ANTONIO JASE

Andre Gide McFarland

Combining in innovative ways the tools and approaches of postcolonial and popular culture studies as well as comparative literary analysis, this is an ambitious, interdisciplinary study that develops - across several related discursive sites - an argument about the centrality of time travel in the Latin American and Caribbean imagination.

Innocent Prey Smithsonian Institution

Esta obra do jornalista e escritor Daniel Buarque é uma ambiciosa investigação de como é o olhar que os norte-americanos fazem do Brasil no começo deste século XXI. A criação e consolidação

do conceito dos BRIC, a estabilidade e o consenso ao centro dos anos de governo FHC e Lula, a resiliência brasileira à crise financeira internacional de 2008, a expectativa pela Copa e pelas Olimpíadas, tudo isso, dizem os analistas, aumenta a sensação de que o país está na moda, assumindo paulatinamente um papel global estratégico. Para medir isso, Daniel combinou a entrevista formal, as consultas a diferentes bibliografias e um apurado senso de observação de repórter no dia-a-dia. No livro, ele tenta ajudar o leitor a entender como os americanos enxergam esse novo Brasil que, aos olhos do mundo, vai finalmente deixando de ser uma promessa eterna. Assim também com lugares comuns do Carnaval, das favelas, do futebol e das artes, nos quais aspectos importantes da cultura nacional acabam reforçando a imagem de país decorativo, mas não útil que o Brasil tenta ultrapassar. Enfim, o autor trilha um

terreno difícil, tateando mudanças de percepção lentas. Mas oferece um painel equilibrado que pode ajudar a nós, brasileiros, sempre ciosos e até um pouco esquizofrênicos em relação à nossa imagem lá fora, a nos entendermos melhor com a ajuda do olhar do outro.

A Legendary British Explorer's Deadly Quest to Uncover the Secrets of the Amazon Vintage

Through the eyes of a killer... Rachel de Luca has found incredible success writing self-help books. But her own blindness and the fact that her troubled brother has gone missing have convinced her that positive thinking is nothing but bull. Her cynicism wavers when a cornea transplant restores her sight. The new eyes seem to give her new life, until they prove too good to be true and she starts seeing terrifying visions of brutal murders—crimes she soon learns are all too real. Detective Mason Brown's own brother recently died, leaving behind a horrific secret. In atonement, Mason donated his brother's organs, though he's kept the fact quiet. Now he wants to help Rachel find her brother, but when he discovers the shocking connection between her visions and his own brother, he suddenly has to do everything in his power to save her from a predator who is somehow still hunting from beyond the grave.

MICHAEL "RIVER" CORBETT—Confined in the state mental hospital and heavily drugged since the death of his wife, River

cannot remember what truly happened the night he was arrested for her murder. But now someone is trying to kill him, and he is forced to run for his life. A fugitive from the law and from someone who wants him dead, all he wants is the truth.

CASSANDRA "JAX" JACKSON—The uncompromising police lieutenant knows she's putting her career on the line when she encounters this desperate stranger and doesn't turn him in. Something in River's eyes has Jax convinced he's worth saving...whether he wants it or not. DAWN JONES—The daughter of a madman, Jax's young friend is haunted by voices she doesn't want to hear. But she can no longer ignore the curse she inherited from her twisted father—because unless she listens to what the dead are telling her, Jax might be doomed to join them. Luci de Foix was nine when her parents were killed in a car accident. But was it an accident? Unbeknownst to Luci, a group known as The Order has been watching her family for many years, waiting for the day that a diary written in the fourteenth century would be delivered to her family—a book that contains a key to a lost codex—and they would do anything to get it. Early one morning, when Luci is twenty-nine, a bloodied young man delivers a book, claiming it's from her late grandparents. Plagued by panic attacks that have left her crippled, Luci struggles to overcome her fears, avenge the death of her family, and search for the lost codex. But who can she trust? Everyone seems intent

on betraying her, even the gorgeous, enigmatic Max, a man with secrets of his own.

Variety TV REV 1991-92 17 Routledge

The snake is one of humankind's most powerful and ambiguous symbols: it has at various times represented immortality and death, male and female, deity and demon, circle and line, killer and healer, the highest wisdom and the deepest subconscious. By virtue of its mysterious movement, potent poison, fearful grip, unblinking gaze and lightning quick strike, the power and image of the snake has wound its way into every culture. Whether snakes are worshipped as gods, feared as devils, or handled in religious ceremonies to test faith, snakes have played a critical role in the human heritage. This book explores the cult of the snake in world history, religion, and folklore. Fascination with snakes has been around since the dawn of time. Even today, images of snakes attract attention, fear, disgust, or admiration. Morgan examines that obsession with this mysterious creature, covering in vivid details such topics as mythical snakes like the Plumed Serpent, serpent iconography, tall tales, as well as the psychological symbolism that has attached itself to snakes. Cultures as diverse as pre-Columbian America, India, Egypt, China, sub-Saharan Africa, Celtic Europe, and the United States have all accorded the serpent a special place in their culture—apparently regardless of whether or not real snakes play an important part in the life of the people. Here, the mysterious nature of the snake unfolds, enchanting readers with a colorful and lively discussion of its place in our history, stories, religions, and cultures.

