The Noonday  
Demon The  
Energy and  
Resources  
Institute

(TERI)  
This volume  
explores the  
late medieval  
and early  
modern  
periods from  
the  
perspective of  
objects. While  
the agency of  
things has

been studied  
in  
anthropology  
and  
archaeology,  
it is an  
innovative  
approach for  
art historical  
investigations.  
Each  
contributor

takes as a point of departure active things: objects that were collected, exchanged, held in hand, carried on a body, assembled, cared for or pawned. Through a series of case studies set in various geographic locations, this volume examines a rich variety of systems throughout Europe and beyond. The Open Access version of this book, available at <http://www.tay>

lorfrancis.com /doi/view/10.4324/9781315401867, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license  
**Korngold and His World** Seal Press  
"A memoir about the author's relationship with renowned painter Lucian Freud that includes interviews with many close friends and family members as well as critical

analyses of Freud's art"-- Provided by publisher.  
**The Translation Studies Reader**  
Princeton University Press  
As one of the finest holdings of Indian art in the West, the Kronos Collections are particularly distinguished for paintings made between the sixteenth and early nineteenth centuries for the Indian royal courts in Rajasthan and the Punjab Hills. These outstanding

works, many of which are published and illustrated here for the first time, are characterized by their brilliant colors and vivid, powerful depictions of scenes from Hindu epics, mystical legends, and courtly life. They also present a new way of seeking the divine through a form of personal devotion—known as bhakti—that had permeated India’s Hindu community. While

explaining the gods, demons, lovers, fantastical creatures, and mystical symbols that are central to literature and worship, this publication celebrates the diverse styles and traditions of Indian painting. Divine Pleasures features an informative entry for each work and two essays by scholar Terence McNerney that together outline the history of Indian painting and the Rajput

courts, providing fresh insights and interpretations. Also included are a personal essay by expert and collector Steven M. Kossak and an examination of Hindu epic and myth in Mughal painting, which lays important foundations for Rajput painting, by curator Navina Najat Haidar. Through their research and observations, the authors deepen our understanding and underscore

the significance of Indian painting. Divine Pleasures presents a nuanced view of a way of life intimately tied to the seasons, the arts, and the divine. *Kentucky* Princeton University Press This book explores the poetic articulations of a shift from a transcendent to an immanent worldview, as reflected in the manner of evaluation of body and soul

in Goethe's Faust and Ḥāfīz' Divan. Focusing on two lifeworks that illustrate their authors' respective intellectual histories, this cross-genre study goes beyond the textual confines of the two poets' Divans to compare important building blocks of their intellectual worlds. *Life Along The Hudson* Springer An important literary debut from the Vice President of Ghana, a fable-like

memoir that offers a shimmering microcosm of post-colonial Africa. 'A much welcome work of immense relevance' Chinua Achebe *My First Coup D'Etat* chronicles the coming-of-age of John Dramani Mahama in Ghana during the dismal post-independence 'lost decades' of Africa. He was seven years old when rumours of a coup reached his boarding school in

Accra. His father, a minister of state, was suddenly missing, then imprisoned for more than a year. My First Coup D'Etat offers a look at the country that has long been considered Africa's success story. This is a one-of-a-kind book: Mahama's is a rare literary voice from a political leader, and his stories work on many levels - as fables, as history, as cultural and political

analysis, and, of course, as the memoir of a young man who, unbeknownst to him or anyone else, would grow up to be vice president of his nation. Though non-fiction, these are stories that rise above their specific settings and transport the reader - much like the fiction of Isaac Bashevis Singer and Nadine Gordimer - into a world all their own, one which straddles a time lost and

explores the universal human emotions of love, fear, faith, despair, loss, longing, and hope despite all else.

