Life is not What It
Seems Emily
Dickinson, Countee
Cullen and John Donne
live different lives.
Emily Dickinson tells
listeners in "Tell All the
Truth but Tell It Slant",
that they should live a
happy life, instead of
settle for only looking
at the negatives. She
does tell readers that
humans are too infirm
and she is absolutely
right.Life Is Not What It

understand why bands
on a downward spiral
ultimately break up.
There is a dissipation
of focus and passion,
egos crash into one
another, and most
seriously, creative

juices dry up. That's
why when My Chemical
Romance broke up last
year, it came as a
surprise and a shock to
everybody.Book
