Brixton
beginnings to
the classy pop
icon in the last
quarter of the
old

millennium, the book shows a changing glamour gallery of Bowies down the years, all different and yet somehow all unified by an unerring grasp of Style with a capital S. Featuring previously unseen images, an exclusive two-page interview with photographer Mick Rock; contributions from ex-manager Ken Pitt, as well as previously unpublished extracts of Crankin' Out's interviews

with collaborator Tony Visconti, clothes designer Natasha Kornilof and Manish Boy Bob Solly. **Boys Keep Swinging** Omnibus Press All Music Guide's Stephen Thomas Erlewine has written, Even when he was out of fashion in the '80s and '90s, it was clear that Bowie was one of the most influential musicians in rock, for better or worse. In this

comprehensive analysis of David Bowie's career, author James Perone examines the many identities and styles Bowie has developed over the years, and in so doing provides a stunning chronicle of creativity at work. Born David Jones in a London suburb in 1947, David Bowie changed his name in the late '60s to avoid confusion with the singer David Jones of The Monkees. This name

change would turn out to be a highly prescient act: for in incorporating an exceptionally wide variety of styles, Bowie would become the most notorious chameleon of the rock era. Due in large part to his early success in the glam rock subgenre and his claims of homosexuality (dismissed by many writers as a ploy to generate public interest and record sales), Bowie raised serious issues about

sexual orientation in rock music, regardless of whether or not his claimed homosexuality was genuine or part of his on-stage character. His regular use of theatrical personae also raises interesting issues concerning authenticity and the perception of authenticity in rock music. Although Bowie has been primarily an album artist, his recordings of *Fame*, *Golden Years*, *Let's Dance*, *China*

Girl, *Blue Jean*, and *Dancing in the Streets*, all made it into the Billboard top 10 singles charts. Of these, all but one was written or co-written by Bowie. Even more notable are the songs he wrote and recorded that have made an impact far in excess of their chart standing. These include *Space Oddity*, *Rebel, Rebel*, *Changes*, *Modern Love*, and *Young Americans*. From his early 1970s albums like *Hunky*

Dory and The Rise & Fall of Ziggy Stardust and the Spiders from Mars—in both of which he assumed the character of the fictional, androgynous Stardust-to-Diamond Dogs, Heroes, Tin Machine, and Black Tie White Noise, Bowie's albums generated both significant word-of-mouth interest and some of the most contentious critical reactions of any artist of the rock era. This long

overdue investigation lets Bowie's artistry speak for itself. After a biographical introduction, chronologically arranged chapters discuss the singer's fascinating—and iconoclastic—body of work. A discography and annotated bibliography conclude the book. The Glamour Chase Laurence King Publishing As the age of globalization and New Media unite disparate groups of people in new

ways, the continual transformation and interconnections between ethnicity, class, and gender become increasingly complex. This reader, comprised of a diverse array of sources ranging from the New York Times to the journals of leading research universities, explores these issues as systems of stratification that work to reinforce one another. Understanding Inequality

provides students and academics with the basic hermeneutics for considering new thought on ethnicity, class, and gender in the 21st century. Bowie on Bowie Rowman & Littlefield Much has changed since Camille Paglia first burst onto the scene with her groundbreaking *Sexual Personae*, but the laser-sharp insights of this major American thinker continue to be ahead of the

curve—not only capturing the tone of the moment but also often anticipating it. Opening with a blazing manifesto of an introduction in which Paglia outlines the bedrock beliefs that inform her writing—freedom of speech, the necessity of fearless inquiry, and a deep respect for all art, both erudite and popular—Provocations gathers together a rich, varied body of work spanning

twenty-five years, illuminating everything from the Odyssey to the Oscars, from punk rock to presidents past and present. Whatever your political inclination or literary and artistic touchstones, Paglia's takes are compulsively readable, thought provoking, galvanizing, and an essential part of our cultural dialogue, invariably giving voice to what most

needs to be said.

