Vicious Minds: Part 3

Mitch Gallagher is a loner,
down to the bone.

Banished at sixteen from everything and everyone he held dear, he's an intensely private man whose rusty, unused heart long ago gave up on love. Fragile Perrie Matheson is on the run to protect her beloved son. Too ill to travel further with a winter storm on the way, she has no choice but to gamble her child's safety on a man who wants only to be left alone. But during days spent together in the mountain cabin, Mitch and Perrie each find surprises in store...and all the reasons they should stay apart battle with the yearnings of hearts too long denied love.

Aldous Huxley Lexington Books

Stuart Reid is an Iron Master—a Dark Fae with a rare ability to make iron do his bidding. Exiled by the High Fae who fear him, he now lives in a simple house in Shifertown outside Las Vegas, watching over Peigi, a bear Shifter woman, and the cubs she cares for. Peigi, rescued from an evil Shifter and welcomed into the Vegas Shifertown, knows Reid and the cubs have helped her survive and heal. She also knows Reid is alone and lonely, a strong man coping with his exile. The

bond she feels pulling her to him scares the crud out of her—she's been down this road before. When Reid's people send him a desperate call for help, Peigi senses danger to him—too much of it. She finds she'll do anything, even sacrifice herself and her happiness, to keep him safe. A Shifters Unbound full-length novel. The Gallaghers of Morning Star Entangled: Embrace "See that moon up there? You can reach that high. Never be afraid because you can be anything you want to be." Susan Lucci was only five years old when her father shared these encouraging words with her. They inspired the highly imaginative child who loved make-believe to craft one of the most enduring characters in television history, an achievement that would earn her a record twenty-one Emmy nominations—the most for an actor in the award's history—and the crown as "Leading Lady of Daytime." When Lucci and All My Children were introduced to the world in 1971, American television changed forever. Susan's character, the beautiful, spirited, and mercurial Erica Kane, was an original—the first vixen viewers loved to hate. But

while millions have enjoyed getting to know Erica's many sides—and have been awed at how this character has continually remade herself—the woman who plays her has remained a mystery. In her long-awaited memoir, this very private actress, wife, mother, daughter, grandmother, sister, friend, and entrepreneur pulls back the curtain to reveal her story. Susan, like Erica Kane, has undergone a metamorphosis many times. All My Life shares the stories of those transformations: starring in roles on television and stage, where she took Broadway not just by storm but "by tsunami" as one critic raved about her performance in Annie Get Your Gun; mounting successful cabaret acts (solo and with Regis Philbin); bringing art and joy back to New York in the wake of 9/11; conquering the tango with Tony Dovolani on ABC's hit show Dancing with the Stars; and building a successful career as an entrepreneur with a signature line of products. Susan goes beyond her success to talk about the darker moments, too, including the childhood guilt she harbored over

the death of her dear grandmother, the car accident that nearly took away her career and her eyesight, her newborn son's life-threatening illness, coping with her husband's cancer, and the pain of miscarriage—one of the many parallels between her Erica Kane. As charming, down-to-earth, and compelling as the woman whose story it tells, *All My Life* shines a spotlight on one of our most popular stars and reminds us of the power of dreams and how we can find the courage and tenacity to make them come true.

A Biography Harper Collins

Let's say you're an independent, self-sufficient woman who runs the family company and you find yourself falling for your little brother's best friend. Now, more than ever, you need to count all the reasons why you need to abandon falling. *Abandon Falling #1* - He's a womanizer. Hasn't had a

serious relationship a day in his life and changes women more often than he changes his sheets.

Abandon Falling #2 - He's never serious. He cracks one-liners, mostly at your expense. *Abandon Falling #3* - When things go

wrong, he seems unfazed and always remains in control. It's so annoying.

Abandon Falling #4 - He has tattoos. Lots of them. Everywhere. Not to mention, he owns a tattoo parlor. (Damn it! Why doesn't that sound like a bad thing anymore?)

Abandon Falling #5 - There's a growing list of how different you two are. You can't get along for fifteen minutes—a lifetime together would land one of you in prison. Keep repeating those reasons and drown yourself in work. Pretend you don't notice his good qualities or how enticing he looks without a shirt, and do not, I repeat, do not agree to live with the man while your place is being repaired from flood damage. Trust me, even the strongest of us can only forego temptation for so long.