### **Chopin and His World**

Walter de Gruyter GmbH & Co KG  
We have long been fascinated by immortality. If, as is currently thought, aging and death are actually a result of genetic programming, then new frontiers being opened by biotechnology may make it possible to

identify the genes that cause aging and turn  
*Far and Away*  
Abrams  
A definitive survey of the most important developments in translation theory and research, with an emphasis on the twentieth century. This new edition includes pre-twentieth century readings and readings from other fields.  
*A Stone Boat*  
A&C Black  
This book provides a comprehensive review of the diagnosis,

management and treatment of sports injuries to the foot and ankle. The editors have assembled a list of contributors at the top of their field to define the medical management, treatment and surgery for the most common and highly debilitating sports injuries. Currently, foot and ankle injuries are the most common musculoskeletal injuries, thus this book fills the clear need for a

state-of-the-art resource that focuses upon this growing area of orthopaedic practice. Foot and Ankle Sports Orthopaedics is highly relevant to orthopaedic surgeons, sports orthopaedic surgeons and medical professionals dealing with sports injuries around the F&A. With clear and didactic information and superb illustrations, this book will prove to be an indispensable learning tool

for readers seeking expert guidance to further their surgical skills in this area.

**The Perkiomen Region, Past and Present**

Macmillan  
The German legend of the Red Jews, a medieval conflation of the Ten Lost Tribes of Israel with the biblical destroyers Gog and Magog, articulated throughout the Middle Ages and well into the sixteenth century a fundamentally

antisemitic strain of popular apocalypticism. This undigested piece of medievalia disappeared as more strictly biblical narratives of the End replaced medieval myth. As a result, the Red Jews have not been noticed by modern historians though they were a universally-known feature of German apocalyptic belief for over three centuries. *"The" Red Jews*

Brookings Institution Press  
The Middle Kingdom (ca. 2030–1650 B.C.) was a transformational period in ancient Egypt, during which older artistic conventions, cultural principles, religious beliefs, and political systems were revived and reimaged. Ancient Egypt Transformed presents a comprehensive picture of the art of the Middle Kingdom, arguably the least known of Egypt's three

kingdoms and yet one that saw the creation of powerful, compelling works rendered with great subtlety and sensitivity. The book brings together nearly 300 diverse works—including sculpture, relief decoration, stelae, jewelry, coffins, funerary objects, and personal possessions from the world's leading collections of

Egyptian art. Essays on architecture, statuary, tomb and temple relief decoration, and stele explore how Middle Kingdom artists adapted forms and iconography of the Old Kingdom, using existing conventions to create strikingly original works. Twelve lavishly illustrated chapters, each with a scholarly essay and entries on related objects, begin

with discussions of the distinctive art that arose in the south during the early Middle Kingdom, the artistic developments that followed the return to Egypt's traditional capital in the north, and the renewed construction of pyramid complexes. Thematic chapters devoted to the pharaoh, royal women, the court, and the vital role of family explore art created for different strata of Egyptian

society, while others provide insight into Egypt's expanding relations with foreign lands and the themes of Middle Kingdom literature. The era's religious beliefs and practices, such as the pilgrimage to Abydos, are revealed through magnificent objects created for tombs, chapels, and temples. Finally, the book discusses Middle Kingdom archaeological

sites, including excavations undertaken by the Metropolitan Museum over a number of decades. Written by an international team of respected Egyptologists and Middle Kingdom specialists, the text provides recent scholarship and fresh insights, making the book an authoritative resource. Goethe's Faust and the Divan of Hāfīz Holmes & Meier

Publishers Erich Wolfgang Korngold (1897-1957) was the last compositional prodigy to emerge from the Austro-German tradition of Mozart and Mendelssohn. He was lauded in his youth by everyone from Mahler to Puccini and his auspicious career in the early 1900s spanned chamber music, opera, and musical theater. Today, he is best known for his Hollywood film scores,

composed  
between 1935  
and 1947.

