Houghton Mifflin

From the New York

Times best-selling

author of *The Drunken*

Botanist comes an

enthraling novel based

on the forgotten true story of one of the nation's first female deputy sheriffs. Constance Kopp doesn't quite fit the mold. She towers over most men, has no interest in marriage or domestic affairs, and has been isolated from the world since a family secret sent her and her sisters into hiding fifteen years ago. One day a belligerent and powerful silk factory owner runs down their buggy, and a dispute over damages turns into a war of bricks, bullets, and threats as he unleashes his gang on their family farm. When the sheriff enlists her help in convicting the men, Constance is forced to confront her past and defend her family -- and she does it in a way that few

women of 1914 would have dared. "A smart, romping adventure, featuring some of the most memorable and powerful female characters I've seen in print for a long time. I loved every page as I followed the Kopp sisters through a too-good-to-be-true (but mostly true!) tale of violence, courage, stubbornness, and resourcefulness." -- Elizabeth Gilbert

A sweeping, action-packed Scottish historical romance filled with adventure, history, and longing from USA Today bestselling author Eliza Knight. When Highlander Toran Fraser encounters a mysterious rebel for the prince, he can't resist being recruited to her cause... Toran Fraser is hell-bent on taking down the Jacobites. On a late-night mission, he's intercepted by a woman known only as "Mistress J," who's determined to put Prince Charlie back on the throne of Scotland. Toran can't resist her appeal—especially with her pistol pointed at his

heart—and suddenly finds himself joining the rebellion... By day, highborn Jenny Mackintosh runs her estate in the Highlands. By night, she's one of Prince Charlie's Angels—a band of Jacobite rebels. Scoffing at mortal danger, she raises coin, delivers weapons, and recruits soldiers for the rebellion. When she encounters a handsome Highlander who is clearly on the run, she is more than a little intrigued. She isn't expecting to be his enemy... Jenny's story has a flavor of the lives of Lady Anne (Farquharson) Mackintosh, Jenny Cameron, and Lady Margaret Ogilvy, who raised troops, collected funds and weapons for the rebels, fought in battles, and aided men

in escaping the wrath of their enemies. Readers love Eliza Knight: "Passion and intrigue collide... Knight mixes emotional conflicts with interesting historic detail and produces a hero whose honor and prowess is memorable indeed."—RT Book Reviews for The Highlander's Reward "Ms. Knight has a gift for writing wonderful characters that pull the reader into the story... This series is a must-read."—Night Owl Reviews TOP PICK for The Stolen Bride Series

Charlie McGraw never should have bought the angel book for his precocious daughter. Because then Meredith wouldn't be convinced that getting a new mommy was as simple

as having an "angel" sprinkle him with her "miracle dust." And she never would have believed the beautiful blond haired woman who drove a truck called the "Silver Angel" was some treetop angel come to life. Starla Richards was no angel. But try telling that to a five-year-old who was so starved for a mother's love that she'd stowed away on Starla's rig. Or convincing herself that miracles just didn't happen to ordinary people when Starla found herself snowbound with the handsome, caring widower and his adorable daughter...

The Golden Evenings of Summer

Pomegranate Press (CA)
The basis for the hit TV series *Gangland Undercover!* The gripping account from an ex-con who went undercover to help the ATF infiltrate three of

America's most violent biker gangs. Despite lacking any experience with motorcycle gangs, Charles Falco infiltrated three of America's deadliest biker gangs: the Vagos, Mongols, and Outlaws. In separate investigations that spanned years and coasts, Falco risked his life, suffering a fractured neck and a severely torn shoulder, working deep undercover to bring violent sociopaths to justice. His dedication was profound; Falco spent almost three years infiltrating the Vagos gang and rose to second in command of the Victorville, California chapter. He even served time in San Bernardino's Murder Unit and endured solitary confinement to protect

his cover and the investigations. Falco recorded confessions of gangland-style killings and nearly became a target himself before he sought refuge in the Witness Protection Program. But discontent to remain on the sidelines and motivated by a strong sense of duty, Falco eventually left the Program and volunteer his talents again to infiltrate the Mongols and Outlaws, rising in rank to Vice President of the Petersburg, Virginia Outlaws chapter. His efforts culminated in sixty two arrests of members for various crimes, including assault and murder. Executing one of this country's most successful RICO prosecutions and effectively crippling the

criminal enterprise, Falco's engrossing narrative of the dangers of the biker underworld harkens back to Hunter S. Thompson's classic Hell's Angels, vividly recounting a life undercover. *Angels Charlie and the Angels The Outlaws, the Hells Angels and the Sixty Years War Channel Surfing: Charlie's Angles* (originally *The Q Guide: Charlie's Angels*) contains over 70 new pages including a Q&A with Kate Jackson, Shelley Hack memories; Toy Guide; Quickie Episode Guide; new co-star interviews (Judy & Audrey Landers, Brian Cutler (Deputy Dan); Alan Feinstein; Harvey Jason (Alvin); Lee Delano; Cissy Wellmen, PLUS a rare interview with Cis

Charlie's Angels made overnight stars of Farrah Fawcett, Kate Jackson, Jaclyn Smith, Cheryl Ladd, Shelley Hack and Tanya Roberts. Because of the bikinis and plunging necklines, "Jiggle TV" became a new vernacular expression. At the same time, Charlie's Angels expanded the boundaries of the role women played on television proving that women could do anything that a man could. Author Mike Pingel goes undercover to explore the hit TV detective show

Charlie's Angels and what made it such an iconic sensation. "Channel Surfing: Charlie's Angels" includes interviews with Farrah Fawcett, Jaclyn Smith, Cheryl Ladd, Tanya Roberts and Executive Producer, Leonard Goldberg. An angel's assignment places him in the path of his hurting stella guida, leaving him wondering if he has the skills to help. When Nester joined Murdoch's coven a couple of years back, Murdoch knew they weren't beloveds. That didn't stop him from falling hard and fast for the hazel-eyed vampire, who seems to return his affection. Bringing in a donor for threesomes happens often and keeps the spice in their relationship. Murdoch is ready for the next step—family—and Nester claims to be, too. They agree to a surrogate and artificial insemination. Except, then Murdoch ends up running late to an appointment to meet the surrogate at the

facility and walks in on Nester banging the woman. His lover claims it's no big deal, but it is to Murdoch. If Nester was willing to do that with their surrogate, who else had he been involved with behind his back? Murdoch takes a step back from Nester, trying to get some perspective, angering the other vampire. A guest at the dude ranch—Malakai—offers to listen to Murdoch and offer advice. Murdoch finds himself extremely attracted to the gorgeous male, although his lack of scent confuses him. An unexpected accident allows Murdoch to taste Malakai's blood, revealing that not only is the male his beloved, but Malakai is also an angel. Can Murdoch come to grips

with the revelation—and why Malakai had hidden their connection from him—before Nester figures out a way to sabotage any hope for their future?
