#### A Why Choose Romance Forever

Cop and conjurer of demons, she's a woman in danger of losing control—to a power that could kill. . . . Why me? Why now? That's what Beaulac, Louisiana, detective Kara Gillian was asking herself when an angelic creature named Rhyzkahl unexpectedly appeared during a routine summoning. Kara was hoping to use her occult skills to catch a serial killer, but never had she conjured anything like this unearthly beautiful and unspeakably powerful being whose very touch set off exquisite new dimensions of pleasure. But can she enlist his aid in helping her stop a killer who's already claimed the lives—and souls—of thirteen people? And should she? The Symbol Man is a nightmare that the city thought had ended three years ago. Now he's back for an encore and leaving every indication on the flesh of his victims that he, too, is well versed in demonic lore. Kara may be the only cop on Beaulac's small force able to stop the killer, but it is her first homicide case. Yet with Rhyzkahl haunting her dreams, and a handsome yet disapproving FBI agent dogging her waking footsteps, she may

be in way over her head. . . .

The final installment in Richelle Mead's sweeping, enthralling Glittering Court series answers the trilogy's biggest question: what is the secret that drives Tamsin to win at all costs? Tamsin Wright is unstoppable. She must become the Glittering Court's diamond: the girl with the highest test scores, the most glamorous wardrobe, and the greatest opportunities to match with an elite suitor in the New World. Training alongside other girls in the Glittering Court, Tamsin immerses herself completely in lessons about etiquette, history, and music--everything a high-society wife would need to know. Once she's married, she'll be able to afford a better life for her family, so the sacrifice is worth it if she can be the best. When her friendship with Mira and Adelaide, her roommates at the Glittering Court, threatens her status as the top-ranked prospect, she does the only thing she knows will keep her on track: she cuts them out of her life. But when her voyage across the sea goes off course, Tamsin must use her unrelenting grit and determination to survive the harsh winter far north of her intended destination in hopes of making it back to the Glittering Court in time to secure a proposal--and a comfortable future for her family. Experiencing new cultures and beliefs for the first time, Tamsin realizes that her careful studies haven't prepared her for everything, and with new alliances formed with roguish tradesman Jago Robinson and good-natured minister Gideon Stewart, Tamsin's heart begins to be pulled in different directions. But she can't let her brewing attraction get in the way of her ultimate goal: protecting the secret she holds closest to her heart, the one that

would unravel everything she's worked for if it's uncovered.

A NEW YORK TIMES BEST SELLER The Selection meets *Reign* in this dazzling trilogy of interwoven novels about three girls on a quest for freedom and true love from #1 internationally bestselling author Richelle Mead. Mira is not like the other Glittering Court girls. She is a war refugee, cast out of her home country and thrust into another, where she has learned to fight against the many injustices around her. For some, the Glittering Court offers a chance at a life

they've only ever dreamed of, one of luxury, glamour, and leisure. But for Mira, it's simply a means to an end. In the new world, she plans to earn off her marriage contract price, and finally be free. Mira pitches herself as an asset to one of the passengers on board the ship: the sardonic and aloof Grant Elliot, whom she's discovered is a spy for the prestigious McGraw Agency—and her ticket to buying her freedom. His cover blown, Grant has little choice but to take her on. Mira applies herself by day, learning the etiquette and customs that will help to earn her anonymity. By night, she dons a mask and slips into the city, fighting injustice and corruption on her own terms—and impressing Grant with her extraordinary abilities and insights into a brewing rebellion. But the rebellion isn't all they're fighting... Neither of them can ignore the attraction burning between them—an attraction so powerful, it threatens to unravel everything Mira's worked so hard for. With freedom finally within her grasp, can Mira risk it all for love?

I'm about to make the seven deadly sins my bitch. See this tattoo across my stomach? Yeah, the one with seven crazy runes. Ignore the pink one on the far right, that's Sarah. I love her, but she's not one of my four. That was a hard lesson to learn. I tried being loyal to her. Even went to a stinky Succubi Den to get a snack or two just to stay alive. Well, that didn't work out, and now I'm stuck trying to charge some dusty old relic my mother left behind. Turns out there's some crazy destiny tied to my tattoo, which is actually a birthmark and all about the end of the world. Sounds fun, sort of, not really. I've met rune #1, and he wasn't at all what I'd expected. It

wasn't love at first sight. Maybe hate at first sight. Pretty sure he hates my guts. But that's okay, maybe rune #2 will bring him around. This end of the world stuff is just getting started, and I have a feeling one of my very own sins is the one stirring the pot. The Incubus King, what sin might he be? Lust... my favorite one. Bring it on. Author's Note: This is a fast-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.

A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 New York Times–bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one—and fast, because soon, Doug's life won't be the only one on the line... Praise for Richelle Mead and her Succubus series “Richelle Mead delivers sexy action and tongue-in-cheek hellish humor—if damnation is this fun, sign me up!”—Lilith Saintcrow, author of *The Devil's Right Hand* “This is one of those series I'm going to keep following.”—Jim Butcher, New York Times bestselling author of the Harry Dresden series “The mix of supernatural mystery, romance, and reluctant succubus is great fun.”—Locus “Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with

eroticism.”—Booklist

From the creator of the popular blog *The Monsters Know What They're Doing* comes a compilation of villainous battle

plans for Dungeon Masters. In the course of a Dungeons & Dragons game, a Dungeon Master has to make one decision after another in response to player behavior—and the better the players, the more unpredictable their behavior! It's easy for even an experienced DM to get bogged down in on-the-spot decision-making or to let combat devolve into a boring slugfest, with enemies running directly at the player characters and biting, bashing, and slashing away. In *The Monsters Know What They're Doing*, Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D&D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire, a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight, and retreat. Easy to read and apply, *The Monsters Know What They're Doing* is essential reading for every DM.

You know that bitch from hell everybody talks about? That's me. I mean that literally. I was born in the seventh circle of Hell to two demons of noble lineage. Know what that means? Squat. My brimstone birth certificate and five bucks might get me a cup of coffee from Starbucks. The minute I was born, they handed me off to a wet nurse, sent me to earth, and left me to fend for myself. I suppose, I should thank them. They taught me at an early age that there is nothing in either world more important than self-sufficiency. To survive, I needed money. So, naturally, I became a stripper. Don't judge, it paid the bills. A lot of them. And it provided a solution to

my particular dietary requirements. I'm a succubus. We eat lust for breakfast. And lunch. And dinner. What better place to get it than a seedy, smoke-filled bar full of horndogs shoving dollar bills in your thong? Life was good. Then, I met Ryan and fell in love. He knew what I was and loved me anyway. I loved him so much that we got married and I gave him twin children. And then he died. And left me alone. Okay, not completely alone. He left me two kids to raise and a crippling sense of loss. So, I did what any demon would do, I loaded up the kids and moved a thousand miles to start a new life. Now, my Hell is in suburbia and the most evil things in my life are my home owners' association and the PTA. Maybe it wasn't too late to go back to Hell. This book is intended for mature audiences. 18+ readers only! It contains graphic language, sexual situations, and inappropriate humor. This is a fast burn reverse harem where the girl gets all the guys. Why Choose? Contains M/M and F/F scenes.
