Justice, Unity, and the Hidden Christ Joel Comiskey

In its two-thousand-year history, the Catholic Church remains an unchanging yet developing entity. Since the church's infancy, Catholic theologians have referenced the "deposit of faith," which in early years referred to the written or orally revealed doctrines that formed the backbone of church teaching. Through the centuries, the definition came to be understood as the word of God, delivered through Jesus Christ and passed on to his apostles. Still, the deposit included both oral and written traditions and provided moral direction. The Second Vatican Council brought about many changes in the church, and once again, bishops and theologians addressed the deposit of faith. This invaluable concept came to be seen, not as mere dogma, but the expression of faith embodied in the words and deeds of Christ. The deposit is relevant to all elements of Catholic life: prayer, sacraments, and moral living. While the deposit has always addressed divine revelation, the post-Vatican II definition directs the faithful to think holistically. Hubert M. Sanders Jr.'s *Deposit of Faith* is intricate Catholic theology for the lay reader. It encourages Catholics to reach beyond dogma and written instructions to embrace the fullness of the Christian experience in all aspects of life.

Hidden Christmas Xulon Press

A successful CEO, Grassman hopes that his readers, with God's guidance, will be able to see, as Peter did, the true Jesus- the Christ, the son of the living God- and respond from the heart. Informative and illuminating.

From Nativity to Ascension Klaus Nurnberger

This book is an interdisciplinary collection of essays that explores the variety of ways in which the interface between understanding the figure of Christ, the place of the cross, and the contours of lived experience, was articulated through the long nineteenth century. Collectively, the chapters respond to the theological turn in postmodern thought by asking vital questions about the way in

which representations of Christ shape understandings of personhood and of the divine.

The Figure of Christ in the Long Nineteenth Century Shadow
Mountain

If you're not aware of the hidden truths that are buried throughout the Old Testament, you're not going to understand the Bible! The *Mystery of the Gospel* seeks to unveil what is concealed beneath the surface of the Old Testament and was later revealed in the New Testament. Many Christians think the Old Testament is about Israel and the New Testament is about Jesus. This is not true! Jesus is the primary and central character in both the Old and New Testaments! Through pictures, types, and shadows, the undercurrent of the entire Old Testament is that it points forward to Jesus. What did Jesus, His apostles, and the New Testament writers teach about the Old Testament? (Hint: they all taught that it was about Jesus.) Journey with us as we explore the Old Testament for the hidden gems of Christ buried within! Come, let us discover together *The Mystery of the Gospel. Beneath the Surface of the Old Testament* John Wiley & Sons
On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity.

Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

The Variety and Unity of the Apostolic Witness to Christ Thomas Nelson

Luther's *Theology of the Cross* represents a fully revised and updated edition of the classic 1985 text that expands on the author's ongoing research and reflects 25 years of Luther scholarship. Rewritten and expanded edition of a highly-acclaimed classic text Incorporates primary and secondary sources that have become available since the publication of the first edition Draws on advances in our understanding of the late medieval intellectual, cultural, and religious background of Luther's early development, and the nature of Luther's doctrine of justification (including the so-called 'Finnish' school), many of which have not yet been incorporated into Luther scholarship Luther's 'theological breakthrough' continues to be of central importance to Reformation Studies and the development of Protestantism Written by one of the world's leading Protestant theologians, who is an authority on the development of the doctrine of justification. His classic work *Iustitia Dei: A History of the Christian Doctrine of Justification* is now in its third edition (2005)

This is not just a book just to be READ - it is a book to be SAID! "Death and life are in the power of the tongue, and they who indulge in it shall eat the fruit of it [for death or life]." Proverbs 18:21 If I could hand you a key that is guaranteed to change your life and circumstances; a principle that places the supernatural power of God on tap for every situation in your life and ministry, would you want to know what it is? Sometimes people shroud the simplicity of the gospel in a mess of religious rhetoric and theological confusion. Thankfully the Scriptures make plain and simple how we are to engage with God and receive and release His transforming power consistently in our everyday lives. In this

