PERKINS STEPHENS

Van Gogh Dell

The devastatingly original debut novel from a winner of the Windham-Campbell Prize for Fiction. "Profoundly moving . . . I cannot remember when I last read something as touching as this." —Amitav Ghosh, author of *The Glass Palace* First published by a small press in India, Jerry Pinto's debut novel has already taken the literary world by storm. Suffused with compassion, humor, and hard-won wisdom, *Em and the Big Hoom* is a modern masterpiece, and its American publication is certain to be one of the major literary events of the season. Meet Imelda and Augustine, or—as our young narrator calls his unusual parents—Em and the Big Hoom. Most of the time, Em smokes endless beedis and sings her way through life. She is the sun around which everyone else orbits. But as enchanting and high-spirited as she can be, when Em's bipolar disorder seizes her she becomes monstrous, sometimes with calamitous consequences for herself and others. This accomplished debut is graceful and

urgent, with a one-of-a-kind voice that will stay with readers long after the last page.

NAKED CAME I Nadia Aidan Publishing, LLC

In this acclaimed biographical novel, Irving Stone brings to life the tender and poignant love story of Rachel and Andrew Jackson. "Beyond any doubt one of the great romances of all time." -- The Saturday Review of Literature

BEDTIME STORIES Three Sensual Tales of Love, Lust and Romance N A L Trade

NEW YORK TIMES BESTSELLER • "The definitive biography for decades to come."—Leo Jansen, curator, the Van Gogh Museum, and co-editor of *Vincent van Gogh: The Complete Letters* Steven Naifeh and Gregory White Smith, who galvanized readers with their Pulitzer Prize-winning biography of Jackson Pollock, have written another tour de force—an exquisitely detailed, compellingly readable portrait of Vincent van Gogh. Working with the full cooperation of the Van Gogh Museum in Amsterdam, Naifeh and Smith have accessed a wealth of previously untapped materials to bring a crucial understanding to the larger-than-life mythology of this great artist: his early struggles to find his place in the world; his intense relationship with his brother Theo; and

his move to Provence, where he painted some of the best-loved works in Western art. The authors also shed new light on many unexplored aspects of Van Gogh's inner world: his erratic and tumultuous romantic life; his bouts of depression and mental illness; and the cloudy circumstances surrounding his death at the age of thirty-seven. Though countless books have been written about Van Gogh, no serious, ambitious examination of his life has been attempted in more than seventy years. Naifeh and Smith have re-created Van Gogh's life with an astounding vividness and psychological acuity that bring a completely new and sympathetic understanding to this unique artistic genius. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • The Wall Street Journal • San Francisco Chronicle • NPR • The Economist • Newsday • BookReporter "In their magisterial new biography, *Van Gogh: The Life*, Steven Naifeh and Gregory White Smith provide a guided tour through the personal world and work of that Dutch painter, shining a bright light on the evolution of his art. . . . What [the authors] capture so powerfully is Van Gogh's extraordinary will to learn, to persevere against the odds."—Michiko Kakutani, *The New York Times* "Brilliant . . . Steven Naifeh and Gregory White Smith are the big-game hunters of modern art history. . . . [Van Gogh] rushes along on a tide of research. . . . At once a model of scholarship and an emotive, pacy chunk of hagiography."—Martin Herbert, *The Daily Telegraph* (London)

Autobiography of Andrew Carnegie Random House

In this "deftly and originally executed" (Booklist) New York Times bestselling novel, Vaelin Al Sorna must help his Queen reclaim her Realm. Only his enemy has a dangerous new collaborator, one with powers darker than Vaelin has ever encountered... "The Ally is there, but only ever as a shadow, unexplained catastrophe or murder committed at the behest of a dark vengeful spirit. Sorting truth from myth is often a fruitless task." After fighting back from the brink of death, Queen Lyrna is determined to repel the invading Volarian army and regain the independence of the Unified Realm. Except, to accomplish her goals, she must do more than rally her loyal supporters. She must align herself with forces she once found repugnant—those who possess the strange and varied gifts of the Dark—and take the war to her enemy's doorstep. Victory rests on the shoulders of Vaelin Al Sorna, now named Battle Lord of the Realm. However, his path is riddled with difficulties. For the Volarian enemy has a new weapon on their side, one that Vaelin must destroy if the Realm is to prevail—a mysterious Ally with the ability to grant unnaturally long life to her servants. And defeating one who cannot be killed is a nearly impossible feat, especially when Vaelin's blood-song, the mystical power which has made him the epic fighter he is, has gone ominously silent... ***Don't miss the continuation of this epic saga: *The Wolf's Call*, *A Raven's Blade* Novel available July 23, 2019***

