No other text conveys such a passion for this exciting and profoundly important discipline. This comprehensive text meets all AACSB curriculum standards, while providing excellent CPA exam preparation. A focus on human conflict makes the book sparkle. Innovative, story-telling pedagogy; fascinating

cases; and business applications create student interest, while cases are summarized in the authors' own words. The result is a business law text that is authoritative and accurate, yet a pleasure to read.

### **Smith & Roberson's Business Law**

Cengage Learning

The updated 4th Edition of THE ENTREPRENEUR'S GUIDE TO BUSINESS LAW takes you through the various stages of starting a business--from start-up and growth to an initial public offering--while highlighting the legal preparations and pitfalls that go along with them. Packed with practical strategies for managing legal issues, the text presents the essentials on leaving your job, competing with a former employer, contract law, and bankruptcy,

as well as on the most current issues like clean energy, e-commerce, and the effects of the recent recession on entrepreneurship. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*Land of Strangers* Essentials of Business Law and the Legal Environment With Beatty and Samuelson's exciting fourth edition of LEGAL ENVIRONMENT, today's students are given personal experience in applying legal concepts to real-life issues using practical exercises found throughout the text. From the very first chapter, the authors' superb writing fascinates, drawing students into the concepts of business law within the context of vivid examples and

memorable scenarios. No other text is as effective at equipping future business leaders with the knowledge and tools to anticipate the challenges that await them. LEGAL ENVIRONMENT, Fourth Edition teaches students why business law matters not only to their careers but also to their daily lives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*Business Law I Essentials* South-Western Pub

Focusing on ethics in every aspect of the business environment, *The Legal and Ethical Environment of Business*, Second Edition by Gerald R. Ferrera, Mystica M. Alexander, William P. Wiggins, Cheryl Kirschner and Jonathan Darrow, prepares

students to work within current industry norms, practices, and legislation. Ethics coverage is integrated throughout the book and featured in nearly every chapter. Ethical theory is interwoven with practical applications using several novel pedagogical tools developed to promote focused, thoughtful inquiry and to highlight the interplay of ethics and law. The book also meets the needs of students who will be facing an increasingly international business environment. Integrated coverage of international issues goes beyond comparative law topics and includes substantial coverage of central topics in international business law, such as, bribery and the Foreign Corrupt Practices Act, key provisions of the Convention on Contracts for the

International Sales of Goods, and a comparison of the Uniform Commercial Code and the UN Convention on Contracts for the International Sale of Goods. Key Features: Excellent, pragmatic discussion of business organization implications and legal aspects of expanding a U.S. business internationally Crisp, thorough coverage of the Foreign Corrupt Practices Act, with contextual material on corruption effects on society and business, as well as explanation of the law and examples Readable, concise explanation of financing international business transactions, including overview of international debtor-creditor issues, risks specific to international transactions and description of the Letter of Credit process

Essentials of Business Law Wolters Kluwer

Recognized for accurate, relevant, and straightforward coverage, BUSINESS LAW AND THE REGULATION OF BUSINESS, 12E illustrates how legal concepts apply to common business situations. The book's comprehensive, yet succinct, approach provides a depth of coverage ideal for business success and CPA exam preparation without technical jargon. The text includes both landmark and recent cases with the facts and decision summarized for clarity, while the opinion is carefully edited to preserve the language of the court. More than 220 figures, tables, diagrams, concept reviews, and chapter summaries clarify concepts. All key legal terms are clearly defined and explained. In

addition, each chapter is carefully organized with numerous illustrative hypothetical and case examples that relate content to real-life experiences. Numerous critical-thinking features further strengthen readers' analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**The Entrepreneur's Guide to Business Law** Cengage Learning Current, succinct, and student-friendly, **ESSENTIALS OF THE LEGAL ENVIRONMENT**, 5E delivers complete one-semester coverage of business law and its environment in a straightforward, nontechnical style. Cases are summarized by the authors and integrated throughout chapters. Miller

explains legal issues and court decisions with minimal legal jargon while keeping readers engaged with the material. Hands-on applications help students strengthen their critical thinking skills as well as think through ethical dilemmas before they confront them in the workplace. The book also explores how traditional law has been applied to issues involving the Internet and how the laws of other nations deal with topics discussed in the text. In addition to Cases and Case Problems featuring issues from legal disputes in 2013 and 2014, the fifth edition includes an all-new chapter on Internet Law, Social Media, and Privacy, new Managerial Strategy features, new Preventing Legal Disputes features, and more. Important Notice: Media content referenced within

the product description or the product text may not be available in the ebook version.

