The simple act of praying Wisdom, inspiration and prayer: As recent scientific research shows, the simple act of praying can be emotionally, spiritually, and even physically healing. With *Prayers for Hard Times*, author Becca Anderson offers solace in bringing together the wisdom of great thinkers, spiritual leaders and writers who have faced difficulty and learned from it. Sacred and inspirational sources: Organized in daybook form, the book draws from sacred sources such as the Bible, the Torah, Buddhist and Native American texts, as well as inspirational writings of: • Joan Didion • Elizabeth Gilbert • Maya Angelou • Rumi • Mark Nepo • Harriet Tubman • Dave Eggers • Abraham Lincoln • Anne Morrow Lindberg • Martin Luther King Jr. Consolation and renewal: Together, these wise words create a tapestry of consolation and renewal for those times when it all seems "too much." In a world that feels increasingly fragile and, at times, fractured, people need answers and prayers. Becca Anderson's collection focuses on prayers for a wide range of life challenges, from the personal to the global. *Prayers for Hard Times* covers issues facing individuals such as loss of loved ones, illness, anxiety, divorce, depression and addiction, as well as those challenges communities face in natural disasters and violence. The writers in Anderson's devotional address the world at large, as well, with words of hope and help for global poverty, hunger, war and the environmental. *Prayers for Hard Times* offers readers

solace, comfort, and support, drawing from the wisdom of every era, every major faith and tradition, and the important voices of those who have lived through such experiences themselves. *The Child's own magazine* Macmillan Children have obligations to their parents: the Talmud says "one must honor him in life and one must honor him in death." Beside his father's grave, a diligent but doubting son begins the mourner's kaddish and realizes he needs to know more about the prayer issuing from his lips. So begins Leon Wieseltier's National Jewish Book Award-winning autobiography, *Kaddish*, the spiritual journal of a man commanded by Jewish law to recite a prayer three times daily for a year and driven, by ardor of inquiry, to explore its origins. Here is one man's urgent exploration of Jewish liturgy and law, from the 10th-century legend of a wayward ghost to the speculations of medieval scholars on the grief of God to the perplexities of a modern rabbi in the Kovno ghetto. Here too is a mourner's unmannered response to the questions of fate, freedom, and faith stirred in death's wake. Lyric, learned, and deeply moving, Wieseltier's *Kaddish* is a narrative suffused with love: a son's embracing the tradition bequeathed to him by his father, a scholar's savoring they beauty he was taught to uncover, and a writer's revealing it, proudly, unadorned, to the reader. Winner of the 1998 National Jewish Book Award "An astonishing fusion of learning and psychic intensity; its poignance and lucidity should be an authentic benefit to readers, Jewish and gentile." —The New York Times Book Review

Japanese nō theatre or the drama of 'perfected art' flourished in the fourteenth and fifteenth centuries largely through the genius of the dramatist Zeami. An intricate fusion of music, dance, mask, costume and language, the dramas address many subjects, but the idea of 'form' is more central than 'meaning' and their structure is always ritualized. Selected for their literary merit, the twenty-four plays in this volume dramatize such ideas as the relationship between men and the gods, brother and sister, parent

and child, lover and beloved, and the power of greed and desire. Revered in Japan as a cultural treasure, the spiritual and sensuous beauty of these works has been a profound influence for English-speaking artists including W. B. Yeats, Ezra Pound and Benjamin Britten.

It will show you the way to become more than the body and the way to bloom - how not to remain a seed but to become a golden flower. What, in India, they call the one thousand-petalled lotus, in China they call the golden flower. It is a symbol that represents perfection, totality. Moreover,

the flower represents the actualisation of the potential - the beauty, the grandeur, the splendour of being. This treatise, *The Secret of Secrets*, is very ancient - possibly one of the most ancient treatises in the world - at least twenty-five centuries old. But twenty-five centuries can be traced back very easily. And this treatise is also, uniquely, a great synthesis of all the great religions. The Bible belongs to the Christians, the Talmud belongs to the Jews, the Vedas belong to the Hindus, the Dhammapada to the Buddhists, the Tao Te Ching to the Taoists. But this small book, *The Secret of Secrets*, belongs to no one in particular, or it belongs to all. It is heavily based on Taoist teachings, a flowering of the Taoist approach to life and existence. But it is not only that - Zarathustra has played a role; his teachings are incorporated within it. Buddhist teachings have also been integrated, and a certain esoteric school of Christians, the Nestorians, have played their part. It is one of the most synthetical approaches.