A Killer's Mind Courier Corporation

Irving Stone's powerful and passionate biographical novel of Michelangelo. His time: the turbulent Renaissance, the years of poisoning princes, warring popes, the all-powerful Medici family, the fanatic monk Savonarola. His loves: the frail and lovely daughter of Lorenzo de Medici; the ardent mistress of Marco Aldovrandi; and his last love - his greatest love - the beautiful, unhappy Vittoria Colonna. His genius: a God-driven fury from which he wrested the greatest art the world has ever known. Michelangelo Buonarroti, creator of David, painter of the Sistine ceiling, architect of the dome of St Peter's, lives once more in the tempestuous, powerful pages of Irving Stone's marvellous book.

The Land Beyond the Sea Doubleday Books

"A story of excruciating power."—*The New York Times* The

classic, bestselling biographical novel of Vincent Van Gogh Since its initial publication in 1934, Irving Stone's *Lust for Life* has been a critical success, a multimillion-copy bestseller, and the basis for an Academy Award-winning movie. The most famous of all of Stone's novels, it is the story of Vincent Van Gogh—brilliant painter, passionate lover, and alleged madman. Here is his tempestuous story: his dramatic life, his fevered loves for both the highest-born women and the lowest prostitutes, and his paintings—for which he was damned before being proclaimed a genius. The novel takes us from his desperate days in a coal mine in southern Belgium to his dazzling years in the south of France, where he knew the most brilliant artists (and the most depraved whores). Finally, it shows us Van Gogh driven mad, tragic, and triumphant at once. No other novel of a great man's life has so fascinated the American public for generations.

Depths of Glory Frances Lincoln Children's Books

"Thoughts of the killer still roaming free in the streets chilled Zoes heart, but it fascinated her to ... She took out the scrapbook from under the bed and opened it to the next free page. Then she carefully cut the article from the paper. She leaned her back against the door, prepared to shove the paper and scrapbook under the bed if her parents suddenly barged in. She taped the article into the scrapbook and read it again. Progress. What could that mean? Were they about to arrest the killer? The man who grabbed women at night, stripping them and killing them? The monster? That was the papers favorite word when mentioning the killer. A monster on the loose. A monster preying on helpless women. A monster hiding in Maynard. But Zoe realized the horrifying truth. This wasn't a monster. This wasn't some sort of alien or a scaly creature rising from the sewers. Much worse. It was a man."

The Hunchback of Notre Dame Henry Holt and Company (BYR)

The best-known and most sensational event in Vincent van Gogh's life is also the least understood. For more than a century, biographers and historians seeking definitive facts about what happened on a December night in Arles have unearthed more questions than answers. Why would an artist at the height of his powers commit such a brutal act? Who was the mysterious "Rachel" to whom he presented his macabre gift? Did he use a razor or a knife? Was it just a segment—or did Van Gogh really lop off his entire ear? In *Van Gogh's Ear*, Bernadette Murphy reveals, for the first time, the true story of this long-misunderstood incident, sweeping away decades of myth and giving us a glimpse of a troubled but brilliant artist at his breaking point. Murphy's detective work takes her from Europe to the United States and back, from the holdings of major museums to the moldering contents of forgotten archives. She braids together her own thrilling journey of discovery with a narrative of Van Gogh's life in Arles, the sleepy Provençal town where he created his finest work, and vividly reconstructs the world in which he moved—the madams and prostitutes, café patrons and police inspectors, shepherds and bohemian artists. We encounter Van Gogh's brother and benefactor Theo, his guest and fellow painter Paul Gauguin, and many local subjects of Van Gogh's paintings, some of whom Murphy identifies for the first time. Strikingly, Murphy uncovers previously unknown information about "Rachel"—and uses it to propose a bold new hypothesis about what was occurring in Van Gogh's heart and mind as he made a mysterious delivery to her doorstep. As it reopens one of art history's most famous cold cases, *Van Gogh's Ear* becomes a fascinating work of detection. It is also a study of a painter creating his most iconic and revolutionary work, pushing himself ever closer to greatness even as he edged toward madness—and one fateful sweep of the blade that would resonate through the ages.