**Breakfast  
with Lucian**

Metropolitan  
Museum of Art  
A revealing  
look at French  
composer and  
virtuoso  
Camille Saint-  
Saëns Camille  
Saint-  
Saëns—perha  
ps the  
foremost  
French  
musical figure  
of the late  
nineteenth  
century and a  
composer who  
wrote in  
nearly every  
musical genre,  
from opera  
and the  
symphony to  
film music—is  
now being  
rediscovered

after a  
century of  
modernism  
overshadowed  
his earlier  
importance. In  
a wide-  
ranging and  
trenchant  
series of  
essays,  
articles, and  
documents,  
Camille Saint-  
Saëns and His  
World  
deconstructs  
the multiple  
realities  
behind the  
man and his  
music. Topics  
range from  
intimate  
glimpses of  
the private  
and playful  
Saint-Saëns,  
to the  
composer's  
interest in  
astronomy

and  
republican  
politics, his  
performances  
of Mozart and  
Rameau over  
eight decades,  
and his  
extensive  
travels around  
the world. This  
collection also  
analyzes the  
role he played  
in various  
musical  
societies and  
his  
complicated  
relationship  
with such  
composers as  
Liszt,  
Massenet,  
Wagner, and  
Ravel.  
Featuring the  
best  
contemporary  
scholarship on  
this crucial,  
formative

period in French music, Camille Saint-Saëns and His World restores the composer to his vital role as innovator and curator of Western music. The contributors are Byron Adams, Leon Botstein, Jean-Christophe Branger, Michel Duchesneau, Katharine Ellis, Annegret Fauser, Yves Gérard, Dana Gooley, Carolyn Guzski, Carol Hess, D. Kern Holoman, Léo Houziaux, Florence Launay,

Stéphane Leteuré, Martin Marks, Mitchell Morris, Jann Pasler, William Peterson, Michael Puri, Sabina Teller Ratner, Laure Schnapper, Marie-Gabrielle Soret, Michael Stegemann, and Michael Strasser. **Timeship** Simon and Schuster In Kentucky: Historic Houses and Horse Farms, pre-eminent architectural and interiors photographer Pieter Estersohn guides us through

Bluegrass Country, the legendary landscape around Lexington, Kentucky. The wealthiest town west of the Alleghenies prior to the Civil War, Lexington has a rich architectural and cultural history that is manifest in the elegant houses within and around the center. Equally compelling is the equestrian heritage that has made Lexington the "Horse Capital of the World." Among the

properties presented are Ashland, an Italian-inspired villa built for distinguished statesman and orator Henry Clay; Pope Villa, one of only two extant residences by Benjamin Latrobe, the architect of the U.S. Capitol; Waveland, a completely intact Greek Revival estate from the 1830s; and Pleasant Hill, the largest restored Shaker community in the country. Dramatic

aerial photographs celebrate the rolling landscape and expansive horse farms, including Gainesway Farm, a 1,500 acre site that has produced an impressive roster of legendary Thoroughbreds. Kentucky is a multifaceted and compelling portrait of a unique part of our country that combines a reverence for history and Southern traditions of hospitality and generosity with a vital present.

### **The Geography of the Imagination**

Simon and Schuster  
The author offers a look at depression in which he draws on his own battle with the illness and interviews with fellow sufferers, researchers, doctors, and others to assess the complexities of the disease, its causes and symptoms, and available therapies. This book examines depression in personal, cultural, and

scientific terms. He confronts the challenge of defining the illness and describes the vast range of available medications, the efficacy of alternative treatments, and the impact the malady has on various demographic populations, around the world and throughout history. He also explores the thorny patch of moral and ethical questions posed by emerging biological explanations

for mental illness. He takes readers on a journey into the most pervasive of family secrets and contributes to our understanding not only of mental illness but also of the human condition. *Hereditary Genius* Simon and Schuster Chapters: Description of Valdres, Norway; Bygdalag Movement, The Valdres Samband, Member of the Valdres Samband, Valdres in the World