The Twisted Tale of Glam Rock XinXii

In this “exhilarating yet poignant account of one boy taking flight” (Shelf Awareness, starred review), one of rock music’s most entrancing figures transforms the vividness of his musical world into an unforgettable literary account of overcoming the odds and finding his true voice. Long before hitting the stage as the

lead singer of the iconic glam rock band Scissor Sisters, Jake Shears was Jason Sellards, a teenage boy living a fraught life, resulting in a difficult time in high school as his classmates bullied him and few teachers showed sympathy. It wasn’t until years later, while living and studying in New York City, that Jason would find his voice as an artist and, with a group of friends and

musicians who were also thirsting for stardom and freedom, form the band Scissor Sisters. First performing in the smoky gay nightclubs of New York, then finding massive success in the United Kingdom, Scissor Sisters would become revered by the LGBTQ community, sell out venues worldwide, and win multiple accolades with hits like “Take Your Mama” and “I Don’t Feel Like

Dancin’,” as well as their cult-favorite cover of Pink Floyd’s “Comfortably Numb.” “Brutally honest” (Elton John), candid, and courageous, Shears’s writing sings with the same powerful, spirited presence that he brings to his live performances. *Boys Keep Swinging* is “a wild, sexy, emotional ride through underground New York at the millennium. From the fringes to the

top, it’s a tale that speaks to the outsider in all of us” (Andy Cohen). *The Changing Room* Omnibus Press The first in-depth study of David Bowie’s music videos across a sustained period takes on interweaving storyworlds of an iconic career. Remarkable for their capacity to conjure elaborate imagery, Bowie’s videos provide fascinating exemplars of the artistry

and remediation of music video. When their construction is examined across several years, they appear as time-travelling vessels, transporting kooky characters and strange story-world components across time and space. By charting Bowie’s creative and collaborative process across five distinct phases, *David Bowie and the Art of Music Video* shows how he played a vital role in establishing

music video as an artform. Filling a gap in the existing literature, this book shines a light on the significant contributions of directors such as Mick Rock, Stanley Dorfman and David Mallet, each of whom taught Bowie much about how to use the form. By examining Bowie's collaborative process, his use of surrealist strategies and his integration of avant-garde art with popular music and media, the book

provides a history of music video in relation to the broader fields of audiovisual media, visual music and art. **Bowie Style** McFarland Respected arts commentator and author Paul Morley, an artistic advisor to the curators of the highly successful retrospective exhibition 'David Bowie Is...' for the Victoria & Albert Museum in London, constructs a definitive story of Bowie that explores

how he worked, played, aged, structured his ideas, influenced others, invented the future, and entered history as someone who could and would never be forgotten. Morley captures the greatest moments from across Bowie's life and career; how young Davie Jones of South London became the international David Bowie; his pioneering collaborations in the recording

studio with the likes of Tony Visconti, Mick Ronson, and Brian Eno; to iconic live, film, theatre, and television performances from the 1970s, 80s, and 90s, as well as the various encounters and artistic relationships he developed with musicians from John Lennon, Lou Reed, and Iggy Pop to Trent Reznor and Arcade Fire. And of course, discusses in detail his much-heralded and critically

acclaimed finale with the release of *Blackstar* just days before his shocking death in New York. Boys Keep Swinging: A Memoir Simon and Schuster The definitive biography of the Scottish singer-songwriter and leader of the Associates—with a new foreword by Björk. A first-rate charmer with a devilish twinkle in his eye, Billy MacKenzie was a maverick figure within the music

industry. At the same time, his wild and mischievous spirit may have done him more harm than good. As frontman of the Associates, gifted with an otherworldly, octave-scaling operatic voice, MacKenzie, rose to Top Twenty chart success in 1982. Then, at the height of their success, the Associates split up. Over the ensuing years, MacKenzie gained a reputation for his unhinged

career tactics, generous spirit and knack for squandering large amounts of record-company money. Born in Dundee in 1957, he was the eldest son in a large Catholic family. He was bullied at school and sought refuge in music. He was a schemer and dreamer, a breeder of whippet dogs and a bisexual who kept quiet about his private life. During his lifetime, his unique vocal gift attracted the attention of Shirley Bassey, Annie Lennox and Bjork. However, in the tradition of Scott Walker, Syd Barrett and Nick Drake, MacKenzie's tale is one of thwarted talent and, ultimately, tragedy. *The Complete David Bowie* Bloomsbury Publishing USA Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary (music and lyrics not included). Pages: 132. The book approaches the idea of the star David Bowie as a medium in transit, undergoing constant movement and change. Within the context of celebrity studies, the concept of stardom provides an appropriate frame for an examination of Bowie's transmedial activity, especially given his ongoing iconic signification within the celestial realm. While Bowie has traversed many mediums, he

has also been described as a medium, which is consistent with the way he has described himself. With contributions from a wide range of disciplinary areas and countries, each chapter brings a fresh perspective on the concept of stardom and the conceptual significance of the terms 'mediation' and 'navigation' as they relate to Bowie and his career. Containing a multitude of

