HOW IS THIS TOEFL BOOK DIFFERENT? This TOEFL book is different because it uses an integrated vocabulary learning system called recycling. Recycling is simple. Each exercise is divided into four quizzes. Quiz 1, a multiple-choice vocabulary quiz, introduces ten new words. Next, you will do Quiz 2, which is a sentence-completion quiz based on the ten words in Quiz 1. Next, you will do Quiz 3, a spelling quiz. The speaker in the audio will say the same ten words in turn. You will then have ten

seconds to spell each word by saying it and typing it. Finally, you will do Quiz 4, which is a 60-word typing test based on the ten new words you have been recycling through Quizzes 1, 2 and 3, plus words, phrases and idioms recycled from previous exercises. BONUS MATERIAL Learn essential rhetorical strategies and a test-proven way to develop opinion-based and fact-based TOEFL essays.

Why is it important to learn collocations and idioms? An appreciation of collocation and idioms will help you to: - use the words you know more accurately. In other words, you'll make (NOT do) fewer mistakes. - sound more natural when you speak and write. By saying, for example, go blank, rather than forget everything, you won't just be understood, you will - quite rightly - sound like a fluent user of English. - vary your speech and, probably more importantly, your writing. Instead of repeating everyday words like very, good or nice, you will be able to exploit a wider range of language. Learning collocations, idioms and phrases means no more struggle, pausing or confusion while dealing with any of the major skills of the language (writing, reading, speaking and listening). This is the most effective method to use English words in a correct but natural way.

Make sure you use "IELTS Speaking Success with Cue Cards and Idioms" under the real test conditions. You have only 1 minute to think about the topic before you start speaking. You can spend more time thinking about and preparing how to answer that topic better. After several iteration, your score will go up very quickly. IELTS Speaking Success with Cue Cards and Idioms is a perfect book for you to prepare your IELTS Speaking test. Especially if you are very busy and have little opportunity to set aside enough time and sit down for practice because speaking is very time consuming. With "IELTS Speaking Success with Cue Cards and Idioms", now you can prepare IELTS speaking anytime anywhere on the go, it makes your every minute count. The main problem for most candidates getting low performance in speaking is they don't get enough language input and output. It is very important for you to practice speaking before you take the test. You should practice as many times as you can. You may know too well the reason why 2 minutes part 2 is too long for you to speak, which is only because you need more practice but you simply don't have the time. "IELTS Speaking Success with Cue Cards and Idioms" is trying to solve these problems.

IELTS Vocabulary Masterclass 8.5 (c) BOOK 3 + IELTS Listening & Reading Dictionary - Dominate Proficiency Level Vocabulary for IELTS Listening, Reading, Writing & Speaking (IELTS VOCABULARY BOOK 3 (c))The Masterclass to 8.5 is simple: This book is not designed to be an exhaustive list of words, but instead, a focused and easy-access guide for exam preparation + an IELTS Listening & Reading Mini-Dictionary. Review any sections that you feel you need to and use them as a starting point for further research and practice. 1. Read the definitions and write down an example sentence for each vocabulary item. 2. At the end of each topic chapter, you'll find an exercise to review your understanding of the vocabulary. The examples in the exercises are fragments from IELTS Speaking, IELTS Writing, IELTS Listening and IELTS Reading style questions and answers. After reading the definitions, complete the example sentences, using the words in the chapter. 3. Check your answers. 4. Check your original sentence again and see if it needs corrections. 5. Make clean *Notes / write a definition in your own words and an example sentence in your *Notes. 6. Re-read your *Notes twice per day and practise saying the sentences. 7. There is an IELTS Listening and Reading Mini-Dictionary for quick reference. 8. This is a perfect addition to IELTS Vocabulary 8.5 Masterclass Book 1 & Book 2, but also to the book IELTS Speaking 8.5 Masterclass and IELTS Writing 8.5 Masterclass. Practice answering the speaking activities (speaking cards and exam questions) at the back of the book IELTS Speaking 8.5 Masterclass in front of a mirror or with a partner if possible. When you do this, apply time limits to make it more like the real exam and use language from this book to instantly improve your speaking score! 9. Use the "Blank Notes

Section" at the end of this workbook to add your own notes and record your progress.

 I believe in keeping things simple whenever possible, so I'm going to keep this introduction short, so you can focus on the important things. This master plan is simple. Follow it, and you will increase your speaking band score. In this book, you have the tools you

need to increase your speaking score to 8.5 by improving your vocabulary, grammar and coherence. I have not included pronunciation guides in the book, as I know that pronunciation comes from hearing English, absorbing the sounds and then practising them. No book can provide this for you unfortunately, and any books that promise to do this are not telling you the truth. The IELTS speaking test is exactly the same for both IELTS Academic and for IELTS general. It lasts for 11 to 14 minutes and consists of three parts. Part one of the IELTS speaking test is basically an introduction for you as the candidate and for the examiner. It gives you both an opportunity to get comfortable and gives the examiner an initial general idea of your level of English. There's no need to feel nervous here. I know that it's very difficult not to feel a little bit nervous but try to think of this as a friendly informal chat with a friend or an acquaintance. The examiner wants you to succeed in the IELTS test, and if you can show your personality and feel relaxed enough to show the examiner your level of English you will succeed.

Many students fail to perform well on the IELTS Academic Test because they have poor vocabulary skills. Our IELTS Vocabulary book contains the vocabulary you will see on the IELTS Academic exam. The book also includes the essential IELTS idioms and

phrasal verbs that are assessed on the examination. The vocabulary, idioms, and phrasal verbs in the book are divided into alphabetized sections, from A to Z. There are definitions and sample sentences for each vocabulary item. By using this study guide, you will learn whether each word is a noun, verb, adjective, adverb, or idiom. You will also learn the derivatives (words in the same family that can be formed by using a prefix or suffix) for each item of vocabulary that you are likely to see on the TOEFL test. Most important, there are exercises at the end of each section of the study guide. The exercises will provide you with further practice in utilizing the vocabulary naturally in sentences, a skill which is assessed on the exam. The book is ideal for self-study. You can check your answers to the exercises by looking at the answer key provided at the end of the book. Get a step ahead on the IELTS by learning and practicing all of the essential words used in the real exam!

In the English Language, idioms are commonly used phrases. They are a type of figurative language or art-form made from words. They are not to be used literally, as they carry their own descriptive meanings. In this book, I have tried to use as many idioms as possible in short stories, to show you how idioms are used in daily life.
