CLARENCE JAX

La traducción del inglés al castellano Pearson UK

This 2nd book in the Second Chances series stands on its own with a vivid, never-before-seen cast of characters, starring another woman who remembers her own death. Destiny can be cruel or kind.... Rune August has lived again and again through many different time periods, but has never found tranquility until she walked into St. Agnes Home for Orphans in New York City in 1894. When her new home is endangered, she doesn't hesitate to fight back — and win. But that win comes at a terrible price. Refusing to leave the children unprotected, Rune becomes the beloved statue in their center garden, sending out an aura of welcome to children who desperately need to be loved, but

eventually the orphanage is renovated, and Rune finds herself packed away and sold. Sergei Vasiliev and his best friend and bodyguard, Dimitri Mihailov, run one of the most powerful computer software development companies in the world. Both men carry deep scars from their life on the streets and from living in the world of the ultra-rich, but at an auction for charity, Sergei makes a purchase for them both because there is something... enthralling about the statue of the young woman. Somehow, she touches an unexpected need deep inside him, and he knows Dimitri will feel the same. Neither of them are aware that within is a seething Viking — until the statue comes to life and sparks fly! Internationally acclaimed S.E. Smith presents a new action-packed story full of adventure and romance. Brimming with her signature humor, vivid scenes, and beloved characters, this book is sure to be another fan favorite! Main Content: 61,349 words, 187 (6x9) pages Romance (love, explicit sexual content, ménage)

| Paranormal (Magic | Contemporary | Fantasy (Urban)

Forever Wild Claire Love Publishing

From the award-winning author of the Dreamland series comes a new dark romantic fantasy about a young woman finding hope in her powers of destruction. The Thief Kingdom is a place hidden within the world of Aadilor. Many whisper of its existence, but few have found this place, where magic and pleasure abound. There, the mysterious Thief King reigns supreme with the help of the Mousai, a trio of revered and feared sorceresses. Larkyra Bassette may be the youngest of the Mousai, but when she sings her voice has the power to slay monsters. When it's discovered the Duke of Lachlan is siphoning a poisonous drug from the Thief Kingdom and using it to abuse his tenants, Larkyra is offered her first solo mission to stop the duke. Eager to prove herself, Larkyra accepts by posing as the duke's potential bride. But her plans grow complicated when she finds herself drawn to Lord Darius Mekenna, Lachlan's rightful heir. Soon she suspects Darius has his own motivations for ridding Lachlan of the corrupt duke. Larkyra and Darius must learn to trust each other if there is to be any hope of saving the people of Lachlan--and themselves. Welcome to the world of Aadilor, where lords and ladies can be murderers and thieves, and the most alluring notes are often the deadliest. Dare to listen?

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

American Pickers Guide to Picking Harmony

Una buena amiga conoce todas tus historias. Tu mejor amiga las vive contigo. La nueva serie de Ana Punset, autora de «El Club de

las Zapatillas Rojas». Julia y Alejandra no deberían ser amigas: ¡vienen de mundos completamente distintos! Solo tienen una cosa en común: comparten habitación en Vistalegre, el exclusivo internado donde estudian. Parece la receta perfecta para el desastre, pero pronto descubrirán que, a pesar de sus diferencias, tal vez están destinadas a ser BEST FRIENDS FOREVER.

The Forever Dog K.A. Tucker

Can love heal all wounds? At seventeen, Tyler Bruce is hot — a hot mess. His girlfriend is a knockout, his reputation's untouchable, parties are nothing without him. Even his car is unreal. But inside Tyler is broken — and he'll stop at nothing to keep that a secret. Then one summer Eden comes to stay. She's upfront, sharp and far more enticing than a stepsister should be. She also sees straight through Tyler's bad boy façade to the vulnerable kid within. The quiet kid who took all the punches. As Eden draws Tyler in, his defenses start to crumble around him. In his past, vulnerability only brought him danger. But now, it might just bring him everything he needs...if it doesn't break him. As irresistible and dazzling as its Californian backdrop, Just Don't Mention It is a companion novel to the Did I Mention I Miss You trilogy that explores Tyler's story — his heart-stopping tale of past hurt, finding hope and figuring out who the hell he wants to be.

