Sad Love Stories in English Oxford University Press
 Anupama looked into the mirror and shivered with shock. A small white patch had now appeared on her arm.' Anupama's fairytale marriage to Anand falls apart when she discovers a white patch on her foot and learns that she has leukoderma. Abandoned by her uncaring in-laws and insensitive husband, she is forced to return to her father's home in the village. The social stigma of a married woman living with her parents, her steother's continual barbs and the ostracism that accompanies her skin condition force her to contemplate suicide. Determined to rebuild her life against all odds, Anupama goes to Bombay where she finds success, respect and the promise of an enduring friendship.
 Mahashweta is an inspiring story of courage and resilience in a world marred by illusions and betrayals. This poignant tale offers hope and solace to the victims of the prejudices that govern society even today.

Jugari Cross is a suspense thriller woven around the everyday incidents that occur with an ordinary farming couple's life. The story set within 24 hours is not just a typical suspense thriller with a trace of history and a literary quest, but enormously stimulates the reader to analyze the broader spectrum of philosophy, literature, and the principles of global economies established around us. I hope the reader community will appreciate how this suspense thriller gives the glimpses of nature, ecology, social reforms, literature, global/local economies, and many more social dimensions.

[Short Love Stories in English](#) Bombay : Somaiya Publications Human life is precious. But our everyday experience often tends to make us drift from this universal truth. Likewise, the treasure that lies in the human hearts often gets enshrouded by outwardly expositions. Events in lives that entwine these facts find dramatic presentations in the stories which the author has put in this collection for the reader to relish. The love for nature, which is not always kind, often peeps in the depictions even as the reader wonders what next. Why a victimized poor man feels compassionate towards a rich lady of high social status, or how a man confronts a completely exotic world in a place where he is not a newcomer, or what comes unexpectedly as a true gift, awaits fascinating revelation. Why Nitish speaks of terra incognita, or Lumla sheds tears for rich city dwellers, or Sarita hesitates to aim her revolver at the attacker, opens up as the reader goes on savouring the gradual unfurling of the stories.

Here is the first translation into English of the Basava Purana, a fascinating collection of tales that sums up and characterizes one of the most important and most radical religious groups of South India. The ideas of the Virasaivas, or militant Saivas, are represented in those tales by an intriguing mix of outrageous excess and traditional conservatism. Written in Telugu in the thirteenth century, the Basava Purana is an anthology of legends of Virasaivas saints and a hagiography of Basavesvara, the twelfth-century Virasaiva leader. This translation makes accessible a completely new perspective on this significant religious group. Although Telugu is one of the major cultural traditions of India, with a classical literature reaching back to the

eleventh century, until now there has been no translation or exposition of any of the Telugu Virasaiva works in English. The introduction orients the reader to the text and helps in an understanding of the poet's point of view. The author of the Basava Purana, Palkuriki Somanatha, is revered as a saint by Virasaivas in Andhra and Karnataka. His books are regarded as sacred texts, and he is also considered to be a major poet in Telugu and Kannada. Originally published in 1990. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

In 1998, a book was published that was surprisingly ahead of its times. It was called India 2020 and proposed that India could soon be one of the top five economies of the world. The nation had set off a series of nuclear tests and was facing worldwide sanctions. A new government had taken charge, and the economy was facing a tough time. It was not the best of times to predict that India had it in her to get on the fast track to development. The vision presented in the book would go on to inspire, directly or indirectly, many sectors of the economy to work for and achieve high growth. The book has since sold hundreds of thousands of copies. In A Manifesto for Change, its author A.P.J. Abdul Kalam, writing with co-author V. Ponraj, offers a sequel. As focused then as now on his dream of a developed India by 2020, the eleventh President of India examines what we need to get right to accomplish that essential goal: harnessing the stupendous energy of our youth to contribute to growth, a united Parliament that makes full use of its time for constructive debate and rises above petty party politics to achieve the larger national vision, and a plan of action that looks at development from the grassroots to giant strides in infrastructure and bridging the urban-rural disparity. It is time to leave behind the politics of antagonism and disruption behind, he suggests. As reward: a developed India as befits this beautiful land.
