Con destino a la comunicación (Authors:
Paul Chandler, Rafael Gómez, Constance
Kihyet, Michael Sharron) is an innovative
intermediate level (2nd or 3rd year) text
and accompanying workbook.

Throughout its 15 chapters, students
work on the development of their
conversation and composition skills in
Spanish while exploring interesting
themes and intriguing questions. An
authentic reading in each chapter also

helps students to develop reading skills.
An audio component is integrated into
both the core textbook and the
workbook. This text is a collaboration

As one of the best-selling Intermediate
Spanish titles, the third edition of
¡Avance! continues to develop students'
functional, communicative language
skills through reinforcement, expansion,
and synthesis of the concepts learned in
the introductory course sequence.
¡Avance! offers contextualized activities

that review language and foster skill development, while at the same time, preparing students to continue their Spanish major or minor coursework and for real-life communicative tasks. Recognizing the need for cultural competence simultaneously coupled with the desire to introduce students to literature at the intermediate level, the 3rd edition of ¡Avance! includes cultural and literary texts in every chapter, creating a program that meets instructors' demands that intermediate-level instructional materials be not merely contextualized but also content-rich and interesting, as well as motivating to today's students. The modern Spanish classroom is changing as are the teaching and learning experiences we all want to provide our

students. Professors are offering more hybrid and online courses or, at a minimum, are seeking technology to extend learning outside of the classroom in truly effective ways. As such, professors are searching for more types of homework tools, better reporting features, and cutting-edge functionality to meet the demands of their courses and the needs of their students. Connect Spanish, McGraw-Hill's digital platform which accompanies the third edition of ¡Avance!, offers state-of-the-art resources never before available to intermediate Spanish, to address the varying levels of communication of intermediate Spanish learners with proven outcomes that improve student learning in measurable ways. The third edition of ¡Avance! is comprised of an

array of integrated print and digital offerings, giving you the maximum flexibility to choose the most appropriate format and content for your courses.