War, Some document and selections by members in America. *My First Coup d'Etat* National Geographic Books Marriage today isn't what it used to be: for better, not for worse. As same-sex weddings are becoming more common, the classic love-story happy ending is taking on a decidedly new twist, everyone has a fresh role to play, and supporters and opponents of

gay marriage alike are finding themselves in the midst of a revolution that's redefining marriage—both as a personal choice and as an institution—as we know it. In *Here Come the Brides!*, editors Audrey Bilger and Michele Kort gather together the voices of women taking part in—and shaping—this major historical shift. Representing a diversity of points of view in terms of

race, class, ethnicity, and gender identification, this collection of essays, stories, and visual images takes a multidimensional look at how opening up the traditional order of "man and wife" to include the possibility of "wife and wife" is altering our social landscape. From wedding pictures and images of protest signs to comical anecdotes and sober philosophical analyses, *Here*

*Come the Brides!* is an exploration of how the legalization of same-sex marriages has irrevocably changed the way lesbians think about their unions and their lives—and a celebration of the dream of lesbian happily-ever-afters.

**The Blue Zones Solution**

**Foot and Ankle Sports Orthopaedics**

Simon and Schuster  
A big book of

manners for the more than 15 million lesbian, gay, bisexual, and transgender people in the United States and Canada and the people who love them, work with them, and live with them. Written by Steven Petrow, the go-to authority on the subject—he’s the same-sex wedding expert at The New York Times and a columnist for The Huffington Post, Yahoo’s Shine, GayWeddings.

com, and the “Q” Syndicate (with distribution to more than 100 LGBT newspapers and websites)—this is the definitive book of LGBT etiquette. Encyclopedic in its approach, filled with practical wisdom, lively wit, and much insight, Steven Petrow’s Complete Gay & Lesbian Manners covers everything: from coming out to being out in the workplace;

from dealing with the joy and complexity of same-sex weddings and commitment ceremonies (including how to propose and write meaningful vows) to handling the legal paperwork every couple needs. There’s a chapter on sex etiquette, and another on the challenges and opportunities of raising a family, plus sections on travel, bullying, entertaining, meeting new

friends,  
introducing  
your partner  
to your family,  
a primer on  
gay pride, and  
so much  
more.  
Throughout  
there are  
hundreds of  
questions—so  
me posed by  
LGBT folk, and  
others by  
straight  
people: What  
do the  
mothers of  
two brides  
wear to a  
lesbian  
wedding?  
What do you  
say to an anti-  
gay joke? How  
do you answer  
“Who’s the  
father?” when  
there are two  
mothers?  
Manners, yes,

but with a  
twist. \*\*In  
recognition of  
Quality,  
Excellence,  
and Design,  
this ebook has  
been granted  
a QED seal of  
approval from  
Digital Book  
World.\*\*  
**In Praise of  
Messy Lives**  
Rizzoli  
Publications  
A passion for  
luxury and  
beauty  
propels the  
multifaceted  
work of  
acclaimed  
international  
architect and  
interior  
designer  
Robert  
Couturier.  
Robert  
Couturier’s  
aesthetic is a

dialogue  
between Old  
World  
elegance and  
contemporary  
design. His  
masterful  
approach  
effortlessly  
brings eras  
together, for  
example a  
Louis XVI  
commode with  
a 1960s lamp.  
Couturier’s  
name has  
become  
synonymous  
with  
continental  
and  
international  
style, and he  
is known for  
composing  
adventurous  
rooms that  
have a witty  
flair. All his  
interiors extol  
the

importance of how a home should stimulate the five senses, from the tactile feel of upholstery to the visual presentation of objects that leads a person through a space. The book opens with a tour of Couturier's country retreat in bucolic Kent, Connecticut. Composed of neoclassical-style pavilions, early American

guesthouses, and beautiful gardens, the house features imaginative rooms that are filled with his collections of European art, furniture, and decorative objects. A selection of the designer's other projects—from smart contemporary apartments to romantic Mexican villas to a stately English manor—provides further inspiration.

### **A History of Masonry in Indianapolis**

The Monacelli Press, LLC

In the 40 essays that constitute this collection, Guy Davenport, one of America's major literary critics, elucidates a range of literary history, encompassing literature, art, philosophy and music, from the ancients to the grand old men of modernism.
