Overlord à la Carte, Vol. 1 Tom of Finland

Launching the third or "Final Season" of the international cult-hit series, *Possession Tale* returns the narrator's headset back to high school senior and amateur savior Koyomi Araragi, who used to eschew friendship once upon a time because it'd lower his "intensity as a human"—a loner's misgiving that was perhaps on the mark in a different way than he intended. At issue now is not the precarious fate of

one of his cherished confrères, or rather consœurs, whom he'd aid, sight unseen, with a monster's resilience, but his own aberrant state and its prolonged abuse. If everything comes with a bill, and if no man is an island, then is the price of self-sacrificing amity—and the bloodshed it ironically occasions—becoming inhuman for good? That being said! Our hero, whose first name means “calendar” but who has none in his room, sees no need to rush, so, on our way to the profound mysteries of the superhuman aspect, expect a super-shallow deconstruction of the alarm clock. On hand this volume to (hardly ever) humor his humor: his little sisters, a living doll of a corpse, and its violent mistress.

A Slight Romance VIZ Media LLC

A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for *Flowers of Evil*: "A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended." -The Manga Critic "A page-turning tale of sordid middle school blackmail." -Otaku USA Magazine "By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, *Flowers of Evil* is a great reminder of my own thirst for power and my own personal corruption." -Otaku Champloo *The Routledge World Companion to Polish Literature* Dark Horse Comics White Blood Cell, Red Blood Cell, Macrophage, and the cute little Platelets face a threat unlike any they've ever dealt with before: COVID-19! But even this threat can be defeated, as long as everyone works together. The uplifting and informative series comes to a close with one last tour of the hardworking body, featuring “left shift” in the blood, retinal degeneration, and a simple bump on the noggin. But, of course, as long as there's a job to do, this team won't quit! FINAL VOLUME!