practical Spirit-filled series of books, pastor and Bible teacher, David Lee Martin, unpacks the amazing truth concerning the power of the words that you speak, and shows clearly how you can apply this truth to change your world, and the world of those around you. This Edition: COLOSSIANS The book of Colossians is a book of putting off the old, and putting on the new. The truths you are about to declare will uproot all that hinders you in your walk with God and with others, and firmly establish your present and true identity in Christ. Take the words on the following pages, salt them with your own thanksgiving, and let God's love and grace touch the very depths of your being. The Benefits of Applying the Word As with several of my other books, this one is intended to be applied. It's words and message are impotent if they are not vigorously acted upon. The 'His Word My Word' series of books take eternal truth and shape it for application right here and now! This series of books will train your tongue by planting the Word in your heart, and harnessing your testimony (the confession of your mouth) with the law of liberty - the perfect Word of our Father. Just a few the benefits you can expect as you act on what you read, and become a doer of the work include: -It renews the mind, building into your consciousness and expectation new truths to live by. -It moulds your vocabulary, harnessing your tongue to speak only those things God (and you) desire for your life. -It conforms your thoughts and words to His thoughts and Words. -It gives expression to the mind of Christ in any and all situations. -It raises our perspective from earthly to heavenly, from below circumstances to above them. -It banishes wrong thinking and emotions, replacing them with God's own thoughts - our emotions will always follow our thinking, and our thinking will follow the deposit in our heart, and the words of our mouths. -It gives you an actionable principle you can apply to combat any adversity you face with confidence. -It establishes Godly boundaries in your life. -It overcomes the devil's plans and purposes because you are never in agreement with him, and they cannot be established. -It develops new pictures of ourselves, ones that are shaped by God's unchanging love for us. -It equips us with the necessary weapons for the Holy Spirit to bring to our remembrance what is needed to overcome, any time our mind, body or spirit come under attack. -It brings every thought into captivity and conformity to Christ, resulting in increased spiritual authority in the spirit realm and in relationships and ministry. -It is health to

our flesh and strength to our bones. There are many more wonderful benefits that flow from disciplining ourselves to speak the Word only, but I am sure that you already you agree, any investment we need to make putting this into practice is far outweighed by the promised returns. It is truly life changing, and a spiritual principle that will stand the test of time and every challenge that is thrown at it.

The Hidden Christ Sea of Theosophy

Transparency is vital to the building and strengthening of every relationship and every ministry. It allows people to see you as approachable and to feel safer when talking to you. Transparency is a gateway to trust, and trustworthiness is an important quality which people seek in a good, ministerial leader. They want to know: Is this person trustworthy? Is this person honest? How do I know I can talk to this person without fear of condemnation? It is with this in mind that Rohini Townsend approaches writing, friendships, ministry, and life itself. Her desire to see people healed and whole has led to a candor and openness that is sure to tug at the heartstrings of the despondent. *Put Some Shoes On*, is an emotional and gripping story of one little girl's journey through heartache, rejection, abuse, and turmoil. Chronicling her path from scared child to broken, rebellious teen to powerful, anointed woman of God, the author shares the most intimate moments of her life with refreshing transparency and soul stirring honesty. It is not only a story of past hurts, it is a story of learning, growing and seeking a deeper relationship with God -- the steps and sacrifices that are required for that level of depth and connection to the Father. Raw, poignant, and insightful, *Put Some Shoes On* was written to heal. It was written with your salvation in mind. This is a story of overcoming and, while on that walk, discovering who you are, and more importantly, WHOSE you are. Every step you take was conceived in the mind of the Father to guide you towards recognizing the spiritual gifts He has placed in you. Be not weary in well doing. Do not allow your circumstances to define you. Do not be consumed by trials and heartache. Take your experiences and let God use them to mold you into a powerful Kingdom citizen. Put some shoes on and walk boldly in your Godly identity.

Or, History of the Apocrypha Robinson

In this book the Principals of the six Baptist colleges in Great Britain take up a request to write about Baptist spirituality. They

propose that the spirituality of Baptists, in all its diversity, is characterized by living 'under the rule of Christ'. While all Christian spiritual traditions affirm this truth, they suggest that there is a particular sense of being under Christ's rule which has been shaped by the story of Baptists and by their way of being church through the centuries. Elaborating the main theme, chapters explore various dimensions of spirituality: giving attention to God and to others, developing spirituality through suffering, having spiritual liberty within a community, living under the rule of the Word in Christ and scripture, integrating the Lord's Supper with the whole of life, and engaging in the mission of God from an experience of grace. Together, the writers present an understanding of prayer and life in which Christ is both the final authority and the measure of all things.

