Here, for the first time, the three books of the international best-selling fantasy series Deltora Quest 2 are brought together in one superb volume. The Shadow Lord's evil tyranny over Deltora has ended. But thousands of Deltorans are still enslaved in the Shadowlands, the Enemy's own terrifying and mysterious domain. To rescue them, the three companions from the original Deltora

Quest-Leif, Barda and Jasmine--must find a weapon powerful enough to combat the Shadow Lord's magic on his own ground. According to legend, the only thing the Shadow Lord fears is the Pirran Pipe. But does it still exist? And if it does, will its ancient magic still prevail against the Enemy's sorcery? Filled with doubts, the companions move on, knowing that whatever happens, their quest will end in the darkness and horror of the Shadowlands itself.
