REYNOLDS ZAYDEN

The Fear-Fighter Manual Penguin

An explosive new novel of love, lust, and obsession from bestselling author J.T. Geissinger. Five years ago, my fiancé disappeared. He left me with a wedding dress I'd never wear. Left me with the kind of scars that can't be healed. The man I built my future on vanished like a ghost. All that remained were my broken heart and unanswered questions. Until a mysterious stranger arrives in town. Tall, dark, and dangerous, Kage is as full of secrets as he is sex appeal. Though I know he's hiding something, I'm drawn to him like a moth to flame. The intensity of our connection is addictive, unlike anything I've ever felt before. Heat crackles between us with every look, desire flares into passion, and I fall hard, helpless to resist. But when I discover how he's tied to my fiancé's disappearance, I learn what happens when you fly recklessly into fire: You get burned.

This Surgeon General's report details the causes and the consequences of tobacco use among youth and young adults by

focusing on the social, environmental, advertising, and marketing influences that encourage youth and young adults to initiate and sustain tobacco use. This is the first time tobacco data on young adults as a discrete population have been explored in detail. The report also highlights successful strategies to prevent young people from using tobacco.

Driven Yearling

Fans of dark fairy-tales like *The Hazel Wood* and *The Cruel Prince* will relish this atmospheric and absorbing book based on Guillermo del Toro's critically acclaimed movie. Oscar winning writer-director Guillermo del Toro and New York Times bestselling author Cornelia Funke have come together to transform del Toro's hit movie *Pan's Labyrinth* into an epic and dark fantasy novel for readers of all ages, complete with haunting illustrations and enchanting short stories that flesh out the folklore of this fascinating world. This spellbinding tale takes readers to a sinister, magical, and war-torn world filled with richly drawn characters like trickster fauns, murderous soldiers, child-eating monsters, courageous rebels, and a long-lost princess hoping to be reunited with her family. A brilliant collaboration between masterful storytellers that's not to be missed. "Perfectly unsettling and deeply felt, this reminded me of the best kind of fairytales wherein each chapter is a jewel that, when held up to

the light, reframes how we see the world around us.” —Roshani Chokshi, New York Times bestselling author of *The Star-Touched Queen* and *Aru Shah and the End of Time* “A fearless and moving adaptation of the film, and a gorgeously written, emotional, frightening parable about the courage of young women amid the brutality of war.” —Michael Grant, New York Times bestselling author of *Gone*

A Man in Full Simon and Schuster

"For the life of him, William "Scoob" Lamar can't seem to stay out of trouble--and now the run-ins at school have led to lockdown at home. So when G'ma, Scoob's favorite person on Earth, asks him to go on an impromptu road trip, he's in the RV faster than he can say FREEDOM. With G'ma's old maps and a strange pamphlet called the 'Travelers' Green Book' at their side, the pair takes off on a journey down G'ma's memory lane. But adventure quickly turns to uncertainty: G'ma keeps changing the license plate, dodging Scoob's questions, and refusing to check Dad's voice mails. And the farther they go, the more Scoob realizes that the world hasn't always been a welcoming place for kids like him, and things aren't always what they seem--G'ma included" --

Freedom in the World, the Freedom House flagship survey whose findings have been published annually since 1972, is the standard-setting comparative assessment of global political rights and civil liberties. The survey ratings and narrative reports on 194 countries and 14 territories are used by policymakers, the media, international corporations, civic activists, and human rights defenders to monitor trends in democracy and track improvements and setbacks in freedom worldwide.

Ruthless Creatures The Battle for Room 314 My Year of Hope and Despair in a New York City High School

Republican Gomorrah - Blumenthal's remarkable, muckraking debut - is a bestiary of dysfunction, scandal, and crime from the heart of the movement that runs the Republican Party. Blumenthal describes with no-holds-barred detail the people and the beliefs that establishment Republicans - like John McCain - have to kowtow to if they have any hope of running for president, and how moderates have been systematically purged from party ranks. He shows why the unqualified Sarah Palin was the party's only logical choice and how her most fanatical supporters will be setting the strategy for the Republican assault on the Obama administration. Blumenthal warns that the Christian right will quietly exploit the widespread financial misery caused by the economic meltdown while mainstream media pundits churn out faddish and unfounded tales of the movement's death. More than just an exposé, *Republican Gomorrah* reveals that many of the movement's leading figures are united by more than political campaigns; they are bound together by a shared sensibility rooted in private trauma. Their lives have been stained by crisis and scandal - depression, mental illness, extra-marital affairs, struggles with homosexual urges, addiction to drugs and pornography, serial domestic abuse, and even murder. For the most zealous foot soldiers of the right, the crusade to cleanse the land of sin was in fact a quest to purify their souls.

From New York Times Best-Selling Author K. Bromberg comes an unforgettable series about lust, love, redemption, and healing... Our paths should never have crossed. Colton Donovan was arrogant, exuded that bad boy vibe, and embodied everything I

never wanted. And yet all it took was one night, one hallway, and one stolen kiss for me to know I hated him and desired him instantly. My heart was healing. His soul was damaged. But with one bid, one little boy, and one carnival date, I couldn't walk away and he wouldn't let me in. This is our story. Our fight. Our perfectly imperfect love.