THE NEW YORK TIMES BESTSELLING TRAVEL MEMOIR What happens when an unadventurous adventure writer tries to re-create the original expedition to Machu Picchu? In 1911, Hiram Bingham III climbed into the Andes Mountains of Peru and “discovered” Machu Picchu. While history has recast Bingham as a villain who stole both priceless artifacts and credit for finding the great archeological site, Mark Adams set out to retrace the explorer’s perilous path in search of the truth—except he’d written about adventure far more than he’d actually lived it. In fact, he’d never even slept in a tent. Turn Right at Machu Picchu is Adams’ fascinating and funny account of his journey through some of the world’s most majestic, historic, and remote landscapes guided only by a hard-as-nails Australian survivalist and one nagging question: Just what was Machu Picchu?

The Lost City of Z Thunderfoot Publishing Inc.

Available for the first time together in one volume, the final two stories in the Brown and de Luca series from New York Times bestselling author Maggie Shayne. Innocent Prey Self-help superstar Rachel de Luca and Detective Mason Brown have finally given in to their overwhelming attraction to each other, but neither of them is ready to let physical passion turn into full-blown romance. When a judge’s daughter disappears, Mason has a terrible sense that it’s connected to the most recent case they solved together. The discovery of a string of missing women — all young, all troubled — seems like a promising lead. But there’s no clear connection between the missing girls. He realises that once again he’ll have to rely on his own well-honed instincts and Rachel’s uncanny capacity to see through people’s lies in order to

catch a predator and rescue his captives. But can they do it before Rachel becomes his next victim? *Deadly Obsession* Rachel de Luca has a bad feeling about the new woman in Detective Mason Brown's life, the nurse taking care of him after he's injured in the line of duty. She'd like to think it's just jealousy, but intuition tells her it's something more, maybe something dangerous. Mason knows Rachel's wary of commitment, and asking her to stay when he's in this condition would be the worst thing for their relationship. Then they receive chilling news: Mason's psychotic sister-in-law has escaped from custody, and her sons — the nephews Mason is raising — are missing and the clock is ticking. As Mason and Rachel try to find the boys, she senses a new and unexpected danger stalking them. Soon, everyone close to Mason is in deadly peril — Rachel more than anyone...

A fan-favorite novel by internationally bestselling author Tess Gerritsen For attorney David Ransom, it begins as an open-and-shut case: malpractice. Then Dr. Kate Chesne storms into his office, daring him to seek out the truth—that she's being framed. When another patient turns up dead, David starts to believe her. Somewhere in the Honolulu hospital, a killer walks freely. And

now David finds himself asking the same questions Kate is desperate to have answered. Who is next—and why?

Brown and de Luca Collection Volume 2/Innocent Prey/Deadly Obs MIRA

Stranded with a murderer... Rachel de Luca's uncanny sense of perception is the key to her success as a self-help celebrity. Even before she regained her sight, she had a gift for seeing people's most carefully hidden secrets. But the secret she shares with Detective Mason Brown is one she has promised to keep. As for Mason, he sees Rachel more clearly than she'd like to admit. After a single night of adrenaline-fueled passion, they have agreed to keep their distance—until a string of murders brings them together again. Mason thinks that he can protect everyone he loves, including Rachel, by taking them to a winter hideaway, but danger follows them up the mountain. As guests disappear from the snowbound resort, the race to find the murderer intensifies. Rachel knows she's a target. Will acknowledging her feelings for Mason destroy her—or save them both and stop a killer?

Cry Wolf McFarland

Seventeen years ago, government agent Joshua Kendall was part of the raid on the cultlike Young Believers compound. His own bullet killed an innocent girl, and he has lived with the guilt ever since. But a new assignment will reveal that the most shattering incident of Josh's life was nothing more than a lie. Elizabeth Marcum was that girl. She survived the bullet from the botched

raid and now lives under a new identity in rural Vermont, hiding from the cult leader who has managed to elude capture all these years. But she's tired of running, tired of hiding. If Mordecai Young tracks her down, so be it. When Josh is sent to protect Elizabeth—and realizes who she is—he will do anything to keep her alive, including lying about who he is. But as Mordecai descends back into their lives they become targets in a deadly battle that threatens to shatter their last chance at life and love. Originally published in 2005. Mordecai Young Series: Thicker Than Water (Book 1) Colder Than Ice (Book 2) Darker Than Midnight (Book 3)

The Soulful Science HarperCollins Australia

When the disappearance of a judge's daughter is linked to a case they just solved, self-help guru Rachel de Luca and Detective Mason Brown find the heat in their relationship turned up a notch as they team up once again to stop a predator who is preying on troubled girls. Original.