★★★★ Titan Books (US, CA)

Sixth title in Titan Books' Marvel fiction reissue program: Stefan Petrucha puts his pen to the classic "Stone Tablet Saga," which ComicsReview.com calls "Stan Lee's Marvel and Spider-Man at their peak." Take a swing through Spider-Man's past! Hoping to

snag some rent-paying photos of his arachnid-like alter ego in action, Peter Parker goes looking for trouble--and finds it in the form of a mysterious, mythical stone tablet coveted by both the Kingpin and the Maggia. Caught in the crosshairs of New York's most nefarious villains, Peter also runs afoul of his friends--and the police! His girlfriend, Gwen Stacy, isn't too happy with him, either. And the past comes back to haunt him years later when the Maggia's assumed-dead leader resurfaces, still in pursuit of the troublesome tablet. Plus: With Aunt May at death's door, has the ol' Parker luck disappeared for good? A novel based on the classic "Stone Tablet Saga," adapted and expanded for the present day.

la sinceridad es la única manera de seguir siendo... *Best Friends Forever*

Pocket Books

Award-winning novelist's heartwarming story about family and love lost, found, and finally truly revealed at Christmas.

Best Friends Forever 1. Primer año en el internado (Best Friends Forever 1) MONTENA

The excessive worship of adolescence and its social empowerment by adult institutions is the deeply rooted cause of a serious cultural malaise. So argues semiotician Marcel Danesi in *Forever Young*, an unforgiving and controversial look at modern culture's incessant drive to create a 'teen-aging' of adult life. Written for the general reader and based on five year's worth of interviews with over 200 adolescents and their parents, Danesi begins by asserting that one of the early causes of this crystallization of adolescence as an age category can be traced back to theories of psychology at the turn of the twentieth century. Since then, the psychological view of adolescence as a stressful period of adjustment has become a self-fulfilling prophecy. This, in tandem with the devaluation of the family by the media and society at large, has led to a maturity gap - a fissure in family dynamics that is eagerly and ably exploited by the mass media. Unlike many academic digressions into the malaise of modern culture, *Forever Young* provides concrete answers on how the 'forever young syndrome' can be addressed. One solution is to dispel the myth that experts and professionals are the people best equipped to give advice on raising children. The second is to recognize the value of family, in all its different combinations, as the primary institution of child-rearing. The third

is to challenge the pervasive notion that teen culture is a sophisticated endeavour - that, for example, pop music can claim to have produced some of the best musical art in the world, surpassing Mozart or Bach. By laying bare the misguided tenets that have brought about, and continue to promote, a 'forever young' mentality, Marcel Danesi demonstrates that the 'teen-aging' of culture has come about because it is, simply put, good for business. Teen tastes have achieved cultural supremacy because the western economic system requires a conformist and easily manipulated market, and has thus joined forces with the media-entertainment oligarchy to promote a deterministic 'forever young' market.

Forever and Never Chicago Review Press

La comprensión lectora en la enseñanza del español LE/L2: de la teoría a la práctica presents state-of-the-art theory and teaching practices for integrating reading skills into the teaching of Spanish. The book bridges a conspicuous gap between research supporting reading as a key component of language acquisition and actual practice by discussing how to implement reading successfully in and out of the classroom. Written entirely in Spanish, the book focuses on the needs of Spanish language learners with the goal of motivating students to read in the target language and work with diverse types of texts and genres. Written in a clear and accessible manner, La comprensión lectora en la enseñanza del español LE/L2: de la teoría a la práctica is an essential resource for teachers of Spanish at all levels. It is an excellent reference book for language teachers who wish to integrate reading into the teaching of the Spanish language.