different approaches to the stardom and mediation of David Bowie, this book will be of interest to those studying celebrity, audio and visual legacy, and the relationships between different forms of media. It was originally published as a special issue of *Celebrity Studies*. [The Best of David Bowie 1974/79 \(PVG\)](#) Rowman & Littlefield This book is a lively, comprehensive and timely

reader on the music video, capitalising on cross-disciplinary research expertise, which represents a substantial academic engagement with the music video, a mediated form and practice that still remains relatively under-explored in a 21st century context. The music video has remained suspended between two distinct poles. On the one hand, the music video as the visual

sheen of late capitalism, at the intersection of celebrity studies and postmodernism. On the other hand, the music video as art, looking to a prehistory of avant-garde film-making while perpetually pushing forward the digital frontier with a taste for anarchy, controversy, and the integration of special effects into a form designed to be disseminated across digital platforms. In

this way, the music video virally re-engenders debates about high art and low culture. This collection presents a comprehensive account of the music video from a contemporary 21st century perspective. This entails revisiting key moments in the canonical history of the music video, exploring its articulations of sexuality and gender, examining its functioning as a form of artistic expression between

music, film and video art, and following the music video's dissemination into the digital domain, considering how digital media and social media have come to re-invent the forms and functions of the music video, well beyond the limits of "music television". *Rock Concert Performance from ABBA to ZZ Top* Bloomsbury Publishing USA
Some secrets are carried to the grave.

Others don't make it as far. Every year the Boys plan a weekend away. A weekend of drinking, laughter and piss-taking by the sea - it's been a tradition of the six of them for as many years as they can remember. Now, suddenly, the six has become five. Will - clever, funny, dependable Will - has died. In the months leading up to his death, Will plans the next Boys weekend,

knowing he will be unable to be there with them. As always he researches the place, books the accommodation, and prepares his brainmelter quiz - the quiz that slots neatly into the drinking, laughing and piss-taking and which is the centerpiece to the annual weekend away. Now, the remaining Boys assemble in the house by the sea in Dungeness that Will has booked for

them. Already grappling with the grief of losing their friend, the Boys are dreading pressing play on the video, and when they do, their grief turns to horror as Will slowly reveals secrets about each of them in a series of increasingly provocative questions. During their stay the group has become entangled with a volatile local steroid dealer and his abused sister and when he challenges the group once more, just as

they face the fallout from the quiz, there are dramatic and disastrous consequences. Peppered with barbed dialogue and pop cultural references, *One Last Question* is a blackly humorous story of friendship, loss and men ageing disgracefully.

Bowie's Bookshelf

Routledge
Wise
Publications
presents the second instalment of *The Best of Bowie*. Retaining the same

beautiful design, this collection spans the latter half of the seventies, from 1974 to 1979. Each song is arranged for Piano and Voice, with Guitar chord boxes, vocal melody lines and full lyrics. This collection reflects Bowie's maturing voice, taking highlights from *Young Americans* through to his 'Berlin Trilogy', *Low*, *Heroes* and *Lodger*. Song List: - 1984 - *Boys Keep Swinging* -

Breaking Glass - *Can You Hear Me* - *Dj Beauty and the Beast* - *Fame* - *Golden Years* - *Heroes* - *It's Hard to be a Saint in the City* - *John, I'm Only Dancing (Again)* - *Knock On Wood* - *Look Back In Anger* - *Sound and Vision* - *The Secret Life of Arabia* - *Tvc15* - *Wild Is the Wind* - *Young Americans*

Introducing the essential companion to a music icon, *Bowie: Album by Album*

features a discography of studio albums, live albums, notable compilations and soundtracks of David Bowie's legendary achievements. When the news of David Bowie's death broke, just two days after the release of his final album, *Blackstar*, the music world was rocked by the loss of this visionary icon. *Bowie: Album by Album* is the ultimate celebration of his entire career. Longtime fans and new

followers alike can explore in detail every album and every track- from his eponymous 1967 debut album, through his monumental rise in the seventies, including *The Rise and Fall of Ziggy Stardust*, *Aladdin Sane*, *Station to Station*, *Low*, and *Heroes*, and culminating in the critically acclaimed *Blackstar*. Longtime fans and new followers alike can explore in detail every album and