Em and the Big Hoom W. W. Norton & Company

The third volume of Gore Vidal's magnificent series of historical novels aimed at demythologizing the American past, 1876 chronicles the political scandals and dark intrigues that rocked the United States in its centennial year. -----Charles Schermerhorn Schuyler, Aaron Burr's unacknowledged son, returns to a flamboyant America after his long, self-imposed European exile. The narrator of Burr has come home to recoup a lost fortune by arranging a suitable marriage for his beautiful daughter, the widowed Princess d'Agrigente, and by ingratiating himself with Samuel Tilden, the favored presidential candidate in the centennial year. With these ambitions and with their own abundant charms, Schuyler and his daughter soon find themselves at the centers of American social and political power at a time when the fading ideals of the young republic were being replaced by the excitement of empire. -----"A glorious piece of writing," said Jimmy Breslin in Harper's. "Vidal can take history and make it powerful and astonishing." Time concurred: "Vidal has no peers at breathing movement and laughter into the historical past." -----With a new Introduction by the author.

Irving Stone's Lust for Life □□□

Vincent van Gogh created some of the best loved - and most expensive - works of art ever made, from the early *The Potato Eaters* to his late masterpieces *Sunflowers* and *The Starry Night*. He had worked as an art dealer, a missionary and as a teacher in England, and only in his late twenties did he begin a life that would be fundamental in shaping modern art. But when he died in Auvers-sur-Oise in 1890 at the age of thirty-seven he was largely unknown. Written with the cooperation of the Van Gogh Museum, Pulitzer-winning authors Steven Naifeh and Gregory White Smith recreate his extraordinary life, and the inside of his troubled mind, like never before - and they put forward an explosive new theory challenging the widespread belief that Van Gogh took his own life. Drawing for the first time on all of his (and his family's) extensive letters, which offer exquisite glimpses into his thoughts and feelings, this is the definitive portrait of one of the world's cultural giants.

Finally, it shows us Van Gogh driven mad, tragic, and triumphant at once. No other novel of a great man's life has so fascinated the American public for generations.

The Greek Treasure Signet

This historically significant novel of love and betrayal led to a renewed interest in preserving the grand architecture of Paris. Victor Hugo's *The Hunchback of Notre Dame* was written in 1831, at a time when the Notre Dame Cathedral in Paris was falling into disrepair. This epic novel helped spark a preservationist movement that led to the cathedral being restored to its full glory. Set in 1482, the story tells of how four men—the hunchbacked bell-ringer, Quasimodo; the archdeacon of Notre Dame, Claude Frollo; the dashing soldier Phoebus de Chateaupers; and the poet Pierre Gringoire—vie for the love of Esmeralda, a young Romani woman. As the story unfolds, readers come to realize that the focus of the story is not only on the human characters but on the grand cathedral itself.

Studio of the South tells the fascinating story of Van Gogh's time in Arles and the Yellow House.

Dear Theo Osho Media International

This is a new release of the original 1944 edition.

Lust for Life Penguin

Nicknamed the Ice Bitch, corporate exec Lana Holt is a notorious ball buster known for getting the job done and getting it done right. With her reputation and track record, she is perfectly positioned to become the next CEO of Renault Corporation, until the grandson of the owner, Harvard grad, boy genius, Matthew Renault snatches it right out from under her. Matthew Renault has no designs on the CEO job, and knows that Lana deserves it, but there is little either of them can do when faced with politics on the board. In truth, the only thing he does have designs on, is her. But when she abruptly quits, he is forced to make a risky and desperate move to win her heart. Hopefully he can convince her that despite their differences they are perfect for each other, before she discovers his deception and he winds up losing her for good.

