relationships.
By her early

by the time of
her death at
age forty- one,
she was
struggling for

the industry
that once had

called her its "glory girl." Hollywood Beauty begins in the Southwest during the Depression, when Pearl Darnell became obsessed by the glitter of the movie world that would dominate her children's lives. We follow Linda's path from her Texas childhood and first public success—during the state centennial, in 1936—through her contract work with Twentieth Century-Fox in

the heyday of the big-studio system. Film historian Ronald L. Davis documents Darnell's discovery and marriages, the adoption of her daughter, the marking of many well-known films, and her emotional difficulties, leading up to her tragic death by fire. This is the story of a native teenager from a dysfunctional middle-class family thrust into the golden age of Hollywood.

Hollywood Beauty examines America's public worship of movie stars and superficial success—its motives and consequences—and the addiction to escapism that this worship represents.

Where Have All the Flowers Gone?

Greenwood Publishing Group
Maila Nurmi,

the beautiful and sheltered daughter of Finnish immigrants, stepped off the bus in 1941 Los Angeles intent on finding fame and fortune. She found men eager to take advantage of her innocence and beauty but was determined to find success and love. Her inspired design and portrayal of a vampire won a costume contest that lead to a small role on the Red Skelton show which grew into a

persona that brought her the notoriety she desired yet trapped her in a character she could never truly escape. This is Malia's story. Her diaries, notes, and ephemera and family stories bring new insights to her relationships with Orson Welles, James Dean, and Marlon Brando. Sandra Niemi—Malia's niece—fills in the nuances of her life prior to fame and her struggles after the limelight

faded and she found a new community within the burgeoning Los Angeles punk scene who embraced her as their own. , Includes rare photographs.

<p>of the original: Mother Carey's Chickens by Kate Douglas Wiggin <i>Style, Beauty, Décor (and More) for the Nervous New Mom</i> Author Megan Mottley This book sets out to explore the structure and meanings within the most popular of all literary genres - the adventure story. Deconstructing the Hero offers analytical readings of some of the most widely read adventure stories such as Treasure</p>	<p>Island , the James Bond stories and Star Wars. The book describes how adventure stories are influential in shaping children's perception and establishing values. When many of these stories define non-white, non-European people as inferior, and women as marginal or incapable, we should be worried about what they are teaching our children to think. Margery Hourihan shows how</p>	<p>teaching children to read books critically can help to prevent the establishment of negative attitudes, discourage aggression and promote values of emotion and creativity. <i>So Sexy So Soon</i> Running Press Enjoy this collection of sinfully delicious Erotica Tales An explicit bundle of HARDCORE household erotica! 150 stories of forbidden, innocent women</p>

Woman from Her Past, and Her Mysterious Death
Columbia University Press
My South Seas Sleeping Beauty is a captivating coming-of-age tale set in the magical jungles of Borneo. Told through the vivid recollections of a Chinese-Malay youth, the novel recounts the life of Su Qi, a troubled, sensitive son of a wealthy family, and exemplifies the imaginative range of one of Taiwan's most innovative writers. "There were all sorts of stories about how my younger sister died," Su Qi begins, hinting at the power of memory to bend and refract truth. Yet whichever the real story may be, the fact is that the death of Su Qi's sister created an irrevocable rift in Su Qi's family, driving his father into the arms of aboriginal women and his mother into a world of her own invention. In an effort to escape the oppression of home, Su Qi loses himself in the surrounding jungle, full of Communist guerillas and strange tropical fauna. The jungle further blurs the line between fantasy and reality for Su Qi, until he meets Chunxi, the beautiful, frail daughter of his father's best friend. Chunxi is an oasis of kindness and honesty in an otherwise cruel and evasive world,

but after a bizarre accident, Chunxi falls into a deep coma, and Su Qi flees to Taiwan. In college Su Qi meets Keyi, a vivacious siren who helps Su Qi forget not only his violent past but also the colorful tales of his youth. When a family member dies, however, Su Qi is pulled back to the jungles of Borneo where he begins to unravel the secrets of his family's past—a story stranger than any fairy tale—and

learns that his cherished dream of awakening his beloved Chunxi may be more than just a fantasy. Influenced by the lyricism of William Faulkner and the magical realism of Gabriel Garcia Marquez, *My South Seas Sleeping Beauty* is a deeply evocative exploration of sexuality and identity and a masterful reworking of Chinese and Western myth. Valerie Jaffee's careful translation retains all the

tone and detail of the original work and provides rare access to a new and exciting generation of Chinese writers born in Southeast Asia.
