Sleepover My daughter

loves all things Peppa

Pig and Peppa's First

Sleepover is a favorite.

She is 2 1/2 and crawls into her sleeping bag and asks me to read this over and over. Like all the Peppa books, they are modeled after an episode of the show and some don't transition well (especially the longer ones that combine several shows into one book like The Busy Day at School), but this one moves nicely.
