The Quincunx Charles Palliser The Quincunx is the epic first novel of Charles Palliser. It takes the

form of a Dickensian mystery set in early 19th century England, but Palliser has added the modern attributes of an ambiguous plot and unreliable narrators. Many of the puzzles that are apparently solved in the story have an alternative solution in the subtext. The Quincunx - Wikipedia Charles Palliser produced a masterpiece with this book. He's so close to Dickens himself in terms of characterization, plotting, and execution, it's remarkable.
