Basketball diaries Viking Adult

"A rare, no-holds-barred documentation of an American teenager's life." —Publishers Weekly Told through the actual diary entries of a real teenage girl, *Dear Nobody* chronicles Mary Rose's struggles with drug addiction, bullying, and a deadly secret in this raw, authentic book. Her story will inspire you—and remind you that you're not alone. They call me a freak. I'm sick of it. It makes me want dangerous, bad things. Drugs—hard drugs—and people who are bad for me, but I don't care, because I'm so lonely and no matter what their intentions are at least they're talking to me...

They say that high school is supposed to be the best time of your life. But what if that's just not true? More than anything, Mary Rose wants to fit in. To be heard. To be loved. And she'll do whatever it takes to make that happen. Even if it costs her her life. Compelling and unflinchingly honest, *Dear Nobody* is perfect for readers looking for: contemporary young adult nonfiction true stories about drug addiction books like *Go Ask Alice* and *Lucy in the Sky* stories that spark conversation about issues teens face [A Study Guide for Jim Carroll's "The Basketball Diaries"](#) Penguin The sensational sequel to the bestselling memoir *The Basketball Diaries* During the early 1970s, Jim Carroll was a young and rising star in the crazy and creative downtown scene in New York City. He worked at the Factory for Andy Warhol and discussed art, literature, and the cosmos with Robert Smithson, Allen Ginsberg, and Bob Dylan. He spent nights at Max's Kansas City, listening to the Velvet Underground. And he did far too many drugs -- until his survival instinct impelled him to leave New York for a Northern California retreat. Intimate and revealing, the episodes in *Forced Entries*, Carroll's diaries from that period, provide a sometimes hilarious, sometimes frightening glimpse of people who tested the limits of life and sanity. "Forced Entries captures the early-seventies period in New York better than anything I've read in a long time." -- William S. Burroughs

A tale of four people trapped by their addictions, the basis for the acclaimed Darren Aronofsky film, by the author of *Last Exit to Brooklyn*. Sara Goldfarb is devastated by the death of her husband. She spends her days watching game shows and obsessing over appearing on television as a contestant—and her prescription diet pills only accelerate her mania. Her son, Harry, is living in the streets with his friend Tyrone and girlfriend Marion, where they spend their days selling drugs and dreaming of escape. When their heroin supply dries up, all three descend into an abyss of dependence and despair, their lives, like Sara's,

doomed by the destructive power of drugs. Tragic and captivating, *Requiem for a Dream* is one of Selby's most powerful works, and an indelible portrait of the ravages of addiction. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the author's estate.

With Robert Mapplethorpe's full endorsement and encouragement, Morrisroe interviewed more than three hundred friends, lovers, family members, and critics to form this definitive biography of America's most censored and celebrated photographer. "Eventually I found several hundred people who knew Robert Mapplethorpe in all his various incarnations—Catholic schoolboy; ROTC cadet; hippie; sexual explorer; celebrated artist; and famous AIDS victim. Their stories helped animate his pictures and bring his visual diary to life. What I discovered wasn't one "Perfect Moment" but a series of moments—some pure, some blemished, but all emblematic of the paradoxical times in which he lived."—Patricia Morrisroe, from the Introduction NOTE: This edition does not include photographs.

"This book is your chance to learn from others' mistakes."-- Entrepreneur In the 1960s, IBM CEO Tom Watson called an executive into his office after his venture lost \$10 million. The man assumed he was being fired. Watson told him, "Fired? Hell, I spent \$10 million educating you. I just want to be sure you learned the right lessons." There are thousands of books about successful companies but virtually none about the lessons to be learned from those that crash and burn. Now Paul Carroll and Chunka Mui draw on research into more than 750 flameouts to reveal the seven biggest reasons for business failure.

Fiction. LGBT Studies. Like the orchids that provide their leitmotif, these interwoven stories by Kenward Elmslie are exquisite, exotic, and oneiric, as if they had been written in another world. Although each of *THE ORCHID STORIES* stands alone, their characters and moods recur frequently, in a swirl of visual echoes and the bewildering clarity of a dream. Even the characters themselves-- Phil, the little boy gigolo; Mummers and Mummy who "adopt" him; the alluring Diana Vienna; the eccen-tric Dr. Schmidlapp and his

wives who plot to capture the "Native Innards" orchid at the stroke of midnight--have an illusive reality that enhances the pleasure of these tales. The Song Cave is honored to present this new edition of Kenward Elmslie's out-of-print masterpiece, first published by Paris Review Editions in 1973. With an introduction that provides a fresh sense of Elmslie's oeuvre by Michael Silverblatt, host of KCRW's "Bookworm," this spectacular and spectacularly overlooked book is at last available to a new generation of adventurous readers.