Lust for Life Penguin

A historical romance novel of love, artistry, and Vincent Van Gogh's muse in 19th century France Summer, 1890. Van Gogh arrives at Auvers-sur-Oise, a bucolic French village that lures city artists to the country. It is here that twenty-year-old Maurguerite Gachet has grown up, attending to her father and brother ever since her mother's death. And it is here that young Vincent Van Gogh will spend his last summer, under the care of Doctor Gachet—homeopathic doctor, dilettante painter, and collector. In these last days of his life, Van Gogh will create over 70 paintings, two of them portraits of Marguerite Gachet. But little does he know that, while capturing Marguerite and her garden on canvas, he will also capture her heart. Both a love story and historical novel, *The Last Van Gogh* recreates the final months of Vincent's life—and the tragic relationship between a young girl brimming with hope and an artist teetering on despair.

The Last Van Gogh Penguin

"Extraordinary. Certainly a landmark in the history of psychoanalysis."--Kenneth Rexroth This volume features two profound essays by one of the English language's most famous

and controversial authors. D. H. Lawrence wrote *Psychoanalysis and the Unconscious* and *Fantasia of the Unconscious* in the early 1920s, during his most productive period. Initially intended as a response to psychoanalytic criticism of his novel *Sons and Lovers*, these works progressed into a counterproposal to the Freudian psychoanalytic theory of the unconscious and the incest motive. They also voice Lawrence's concepts of education, marriage, and social and political action. "This pseudo-philosophy of mine," explained Lawrence, "was deduced from the novels and poems, not the reverse. The absolute need one has for some sort of satisfactory mental attitude towards oneself and things in general makes one try to abstract some definite conclusions from one's experiences as a writer and as a man." With these two essays, the author articulates his insights into the mental struggle to rationalize and reconcile the polarity that exists between emotional and intellectual identities. Critical to understanding Lawrence's other works, they offer a bold synthesis of literary theory and criticism of Freudian psychology.

The Agony And The Ecstasy Penguin

From the critically acclaimed New York Times bestselling author Sharon Kay Penman comes the story of the reign of King Baldwin IV and the Kingdom of Jerusalem's defense against Saladin's famous army. The Kingdom of Jerusalem, also known as Outremer, is the land far beyond the sea. Baptized in blood when the men of the First Crusade captured Jerusalem from the Saracens in the early twelfth century, the kingdom defined an utterly new world, a land of blazing heat and a medley of cultures, a place where enemies were neighbors and neighbors became enemies. At the helm of this growing kingdom sits young Baldwin IV, an intelligent and courageous boy committed to the welfare and protection of his people. But despite Baldwin's

dedication to his land, he is afflicted with leprosy at an early age and the threats against his power and his health nearly outweigh the risk of battle. As political deception scours the halls of the royal court, the Muslim army--led by the first sultan of Egypt and Syria, Saladin--is never far from the kingdom's doorstep, and there are only a handful Baldwin can trust, including the archbishop William of Tyre and Lord Balian d'Ibelin, a charismatic leader who has been one of the few able to maintain the peace. Filled with drama and battle, tragedy and romance, Sharon Kay Penman's latest novel brings a definitive period of history vividly alive with a tale of power and glory that will resonate with readers today.

Lust for Life Penguin

A quirky and darkly comic take on domestic life in southern India. The PEN Open Book Award called Manu Joseph "that rare bird who can wildly entertain his readers as forcefully as he moves them." In *The Illicit Happiness of Other People*, Joseph brilliantly brings his talents to the story of an Indian Christian family living far afield in south India. It has been three years since seventeen-year-old Unni Chacko mysteriously fell from a balcony to his death. His family—journalist father Ousep, who smokes two cigarettes at once "because three is too much"; mother Mariamma, who fantasizes gleefully about murdering her husband; and twelve-year-old love-struck brother Thoma with zero self-esteem, have coped by not coping. When the post office delivers a comic drawn by Unni that had been lost in the mail, Ousep, shocked out of his stupor, ventures on a quest to understand his son and rewrite his family's story. Combining family drama with philosophy, social satire with satisfying storytelling, *The Illicit Happiness of Other People* reminds us that the greatest mystery of all—the one most worth our time and energy—is understanding the people we love.
