Tecniche Nuove

This book is about your heart. (the little bit inside of you that makes you, you!) The words we listen to can affect how we feel. Some words can do amazing things and make us happy. And some words can really hurt us (we all know what sort of words those are). Our words have power, and we can choose to use them to make the world a better place. Simple, direct, and emotive, Words and Your Heart's message is that words have extraordinary power—to harm and to heal; to create and to destroy; and to spread love.

In viaggio con Penelope Stork

How many excuses are there for not doing homework? Let us count the ways: Giant lizards invaded the neighborhood. Elves hid all the pencils. And then there was that problem with carnivorous plants.... The excuses go on and on, each more absurd than the next and escalating to hilarious heights. Featuring detail-rich illustrations by Benjamin Chaud, this book is guaranteed to amuse kids and their parents, not to mention

anyone who has experienced a slacker student moment—and isn't that everyone? Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

A Girl Returned Scholastic Inc.

Il percorso "My body plays English" si offre quale start point per l'avvio alla conoscenza e fruizione della lingua inglese negli aspetti comunicativi della realtà quotidiana. Le nove units accompagnano insegnanti ed alunni in un viaggio che conduce all'acquisizione di competenze trasversali, spendibili in contesti di vita multiculturali. Protagonista dell'esperienza è il corpo, quale primo veicolatore di messaggi non verbali; attraverso la mimica, la percussione, la sperimentazione gestuale incentivata dalla musica, il bambino giunge al consapevole utilizzo del lessico verbale che scopre. I brani, semplici ed accattivanti, si prestano ad una fluida memorizzazione, agevolata dalle immagini. Le tematiche vengono anticipate dalle rivelazioni delle surprise boxes e consolidate da schede di lavoro per livelli di avanzamento progressivi, volte al pieno raggiungimento dei traguardi, sia per le sezioni di 4 e 5 anni della scuola dell'infanzia, sia per le classi prima e seconda della scuola primaria, nell'ottica della flessibilità ed eterogeneità. L'approccio ludico-esprienziale, coadiuvato dal personaggio facilitatore Fairy Carmen favorisce il coinvolgimento naturale ed emozionale nel processo di apprendimento: la fatina diviene elemento familiare da cui attendere con gioia ogni novità. Ne scaturisce un progetto didattico completo, con l'indicazione di finalità, metodologie e strumenti, obiettivi specifici misurabili, conoscenze, abilità e competenze coinvolte, modalità di monitoraggio, verifica e valutazione, guida operativa. Il percorso è fruibile per la didattica in presenza, a distanza ed integrata ed è un valido spunto per attività di home schooling. Units and Action Songs: HELLO! WHO ARE YOU? - I LIKE COLOURS - I LOVE MY FAMILY - FACE AND BODY - MANY ANIMALS - TOYS FOR ME - I AM HAPPY - STAND UP! - FROM ONE TO TEN. In abbinamento al testo a colori è possibile acquistare la versione cartacea del libricino delle schede in bianco e nero per ogni discente.

"One of the best Italian novels of the year" in a pitch-perfect rendering in English by Ann Goldstein, Elena Ferrante's translator (Huffington Post, Italy). Winner of the Campiello Prize A 2019 Best Book of the Year (The Washington Post Kirkus Reviews Dallas Morning News) Told with an immediacy and a rare expressive intensity that has earned it countless adoring readers and one of Italy's most prestigious literary prizes, *A Girl Returned* is a powerful novel rendered with sensitivity and verve by Ann Goldstein, translator of the works of Elena Ferrante. Set against the stark, beautiful landscape of Abruzzo in central Italy, this is a compelling story about mothers and daughters, about responsibility, siblings, and caregiving. Without warning or explanation, an unnamed thirteen-year-old girl is sent away from the family she has always thought of as hers to live with her birth family: a large, chaotic assortment of individuals whom she has never met and who seem anything but welcoming. Thus begins a new life, one of struggle, tension, and conflict, especially between the young girl and her mother. But in her relationship with Adriana and Vincenzo, two of her newly acquired siblings, she will find the strength to start again and to build a new and enduring sense of self. "An achingly beautiful book, and an utterly devastating one." —Minneapolis Star Tribune "Di Pietrantonio [has a] lively way with a phrase (the translator, Ann Goldstein, shows the same sensitivity she does with Elena Ferrante) [and] a fine instinct for detail." ?The Washington Post "A gripping, deeply moving coming-of-age novel; immensely readable, beautifully written, and highly recommended." ?Kirkus Reviews (starred review) "Captivating." —The Economist

What does an elephant do? It stomps its foot. Can you? From the creator of such beloved classics as *The Grouchy Ladybug* and *The Mixed-Up Chameleon* comes this interactive story that invites kids to imitate animal movements. Watching giraffes bend their necks or monkeys wave their arms is fun, but nothing could be better than joining in. From their heads down to their toes, kids will be wriggling, jiggling, and giggling as they try to keep up with these animals! Alligators wiggle, elephants stomp, gorillas thump, and giraffes bend. Can you do it? 'I can do it!' is the confidence-building message of this fun-filled interactive picture book. A variety of familiar animals invite young children to copy their antics, and as they play, they will learn such important skills as careful listening, focusing attention, and following instructions. Just as alphabet books introduce the very young child to letters and simple words, *From Head to Toe* introduces the basic body parts and simple body movements. And in the same way that children progress from understanding simple words to reading and writing sentences and stories, so they will progress from simple body movements to dancing, gymnastics, and other sports and activities, with confidence and pleasure. Eric Carle's colorful collages have delighted children for more than a generation. Each book provides hours of fun while encouraging them to stretch their imaginations. His matchless words and illustrations now send out a new challenge: Are you ready? Here we go! Move yourself *From Head to Toe*. A Main Selection of the Children's Book-of-the-Month Club