My name is Brett. I'm a college educated man who once was a husband of 26 years with two children, three businesses, and a large home with an actual white picket fence. I'm also a drug addict. And I have a tale to tell. My story has everything: sex, death, pain, atheism, God, jail, marriage, divorce, heresy, homosexuality, physics, traffic fatalities, computer science, video games, cinnamon toothpicks, Barry Manilow, Nine Inch Nails, pornography, breasts, used tampons, strippers, venereal disease, abortion, prostitutes, AIDS, racism, suicide, infidelity, public nudity, anti-Semitism, marijuana, alcohol, pawn shops, drug dealers, needles, acid, ecstasy, crack, heroin, pain pills, withdrawal, interventions, rehabs, product tampering, road rage, vandalism, elderly abuse, grave desecration, arson, identity theft, burglary, armed robbery, and murder. But more importantly, it's about the despair of addiction and the absolute certainty that it can be overcome. Recovery is not simply abstinence, but a process of growing up. I spent my entire life searching for the key to long-term sobriety. I would like to share with you what I have learned

An extraordinary, explicitly masculine journey, *Men In Love* develops a startlingly honest portrayal of what it means to be a man in contemporary America. Here are the unexpurgated dreams, fantasies and fetishes that excite and obsess men today. In creating this historic study, Nancy Friday listened--without disapproval, apology or censorship--to the candid responses of thousands of men aged fourteen through sixty. She gave them a legitimate arena where they could share their "secret gardens"--the hidden and forbidden but nonetheless real and true. Much

more than a litany of erotica, this unique volume doesn't tell us how men should love. It tells us how men do love--a stunning insight into the desires that dwell within men's psyches... and their hearts.

Jim Carroll's Basketball Diaries and Forced Entries Penguin

A moving, vividly rendered novel from the late author of *The Basketball Diaries*. When poet, musician, and diarist Jim Carroll died in September 2009, he was putting the finishing touches on a potent work of fiction. *The Petting Zoo* tells the story of Billy Wolfram, an enigmatic thirty- eight-year-old artist who has become a hot star in the late-1980s New York art scene. As the novel opens, Billy, after viewing a show of Velázquez paintings, is so humbled and awed by their spiritual power that he suffers an emotional breakdown and withdraws to his Chelsea loft. In seclusion, Billy searches for the divine spark in his own work and life. Carroll's novel moves back and forth in time to present emblematic moments from Billy's life (his Irish Catholic upbringing, his teenage escapades, his evolution as an artist and meteoric rise to fame) and sharply etched portraits of the characters who mattered most to him, including his childhood friend Denny MacAbee, now a famous rock musician; his mentor, the unforgettable art dealer Max Bernbaum; and one extraordinary black bird. Marked by Carroll's sharp wit, hallucinatory imagery, and street-smart style, *The Petting Zoo* is a frank, haunting examination of one artist's personal and professional struggles.

Lost In Yaba is about my time in Laos. I planned to travel for a year around the world, but I ended up staying in Laos for eleven months, and then going back there again for another four months. 'Yaba' is a popular drug in Laos, and in this story I show how this

drug can take control of both foreigners and locals. This book shows the lies and manipulation used by Lao people in the tourist area of Vientiane, and it shows the strange life that some foreigners lead in the Laos capital of Vientiane.

The urban classic coming-of-age story about sex, drugs, and basketball Jim Carroll grew up to become a renowned poet and punk rocker. But in this memoir of the mid-1960s, set during his coming-of-age from 12 to 15, he was a rebellious teenager making a place and a name for himself on the unforgiving streets of New York City. During these years, he chronicled his experiences, and the result is a diary of unparalleled candor that conveys his alternately hilarious and terrifying teenage existence. Here is Carroll prowling New York City--playing basketball, hustling, stealing, getting high, getting hooked, and searching for something pure. *The Basketball Diaries* was the basis for the film of the same name starring Leonardo DiCaprio. "I met him in 1970, and already he was pretty much universally recognized as the best poet of his generation. . . . The work was sophisticated and elegant. He had beauty." -- Patti Smith