The Mass Suicide of Ordinary Germans in 1945 Rowman & Littlefield

THE BATTLE FOR ROOM 314 In a fit of idealism, Ed Boland left a twenty-year career as a non-profit executive to teach in a tough New York City public high school. But his hopes quickly collided headlong with the appalling reality of his students' lives and a hobbled education system unable to help them: Freddy runs a drug ring for his incarcerated brother; Nee-cole is homeschooled on the subway by her brilliant homeless mother; and Byron's Ivy League dream is dashed because he is undocumented. In the end, Boland isn't hoisted on his students' shoulders and no one passes AP anything. This is no urban fairy tale of at-risk kids saved by a Hollywood hero, but a searing indictment of schools that claim to be progressive but still fail their students. Told with compassion, humor, and a keen eye, Boland's story is sure to ignite debate about the future of American education and attempts to reform it.

Abraham Lincoln, Frederick Douglass, and Their Battle to Save America's Soul John Wiley & Sons

Heartbreaking, hilarious, and brutally honest, *Going There* is the deeply personal life story of a girl next door turned household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, "Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is." Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest "get"—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her "welcome" was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in

the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn't happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

To the world, I no longer exist. The life I live occurs outside the third dimension—a memory, a ghost, the boogeyman, or perhaps simply a figment of the imagination. When I'm passed on the street, there is no connection. No eye contact. I'm the one whose presence leaves a cold chill of uncertainty, quickly erased by minds who don't want to acknowledge that men like me exist. On the dark web, I'm known as Kader, and for the right price, I will do what others can't or won't. I've learned to exist within the hard shell I've created—until I see her. Laurel Carlson. Her blue eyes see beyond my impenetrable exterior. Her sensual lips long to be kissed and her hidden curves caressed. My mind is obsessed and my body ignited. Though I exist outside her comfort zone, I must enter her world, take the chance, and learn what it is about this beautiful, intelligent, and marked woman that has me entranced—before her time is up. NEW YORK TIMES BESTSELLER The New York Times bestselling author of *George Washington's Secret Six* and *Thomas Jefferson and the Tripoli Pirates* turns to two other heroes of the nation: Abraham Lincoln and Frederick Douglass. In *The President and the Freedom Fighter*, Brian Kilmeade tells the little-known story of how two American heroes moved from strong disagreement to friendship, and in the process changed the entire course of history. Abraham Lincoln was White, born impoverished on a frontier farm. Frederick Douglass was Black, a child of slavery who had risked his life escaping to freedom in the North. Neither man had a formal education, and neither had had an easy path to influence. No one would have expected them to become friends—or to transform the country. But Lincoln and Douglass believed in their nation's greatness. They were determined to make the grand democratic experiment live up to its ideals. Lincoln's problem: he knew it was time for slavery to go, but how fast could the country change without being torn apart? And would it be possible to get rid of slavery while keeping America's Constitution intact? Douglass said no, that the Constitution was irredeemably corrupted by slavery—and he wanted Lincoln to move quickly. Sharing little more than the conviction that slavery was wrong, the two men's paths eventually converged. Over the course of the Civil War, they'd endure bloodthirsty mobs, feverish conspiracies, devastating losses on the battlefield, and a growing firestorm of unrest that would culminate on the fields of Gettysburg. As he did in *George Washington's Secret Six*, Kilmeade has transformed this nearly forgotten slice of history into a dramatic story that will keep you turning the pages to find out how these two heroes, through their principles and patience, not only changed each other, but made America truly free for all. *Pan's Labyrinth: The Labyrinth of the Faun* Little, Brown Spark All the Light We Cannot See meets *The Nightingale* in this literary WWI-era novel and epic love story of a brilliant young doctor who races against Einstein to solve one of the universe's great mysteries. In Russia, in the summer of 1914, as war with Germany looms and the Czar's army tightens its grip on the local Jewish community, Miri Abramov and her brilliant physicist brother, Vanya, are facing an impossible decision. Since their parents drowned fleeing to America, Miri and Vanya have been raised by their babushka, a famous matchmaker who has taught them to protect themselves at all costs: to fight, to kill if necessary, and always to have an escape plan. But now, with fierce, headstrong Miri on the verge of becoming one of Russia's only female surgeons, and Vanya hoping to solve the final puzzles of Einstein's elusive theory of relativity, can they bear to leave the homeland that has given them so much? Before they have time to make their choice, war is declared and Vanya goes missing, along with Miri's fiancé. Miri braves the firing squad to go looking for them both. As the eclipse that will change history darkens skies across Russia, not only the safety of Miri's own family but the future of science itself hangs in the balance. Grounded in real history -- and inspired by the solar eclipse of 1914 -- *A Bend in the Stars* offers a heart-stopping account of modern science's greatest race amidst the chaos of World War I, and a love story as epic as the railways crossing Russia.

Games by Suzanne Collins and Ender's Game by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY, BUZZFEED, AND SHELF AWARENESS "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Millions of children are on the move, both within and between countries, with or without their parents. The conditions under which movement takes place are often treacherous, putting migrant children, especially unaccompanied and separated children, at an increased risk of economic or sexual exploitation, abuse, neglect and violence. Policy responses to protect and support these migrant children are often fragmented and inconsistent and while children on the move have become a recognised part of today's global and mixed migration flows they are still largely invisible in debates on both child protection and migration.
