Designed for student teachers, general education teachers, and teachers of dual-language classes, this new edition of *Teaching English Language Learners in Elementary School Communities* is now aligned with the standards developed by TESOL. This book also addresses teachers' expectations of English Language Learners, solutions for the dual-language classroom, how to encourage active participation and social integration, mixed-language whole-class teaching, small groupwork, involving families and communities in school activities, and assessment-an invaluable resource for teaching English Language Learners. FEATURES OF THE FOURTH EDITION INCLUDE: A sociocultural framework that centers around social learning, rather than a psychological framework that centers around individual learning. Applicability to dual-language education in addition to student teaching and regular education. New! View of being a good language learner in the context of a social classroom. New! Chapter on assessment practices, highlighting the multiple roles of oral and written language assessment.

Students learn the sources of hundreds of vocabulary words with this new, multi-year program. Unlike many programs that depend on rote memorization, Vocabulary from Latin and Greek Roots incorporates a variety of techniques to teach students the skills they need to determine the meaning of unfamiliar words, while also expanding sight vocabulary. Vocabulary from Latin and Greek Roots reinforces new words through a format that capitalizes on word families, associative hooks and visuals to jog the memory, building language-analysis skills. Exercises designed for maximum retention. Many vocabulary programs are focused on preparing students for a test from week to week, but Vocabulary from Latin and Greek Roots teaches skills that they can use for a lifetime. Teaches word analysis skills by focusing on root words. Additional notes on word and phrase histories build interest. Humorous visual mnemonics reinforce recall. Book Four is recommended for 10th Grade. This is a student classroom edition. Tests and Answer Keys are available through the publisher but are only sold to schools and teachers.

New York Times Bestseller \* Soon to be a TV series starring Dan Aykroyd "There aren't many books this entertaining that also provide a cogent crash course in ancient, classical and modern history." -Los Angeles Times Beer, wine, spirits, coffee, tea, and Coca-Cola: In Tom Standage's deft, innovative account of world history, these six beverages turn out to be much more than just ways to quench thirst. They also represent six eras that span the course of civilization—from the adoption of agriculture, to the birth of cities, to the advent of globalization. A History of the World in 6 Glasses tells the story of humanity from the Stone Age to the twenty-first century through each epoch's signature refreshment. As Standage persuasively argues, each drink is in fact a kind of technology, advancing culture and catalyzing the intricate interplay of different societies. After reading this enlightening book, you may never look at your favorite drink in quite the same way again.

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an

extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.