Darker Than Midnight Simon and Schuster

Sophia Dallas has recently been discharged from the Army after suffering at the hands of the enemy. On her journey to healing, she has finally started to live her life, but the past never really stays in the past. Nathan Slade, a former FBI agent, now owns his own P.I. business, has taken on a case that could make or break him. In all the chaos, he meets the love of his life. What happens when the man Nathan's hunting also happens to be a man on the hunt himself - only his target happens to be the love of Nathan's life? Lives will be lost, leaving pain and suffering in the wake of destruction while Nathan and Sophia learn the hard way that the future is never promised - especially theirs.

Applying Profiling and Analysis to the Interview Process

Routledge

Focusing on practical approaches for the experienced investigator, Michael R. Napier, a 27-year veteran of the FBI, presents *Behavior, Truth, and Deception: Applying Profiling and Analysis to the Interview Process*, 2nd Edition. This hands-on volume, drawn from years of experience interviewing suspects, reveals the targeted subject interviewing process (TSI). This technique combines all known tactics learned from criminal personality profiling and investigative analysis into an effective strategy for interviewing a suspect. The book describes the skill sets and essential elements that directly contribute to a successful interrogation and outlines an interview plan using these analytical and profiling concepts. Topics discussed include: Origins of offender motivation An analytical methodology for criminal investigative analysis Indirect personality assessment before the suspect interview Interview and interrogation techniques, including verbal strategies and nonverbal communications Interviews in rape cases Analysis of 911 calls made by a potential suspect Homicidal behavior Child molesters and stalkers Cultural considerations Tips for making interviews withstand legal challenges A blend of insight from seasoned law enforcement professionals and behavioral experts, this fascinating volume helps investigators get under the skin of the suspect, expose deception, and bring out the truth. Employing crime scene scenarios to demonstrate concepts, the book includes a victim questionnaire capturing offender behavior, form templates, and a glossary, making this a one-stop reference for law enforcement professionals charged with solving crimes and

bringing offenders to justice.

Cinematographers, Production Designers, Costume Designers and Film Editors Guide Springer

The #1 New York Times bestseller from the author of *Killers of the Flower Moon* In 1925, the legendary British explorer Percy Fawcett ventured into the Amazon jungle, in search of a fabled civilization. He never returned. Over the years countless perished trying to find evidence of his party and the place he called "The Lost City of Z." In this masterpiece of narrative nonfiction, journalist David Grann interweaves the spellbinding stories of Fawcett's quest for "Z" and his own journey into the deadly jungle, as he unravels the greatest exploration mystery of the twentieth century.

Routledge Handbook of the Climate Change Movement Poisoned Pen Press Inc

A short thriller that reset the reader in the Brown and de Luca universe just in time for the release of book 7, *GIRL BLUE*.

"Shayne has hit the jackpot with the pairing of self-help author Rachel de Luca and Detective Mason Brown. ...he is a master storyteller." -RT Book Reviews on *Innocent Prey*, a Brown and de Luca Novel # Hey, I'm Rachel and just so you know up front, I've got a mouth on me. Not in public-when I can help it. Cussing is bad for the image of a bona fide guru of self-help, or that which I call "the bullsh*t I write." Only, I'm not so sure it's bullsh*t,

because in trying it out, I got my eyesight back after 20 years. Yeah, the corneal tissue came from a serial killer, and yeah, I started seeing his crimes. But still, eyesight. I also have the hottest detective in the universe attached to my proverbial-and, okay, wider than I'd like-hip. I got his 2 nephews with the package and I couldn't fu-freaking love Jeremy and Josh more if I was their mother, which I'm way too young to be. That's a lie, Rache. They're twelve and eighteen. You're thirty- Don't interrupt, Inner B*tch, I'm on a roll. I also have my amazing bulldog, Myrtle. I understand her. She's blind like I used to be. And I got a little something extra with my cornea transplant. "It's a blessing and a curse," said the greatest TV detective ever. Only my something extra was...let's say down. And one of Josh's sixth-going-into-seventh-grade pals has been kidnapped. The sick prick snatched him off his bicycle and left a note behind. "Wait for instructions." Only none ever came. What a time for my antennae to be out of whack! I wanted my stuff back. So my wires are down, there's a kid missing, I'm bathing in my pity pool, and things get worse. A big celebrity psychic shows up to help the cops find the missing kid. In my town. Yeah. No. So there's all that. But I'm out of room, so...just get the book, and I'll tell you the rest. # "This is page-turning, non-stop suspense at its finest." -RT Bookclub on *Deadly Obsession*, A Brown and de Luca Novel # The Brown and de Luca Series *Sleep with the Lights On* *Dream of Danger* *Wake to Darkness* *Innocent Prey* *Deadly Obsession*