Falling to Heaven Wipf and Stock Publishers

Simplicity in Prayer: Workbook and Journal and *Simplicity in Prayer Revised*; are designed to build, strengthen and fortify the Believer in prayer. Purchased as a combo pack, it will make for a memorable and life changing experience; while at the same time gaining useful information for building and/or repairing a fundamentally sound foundation in prayer. Whether you are building or restructuring your prayer life, the combo pack of the book, the workbook and journal, coupled with your desire for relationship with the Lord, will be very useful and profitable to your journey in prayer.

A Step by Step Guide for Beginners. One in Christ Press While numerous studies have celebrated Thomas Merton's witness as an interfaith pioneer, poet, and peacemaker, there have been few systematic treatments of his Christology as such, and no sustained exploration to date of his relationship to the Russian Sophia" tradition. This book looks to Thomas Merton as a "classic" theologian of the Christian tradition from East to West, and offers an interpretation of his mature Christology, with special attention to his remarkable prose poem of 1962, *Hagia Sophia*. Bringing Merton's mystical-prophetic Vision fully into dialogue with contemporary Christology, Russian sophiology, and Zen, as well as figures such as John Henry Newman and Abraham Joshua Heschel, the author carefully but boldly builds the case that Sophia, the same theological eros that animated Merton's religious imagination in a period of tremendous fragmentation and violence, might infuse new vitality into our own. A study of

uncommon depth and scope, inspired throughout by Merton's extraordinary catholicity. Christopher Pramuk, PhD, is assistant professor of theology at Xavier University in Cincinnati, Ohio. He is the author of two books and numerous essays, and the recipient of the Catholic Theological Society of America's 2009 Catherine Mowry LaCugna Award. "

The Christian treasury (and missionary review). Createspace Independent Publishing Platform

Does social justice promote Christian unity? With reference to paragraph 12 of Unitatis Redintegratio--Vatican II's declaration on ecumenism--this book argues that an emphasis on justice and unity without proper consideration of social context actually risks obscuring a clear public declaration of Christ, by having Christians uncritically accept the presumptions that underpin the sociopolitical status quo. This constitutes a failure in Christian interpretation, the crux of which is a failure in ecclesiology.

Matthew John Paul Tan suggests the beginnings of a corrective with reference to works by Pope Benedict XVI, theologians such as Graham Ward, and postmodern theorists like Michel Foucault. Ultimately, Tan invites the reader to begin considering how answering this seemingly simple question will implicate not only theology, but also philosophy and political theory, as well as considering the need for the church to engage in a bolder confessional politics in place of the politics of the public square often favored by Christian and non-Christian commentators.

The Surprising Truth Behind the Birth of Christ Smyth & Helwys Publishing, Inc.

Do you know that you were well thought out in the mind of God? Do you know you were not a by-chance product? Do you know you have a God purpose? Created On Purpose For Purpose holds the keys that will unlock all the answers and equip you to walk out your God purpose! Everyone has a sense that they were born for a purpose. But there is something more than just a purpose. The God purpose was designed specifically for you, and it's your responsibility to live out this assignment! From her own experience in discovering her God purpose, author Lisa Singh has outlined the steps to take to discover your God purpose. This easy-to-read guide will instruct you to explore why God designed a special purpose for you and how you can come to understand it. Once you know your place in the world, you can begin to live your purpose and thereby bless not only yourself, but the world you

live in. Realize who you are and learn practical applications for victorious, fulfilling living. Whether studying alone or in a small Bible study, you'll find the tools you need to find your God purpose and start living your life the way it was intended to be lived—on purpose!

