A driver of great courage, a young man full of life generous: Eugenio Castellotti lived just 26 years and five months - not much more than James Dean - and was a symbol of a love of motor racing, of challenge and risk. A victory of heart over reason was what they called his greatest success, the 1956 Mille Miglia win and it is to the beat of his heart that most of his brief existence is inexorably linked. Alife

which, for the first time, has been reconstructed after vast detailed research and is now a new book, published simultaneously by Giorgio Nada Editore in two versions, Italian and English. The author is Cesare De Agosini, one of the best-known motor sport writers, who has also given us the biographies of Tazio Nuvolari, Gilles Villeneuve and Clay Regazzoni, three authentic best sellers. His elegant writing style, rich with poetic inflection, goes well the mere chronological reconstruction of Castellotti's life. He digs deep into the soul of the man, to enable the reader

to participate not only in the facts but also the feelings, the passions, the emotions of this young man. This new book is complemented by an extraordinary collection of photographs, brought together by Gianni Cancellieri: beautiful pictures, many of them unpublished, that come from private collections and some of the most prestigious archives in Europe and America.

The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition

and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

 Melanie finds herself
 willing to sacrifice all of

her long-held ideals to keep it together. When it falls apart anyway, she has to find a way to make her own life meaningful and leave the fate of the free world to someone else. Dog Days is a wry
