coyote's Guide to Connecting with Nature: Jon Young, Evan ...