Martin Luther's Message for Us Today Wm. B. Eerdmans Publishing

"Every time that you find in our books a tale the reality of which seems impossible, a story which is repugnant to both reason and common sense, then be sure that the tale contains a profound allegory veiling a deeply mysterious truth; and the greater the absurdity of the letter, the deeper the wisdom of the spirit." — Moses Maimonides, Jewish theologian, historian, Talmudist (1135-1205 A.D.) Countless people have been provided with new insights into the Christian religion through the in-depth Biblical interpretations of Geoffrey Hodson. In his *Hidden Wisdom in the Holy Bible*, Volumes I, II and III, he extensively analyzed Old Testament stories, suggesting that many of them are in actuality more meaningful than is commonly supposed; that many of these stories are indeed allegorical, and that, understood from a more universal and less literal point of view, they contain much additional useful knowledge. He believes this is also true of *The Christ Life from Nativity to Ascension*. In this book, Hodson moves from a consideration of the Old Testament of the Holy Bible to the New Testament, interpreting the four accounts, or Gospels of the life of Christ, as put down in the King James version of the Bible. The author believes that the Bible should be considered in both its historical and its allegorical significance. He writes: "Ever must it be remembered that the wondrous story (of Jesus the Christ) was never intended to be read as a record of external events alone, but rather as a revelation of the divine within man." As a priest in the Liberal Catholic Church, Hodson has naturally maintained an intensive interest in the Holy Bible. He is recognized throughout the world for his exceptional clairvoyant abilities, and has also carried out occult research in collaboration with physicians, physicists, anthropologists and archaeologist. He is the author of some 40 books dealing with such topics as meditation, Theosophy, the spiritual life, health and disease and, of course, Bible symbolism and interpretation.

Christ B. C. Author House

The sect was said to harbour dark designs to overthrow the

government. Its teachers used a dead language that was impenetrable to all but the innermost circle of believers. Its priests preached love and kindness, but helped local warlords acquire firearms. They encouraged believers to cast aside their earthly allegiances and swear loyalty to a foreign god-emperor, before seeking paradise in terrible martyrdoms. The cult was in open revolt, led, it was said, by a boy sorcerer. Farmers claiming to have the blessing of an alien god had bested trained samurai in combat and proclaimed that fires in the sky would soon bring about the end of the world. The Shogun called old soldiers out of retirement for one last battle before peace could be declared in Japan. For there to be an end to war, he said, the Christians would have to die. This is a true story.

Enlarged Print Edition Springer Nature

When God gave us the Holy Scriptures He concealed beneath the surface a vast wealth of spiritual truths for His people. In the tabernacle, its furniture, and its service, God has hidden an inexhaustible mine of precious spiritual truths. For years many of us have passed over this hidden wealth, unconscious of its existence. But all the time it has been there awaiting our discovery. Elder Jones has listed the significance of 17 Bible numbers and gives us the meanings of the materials of the tabernacle, such as gold, silver, brass, blue, purple, scarlet, fine linen, shittim wood, oil, salt, leaven and much more. Learn about the furniture of the tabernacle - the ark, the golden cherubim above the mercy seat, the table of shewbread, the candlestick, the altar of incense, and the duties of the priests. As we attempt to walk in the midst of the truths of this ancient sanctuary may the Spirit of our God open our eyes and hearts to see Christ revealed therein. May we behold His divine perfection, His glorious attributes, His divine love, and the all-sufficiency of His matchless grace. From the author of: *That Ye May Marvel or The Significance of Bible Numbers and A Verse by Verse Commentary on Revelation*. ***** "It was therefore necessary that the patterns of things in the heavens should be purified with these; but the heavenly things themselves with better sacrifices than these. For Christ is not entered into the holy places made with hands, which are the figures of the true; but into heaven itself, now to appear in the presence of God for us..." (Hebrews 9:23-24).

Receive Christ's Freedom Xulon Press

Christ's death on the cross offers victory over bitterness, addictions, occult bondage, and debilitating strongholds. Encounter! Receive Christ's Freedom will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power. It's a great resource to use individually or in a retreat setting. In

the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include: Repentance and forgiveness; The power of the cross over sin, Satan, and demonic strongholds; How to receive inner healing; Freedom from the fear of death; How to be filled with the Spirit. The Thing Beneath the Thing The Hidden Christ Beneath the Surface of the Old Testament

I suspect that if you are reading this book, then you either just finished your book or you are contemplating self-publishing books as a full-time or part-time income or just to publish your book and brag to your friends about it later. In any case, this book is written for you and it comes from my heart, and from my many trial and errors over the last two years and still am doing today. I hope I will not let you down with the content of this book and that you will find it useful.
