The exciting new Adobe Dimension CC empowers graphic designers to create high-quality photorealistic imagery using 2D and 3D assets -- and if you have an Adobe Creative Cloud subscription, it's already included. Now, Adobe Dimension CC Classroom in a Book offers complete hands-on training to help you master it quickly and easily. Straight from Adobe Press, this is the latest in our best-selling series of official Adobe software training guides -- packed with self-paced lessons and downloadable files designed by Adobe training experts. Each chapter contains a project that builds on your growing knowledge of the program, and end-of-chapter review questions reinforce each lesson. Long-time Adobe design consultant and educator Keith Gilbert covers all you need to know about building scenes, applying and editing surface materials, customizing lighting, rendering, and much more -- even if you've never worked with 3D tools before!

Typography is the foundation of graphic design, and the most effective way to be a better designer is to understand type and use it confidently and creatively. This fully updated third edition is a comprehensive guide to creating professional type with Adobe InDesign. It covers micro and macro typography concepts, from understanding the nuance of a single spacing width to efficiently

creating long and complex documents. Packed with visual examples, InDesign expert and acclaimed design instructor Nigel French shows not just how to use InDesign's extensive type features, but why certain approaches are preferable to others, and how to avoid common mistakes. Whether you're creating a single-page flyer or a thousand-page catalog, whether your documents will be printed or viewed on screen, InDesign Type is an invaluable resource for getting the most out of InDesign's typographic toolset.

Adobe After Effects CS4 Classroom in a Book Adobe Press

Visual effects and motion graphics pros of all stripes - from broadcast professionals to VFX supervisors to Web designers who need to produce occasional video segments - will welcome the dramatically accelerated features provided in the brand-new After Effects CS4. This best-selling book has been revised to cover all that's new in this upgrade: the ability to import 3D layers from Photoshop; the Cartoon effect that converts live-action footage into stylized imagery; Adobe Device Central CS4, which lets you preview and test animations for mobile devices, and more. Designed around a single complex project that's broken down into manageable lessons, this book mimics a real-world workflow - but one that readers tackle at their own pace. Contains all the lesson files and footage readers need to complete the lessons. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: · If you are able to search the book, search for "Where are the lesson files?" · Go to the very last page of the book and scroll backwards. · You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. · Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