An Endless Christmas A&C Black

Lars Bradby was supposed to be my forever. That was before we found out he would become a father at the tender age of eighteen. For years, he'd watched me. For months, he'd wanted me. For weeks, he'd chased me. Relentless and infuriating, he turned my stubborn heart into something pliable and weak. Sly and honest, he worked his way into my life as though he'd always planned to be the focal point of it. In love and naive, even when our future seemed bleak, I believed in us. Heartbroken and desperate, I tore my bleeding heart from my chest, wanting only the best for him. In doing so, our forever wasn't just interrupted. It was chased away with one irreversible decision after another. And now, we could no longer see it beneath the heaping piles of debris we'd left in our wake.

Basketball always brought them together. Now it might just tear them apart. Axel I always wondered what happened to my first love. But after we got caught kissing at church camp, his jerk of a father made sure I never saw him again. Six years later, I'm streaming a college basketball game in a distant town, trying to decide if I should take a job with the athletic department there, when a familiar face in the crowd leaves me stunned. The school is a thousand miles away, in a tiny rural town. But suddenly, I can't wait to get there. Caxton I can barely believe it when Axel

turns up at the college where I'm a grad student. And I'm just as drawn to him as I ever was. But a few stolen kisses are all I'll ever have. I can't date. Loving Axel would mean letting go of my younger brothers who need me. They can't be together. But as far as their hearts are concerned, it's Hello Forever.

Forever Free MONTENA

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

This is a wonderful friendship gift book for women or teens, or even as a gift for yourself. Each friendship appreciation reminder is sweet--and not too feisty--so it will appeal to friends of all ages. Surprising New Science to Help Your Canine Companion Live Younger, Healthier, and Longer Random House

"Rework" shows you a better, faster, easier way to succeed in business. You'll learn how to be more productive, how to get exposure without breaking the bank, and tons more counterintuitive ideas that will inspire and provoke you.

A Novel of the Marvel Universe Independently Published
#1 New York Times Bestseller In this pathbreaking guide, two of the world's most popular and trusted pet care advocates reveal new science to teach us how to delay aging and provide a long, happy, healthy life for our canine companions. Like their human counterparts, dogs have been getting sicker and dying prematurely over the past few decades. Why? Scientists are beginning to understand that the chronic diseases afflicting humans—cancer, obesity, diabetes, organ degeneration, and autoimmune disorders—also beset canines. As a result, our beloved companions are vexed with preventable health problems throughout much of their lives and suffer shorter life spans.

Because our pets can't make health and lifestyle decisions for themselves, it's up to pet parents to make smart, science-backed choices for lasting vitality and health. The Forever Dog gives us the practical, proven tools to protect our loyal four-legged companions. Rodney Habib and Karen Becker, DVM, globetrotted (pre-pandemic) to galvanize the best wisdom from top geneticists, microbiologists, and longevity researchers; they also interviewed people whose dogs have lived into their 20s and even 30s. The result is this unprecedented and comprehensive guide, filled with surprising information, invaluable advice, and inspiring stories about dogs and the people who love them. The Forever Dog prescriptive plan focuses on diet and nutrition, movement, environmental exposures, and stress reduction, and can be tailored to the genetic predisposition of particular breeds or mixes. The authors discuss various types of food—including what the commercial manufacturers don't want us to know—and offer recipes, easy solutions, and tips for making sure our dogs obtain the nutrients they need. Habib and Dr. Becker also explore

how external factors we often don't think about can greatly affect a dog's overall health and wellbeing, from everyday insults to the body and its physiology, to the role our own lifestyles and our vets' choices play. Indeed, the health equation works both ways and can travel "up the leash." Medical breakthroughs have expanded our choices for canine health—if you know what they are. This definitive dog-care guide empowers us with the knowledge we need to make wise choices, and to keep our dogs healthy and happy for years to come.