Clive Staples Lewis, better known as C.S. Lewis, was a respected academic, writer, and speaker. While he might be best known for his works of fantasy, especially the *Chronicles of Narnia* and *Space Trilogy* series, he also wrote many books on Christian apologetics, including *Mere Christianity*, *Miracles*, and *The Problem of Pain*. While Lewis was a lecturer at Oxford, he became close friends with fellow lecturer J.R.R. Tolkien, future author of *The Lord of the Rings*

trilogy. Both authors participated in an informal writing group, *The Inklings*, where they critiqued and debated each other's texts and ideas. His works have been translated into more than 30 languages and have sold millions of copies. *The Lion, the Witch, and the Wardrobe* stands out as his most popular fantasy work. Initially, the first book in the *Chronicles of Narnia*, though chronologically the second by order, it tells of the adventures of children who magically arrive in a magical country called Narnia. In Narnia, magic comes as no surprise, animals both speak and act, and good strives against evil. Lewis weaves Christian themes throughout the *Chronicles of Narnia* in a manner that is both accessible and picturesque for readers young and old. Attentive readers will also spot elements of Roman and Greek mythology as well as British and Irish folklore. The Japanese poet-recluse Ryokan (1758-1831) is one of the most beloved figures of Asian literature, renowned for his beautiful verse, exquisite calligraphy, and eccentric character. Deceptively simple, Ryokan's poems transcend artifice, presenting spontaneous expressions of pure Zen spirit. Like his contemporary Thoreau, Ryokan celebrates nature and the natural life, but his poems touch the whole range of human experience: joy and sadness, pleasure and pain, enlightenment and illusion, love and loneliness. This collection of translations reflects the full spectrum of Ryokan's spiritual and poetic vision, including Japanese haiku, longer folk songs, and Chinese-style verse. Fifteen ink paintings by Koshi no Sengai (1895-1958) complement these translations and beautifully depict the spirit of this famous poet.

where man biologically is born. Pleasure is physical..." Ordinarily, in the dictionaries you will find bliss defined as happiness, pleasure, joy. Linguistically they all appear to have a similar meaning; existentially it is not so. And you will have to understand the subtle nuances and differences; only then you may be able to catch some hold of the phenomenon called bliss.

Writings of Zen Master Dogen Osho Media International

Eihei Dogen (1200-1253), among the first to transmit Zen Buddhism from China to Japan and founder of the important Soto School, was not only a profoundly influential and provocative Zen philosopher but also one of the most stimulating figures in Japanese letters. Kazuaki Tanahashi, collaborating with several other Zen authorities, has produced sensitive and accurate translations of Dogen's most important texts. Moon in a Dewdrop contains the key essays of the great master, as well as extensive background materials that will help Western readers to approach this significant work. There is also a selection of Dogen's poetry, most of which has not appeared in English translation before. Dogen's thought runs counter to conventional logic, employing paradoxical language and startling imagery. It illuminates such fundamental concerns as the nature of time, existence, life, death, the self, and what is beyond self.

 The classic novel of fly fishing and
 spirituality, originally published in 1983.
 Since its publication in 1983, *THE RIVER*
WHY has become a classic. David James

Duncan's sweeping novel is a coming-of-age comedy about love, nature, and the quest for self-discovery, written in a voice as distinct and powerful as any in American letters. Gus Orviston is a young fly fisherman who leaves behind his comically schizoid family to find his own path. Taking refuge in a remote cabin, he sets out in pursuit of the Pacific Northwest's elusive steelhead. But what

begins as a physical quarry becomes a spiritual one as his quest for self-knowledge batters him with unforeseeable experiences. Profoundly reflective about our connection to nature and to one another, *THE RIVER WHY* is also a comedic rollercoaster. Like Gus, the reader emerges utterly changed, stripped bare by the journey Duncan so expertly navigates.