every track- from his eponymous 1967 debut album, through his monumental rise in the seventies, including *The Rise and Fall of Ziggy Stardust*, *Aladdin Sane*, *Station to Station*, *Low*, and *Heroes*, and culminating in the critically acclaimed *Blackstar*. Featuring a galaxy of rare and iconic images from the world's leading photographers, fans will love iconic images from album

covers and performances from across the decades. These are combined with more intimate, behind-the-scenes images that reveal the musician at work. Written by acclaimed music critic Paolo Hewitt, the text assesses the writing and recording of each release, and reflects on their impact and influence on the art of popular music. Featuring a discography of studio albums, live albums, notable compilations

and soundtracks, this is the essential companion to David Bowie's legendary achievements. *David Bowie and the Art of Music Video Psychology* Press
A feminist analysis of young women and popular culture and a forceful critique of male domination in youth culture. *Feminism, Young Women and Cultural Studies: Birmingham Essays from 1975 Onwards* by Angela McRobbie

brings together the Birmingham University Centre for Contemporary Cultural Studies (CCCS) essays of the 1970s and '80s with a new introductory chapters and four new chapters of updated analysis on music, magazines, vintage fashion and youth culture. The early work provides both a feminist analysis of young women and popular culture as well as a forceful critique of

male domination in youth culture and the ways in which an ideology of adolescent femininity functioned so as to subdue and restrain young women in passive and subordinate gender unequal positions. These chapters also shine a light on the kinds of methodologies being developed at Birmingham University CCCS as cultural studies was emerging as a distinct field of

study. These essays when first published found their way onto the university undergraduate curriculum across the world and were translated into many languages. Adopting an intersectional perspective and engaging with questions such as the “category of the girl,” the new chapters extend the field of study in a lively and accessible sociological voice. The book will be of keen interest for students in

Sociology, Media and Cultural Studies and Literary Studies.

William S. Burroughs and the Cult of Rock 'n' Roll

Bloomsbury Publishing USA

Named one of Entertainment Weekly’s 12 biggest music memoirs this fall. “An artful and wildly enthralling path for Bowie fans in particular and book lovers in general.”

—Publishers Weekly (starred review) “The only art I’ll

ever study is stuff that I can steal from.” —David Bowie
 Three years before David Bowie died, he shared a list of 100 books that changed his life. His choices span fiction and nonfiction, literary and irreverent, and include timeless classics alongside eyebrow-raising obscurities. In 100 short essays, music journalist John O’Connell studies each book on Bowie’s list and contextualizes

it in the artist’s life and work. How did the power imbued in a single suit of armor in *The Iliad* impact a man who loved costumes, shifting identity, and the siren song of the alter-ego? How did *The Gnostic Gospels* inform Bowie’s own hazy personal cosmology? How did the poems of T.S. Eliot and Frank O’Hara, the fiction of Vladimir Nabokov and Anthony Burgess, the comics of *The*

Beano and *The Viz*, and the groundbreaking politics of James Baldwin influence Bowie’s lyrics, his sound, his artistic outlook? How did the 100 books on this list influence one of the most influential artists of a generation? Heartfelt, analytical, and totally original, *Bowie’s Bookshelf* is one part epic reading guide and one part biography of a music legend. *“Only If You Are Really*

Feminism, Young Women, and

Cultural Studies
 Casemate Publishers
 This book studies some important myths of masculinity in various popular genres, including the western, the horror film, rock music and pornography. The author argues that popular culture gives us highly complex and ambivalent images of men. The hero turns into the anti-hero; feminine and homoerotic material leak

in; the male is often shown as the victim. Attention is also paid to important theoretical issues in gender studies and cultural studies, such as identification and the relation between subject and text.

David Bowie Is... Omnibus Press
 A relentless innovator, scoring chart hits while simultaneously incorporating radical and ground-breaking

elements into his work. As with all great pop stars, Bowie's image changed with almost every new album release. This appetite for reinvention, both musically and visually, saw him dubbed the 'chameleon of pop'. But Bowie's influence extended well beyond his discography and make-up

drawer. His androgynous qualities and public statements on his sexuality proved liberating for those who were uncertain about their own. Lives of the Musicians: David Bowie covers the years he spent struggling to find the right artistic outlet to the dramatic

breakthrough in 1972 with Ziggy Stardust - and afterwards, the excessive lifestyle that nearly cost him his sanity. It continues with his artistic rebirth in Berlin during the late Seventies, the mainstream success he achieved with Let's Dance in 1983 and the artistic price that he paid for it.
