Contemporary Christian music (or CCM —and occasionally "inspirational music") is a genre of modern popular music which is lyrically focused on matters concerned with the Christian faith.

This groundbreaking work covers both major and minor Christian music artists and those associated with Christian music from the 60s to the present day, highlighting their influences, their struggles, and their achievements. Powell treats each artist or group with a balanced, intriguing, and fresh look into their background and discography. Every entry summarizes critical response [...]
