Bullshit The first decries and defines bullshit; it assumes we care about the truth, the second tells us why we should. Philosophy literally means "love of wisdom," or so I am told. Modern analytic philosophers might find "wisdom" a little pompous, and prefer "love of truth" as an articulation of the central aim of philosophers. Truth and Bullshit | Philosophy Talk Lies are

told to obscure the truth because the truth is known by the liar to be harmful. Bullshit is spoken in the moment, saying whatever truth or falsehood is necessary to achieve a short-term objective. If this is a legitimate distinction between lies and bullshit, then Trump's lies provide a road map to his biggest secrets. Lies with a side of bullshit - RagePathProducing bullshit

requires no such conviction. A person who lies is thereby responding to the truth, and he is to that extent respectful of it. When an honest man speaks, he says only what he believes to be true; and for the liar, it is correspondingly indispensable that he considers his statements to be false. Harry Frankfurt on Bullshit And Lying | Reason and Meaning Frankfurt's position is that bullshit

is distinguished not by its truth or falsity, but by a disregard for the truth; as he puts it, honest folk and liars are playing the same game, to convey the facts or to obscure them, but the bullshitter is playing another game entirely.