Business Law Cengage Learning

**Mann, Isbn** Cengage Learning

The impersonality of social relationships in the society of strangers is making majorities increasingly nostalgic for a time of closer personal ties and strong community moorings. The constitutive pluralism and hybridity of modern living in the West is being rejected in an age of heightened anxiety over the future and drummed up aversion towards the stranger. Minorities, migrants and dissidents are expected to stay away, or to conform and integrate, as they come to be framed in an optic of the social as interpersonal or communitarian. Judging these developments as dangerous, this book offers a counter-argument by looking to relations that are not reducible to local or social ties in order to offer new suggestions for living in

diversity and for forging a different politics of the stranger. The book explains the balance between positive and negative public feelings as the synthesis of habits of interaction in varied spaces of collective being, from the workplace and urban space, to intimate publics and tropes of imagined community. The book proposes a series of interventions that make for public being as both unconscious habit and cultivated craft of negotiating difference, radiating civilities of situated attachment and indifference towards the strangeness of others. It is in the labour of cultivating the commons in a variety of ways that Amin finds the elements for a new politics of diversity appropriate for our times, one that takes the stranger as there, unavoidable, an equal claimant on

ground that is not pre-allocated.  
*Essentials of Business Law and the Legal Environment* Prentice Hall  
Interesting, clear, and applied, BUSINESS LAW TODAY, THE ESSENTIALS: TEXT AND SUMMARIZED CASES, 11E is a concise guide to the law and what it means in the business world -- from contracts and secured transactions to warranties and government regulations. Easy to understand with an engaging writing style that is matched by vibrant visuals, BUSINESS LAW TODAY: THE ESSENTIALS includes coverage of contemporary topics that impact not only the business world, but also the reader's personal life. The book examines timely issues, such as the financial crisis and its impact on business law, identity theft, immigration law, and diversity issues. Fascinating

features and intriguing cases highlight the practicality of the concepts highlighted in the book. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### **How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work**

Cengage Learning

From the creator of the popular website Ask a Manager and New York's work-

advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems

unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, non-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred

review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*  
 “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Cengage Advantage Books:**  
**Business Law Today: The Essentials**

West Legal Studies in Business  
 The sixth edition of this popular textbook

presents the most practical, most current, and only concise, broad-based introduction to the study of business law principles and practices. The material has been revised and updated to reflect recent developments in the legal field, and every chapter includes an abundance of real-world examples that illustrate the law at work. In-depth coverage of the latest issues in business law, including new coverage of technology, product liability, and employment law, is also provided. New presentation and an engaging design make the book easy to teach and understand, and the new and expanded pedagogy, with an emphasis on teachability and assessment, offers teachers and students a wealth of opportunities for enriching the learning

experience. Students will come away with a clear understanding of business law topics and be able to identify, explain, and apply the principles of business law in the world around them.

**Essentials of Business Law and the Legal Environment** Edward Elgar Publishing

Upon its publication in 1963, Corley's Legal Environment of Business was the first and only business law textbook to emphasize public rather than private law, government regulation of business rather than contracts, and legal relationships rather than business transactions. A major innovation, it established a new course that the authors termed the legal environment of business. Over the years others have attempted to attain the success and

stature of The Legal and Regulatory Environment of Business, but none has been able to match its timely, innovative coverage. Substantially updated, the 10th edition continues the text's reputation for ethics, authority and coverage of current areas of importance to business.

**Cengage Advantage Books:  
Essentials of the Legal Environment**  
Ballantine Books

The Fifth Edition of this popular text offers complete coverage of business law and its environment in a non-technical, straightforward style. (Coverage is less technical than that in Smith and Roberson, Ninth Edition.) Cases are summarized and integrated into the chapters. Legal issues and court decisions are carefully explained with a

minimum of legal jargon. Essentials covers all required business law topics for the CPA exam. The Fifth Edition includes a chapter on environmental law and features The Law and You, Ethical Dilemmas, and Law in the News.

**Essentials of the Legal Environment Today** Cengage Learning

Interesting, clear, and applied, BUSINESS LAW TODAY: THE ESSENTIALS is your concise guide to the law and what it means in the business world--from contracts and secured transactions to warranties and government regulations. Easy to understand with an engaging writing style that is matched by vibrant visuals, BUSINESS LAW TODAY includes coverage of contemporary topics that impact not only the business world, but your life--from the USA Patriot Act's

effect on constitutional rights to the national Do Not Call registry. Fascinating features and intriguing cases highlight the material's practicality. The text's companion website includes resources to help you study, such as sample answers to the end-of-chapter case problem features; videos clips for use with in-text video questions; Internet exercises; and interactive quizzes for every chapter.
