Tosefta Berachot: Translated into English with a Commentary SCB Distributors

'The Book of Self Creation' is a study guide for all who seek Divinity within, and who prefer to steer the courses of their lives in a personal manner. The doctrines and techniques addressed in this book will aid practitioners in the expansion of their personal consciousness and spiritual evolution.

Combining the principles and teachings of Practical Kabbalah and the Western Mystery Tradition, this book offers step by step instructions on the conscious creation of physical life circumstances, such being always in harmony with the mind-set of the practitioner. The 'Shadow Tree Series' comprises a unique collection of Western Esoteric studies and practices which Jacobus G. Swart, spiritual successor to William G. Gray and co-founder of the Sangreal Sodality, actuated and taught over a period of forty years. He commenced his journey into the domain of Jewish Mysticism in the early 1970's investigating mainstream Kabbalah, later diversifying into the magical mysteries of Practical Kabbalah. He equally expanded his personal perspectives of the Western Magical Tradition under the careful tutelage of the celebrated English Kabbalist William G. Gray.

"As a rabbi and a convert, I appreciate this book deeply for its sensitivity to the complex feelings of those who are exploring paths to becoming Jewish, and for the deep love of Judaism it conveys. I will give it to every interfaith couple, and recommend that they give it to their parents. It is wonderful! " --Rachel Cowan, co-author of Mixed Blessings In the same knowledgeable, reassuring, and respectful style that has made her one of the most admired writers of guides to Jewish practices and rituals, Anita Diamant provides advice and information that can transform the act of conversion into an extraordinary journey of self-discovery and spiritual growth. Married to a convert herself, Diamant anticipates all the questions, doubts, and concerns, provides a comprehensive explanation of the rules and rituals of conversion, and offers practical guidance toward creating a Jewish identity. Here you will learn how to choose a rabbi, a synagogue, a denomination, a Hebrew name; how to handle the difficulty of putting aside Christmas; what happens at the mikvah (the ritual bath) or at a hatafat dam brit (circumcision ritual for those already circumcised); how to find your footing in a new spiritual family that is not always well prepared to receive you; and how not to lose your bonds to your family of origin. Sensitive, sympathetic, and insightful, Choosing a Jewish Life provides everything necessary to make conversion a joyful and spiritually meaningful experience.

The Dead Sea Scrolls were found in caves 20 miles east of Jerusalem in 1947 and 1956. Now Michael Baigent and Richard Leigh, co-authors of The Holy Blood and the Holy Grail, have succeeded in uncovering what has been described as 'the academic scandal par excellence of the twentieth century': the story of how and why up to 75 per cent of the eight hundred ancient Hebrew and Aramaic manuscripts, hidden for some nineteen centuries, have, until very recently, remained concealed from the rest of the world. Through interviews, historical analysis and a close study of both published and unpublished scroll material, the authors are able to reveal the true cause of the bitter struggle between scholars, for these documents disclose nothing less than a new account of the origins of Christianity and an alternative and highly significant version of the New Testament.

The "Shadow Tree Series" comprises a unique collection of Western Esoteric studies and practices which Jacobus G. Swart, spiritual successor to William G. Gray and co-founder of the Sangreal Sodality, has actuated and taught over a period of forty years. In "The Book of Immediate Magic - Part 1" Jacobus G. Swart perpetuates the fundamental tenets of "Self Creation" in which it is maintained that the "Centre" establishes the "Circumference," and that personal reality is emanated in harmony with personal "Will." Hence this tome comprises an enhancement and expansion of the

magical doctrines and techniques of Practical Kabbalah addressed in "The Book of Self Creation,"

"The Book of Sacred Names," and "The Book of Seals & Amulets." Jacobus Swart claims that working "Immediate Magic" is neither impossible nor difficult when we fully understand that consciousness is just one vast ocean, and that thoughts are the waves we make in it. It is all a matter of coordinating consciousness.

Rabbi Binyamin Tabory's many students know him as a master educator who makes the highest level of classical yeshiva learning accessible with his pedagogic skill and warm personality. In The Weekly Mitzva, Rabbi Tabory discusses a mitzva - sometimes familiar, sometimes obscure - connected to each week's parasha. His unique approach combines Brisker-style abstract analysis with the illustrative case law characteristic of the Aharonim. For each topic, Rabbi Tabory quickly arrives at the fundamental hakira - the logical point upon which the discussion hinges, and applies that insight to various practical questions. For decades, Rabbi Tabory taught students across four continents. Now, The Weekly Mitzva enables readers to bring Rabbi Tabory's special brand of Torah to their own Shabbat table discussions. From the bestselling authors of The Nine Questions People Ask About Judaism comes a completely revised and updated edition of a modern classic that reflects the dangerous rise in antisemitism during the twenty-first century. The very word Jew continues to arouse passions as does no other religious, national, or political name. Why have Jews been the object of the most enduring and universal hatred in history? Why did Hitler consider murdering Jews more important than winning World War II? Why has the United Nations devoted more time to tiny Israel than to any other nation on earth? In this seminal study, Dennis Prager and Joseph Telushkin attempt to uncover and understand the roots of antisemitism -- from the ancient world to the Holocaust to the current crisis in the Middle East. This postmillennial edition of Why the Jews? offers new insights and unparalleled perspectives on some of the most recent, pressing developments in the contemporary world, including: • The replicating of Nazi antisemitism in the Arab world • The pervasive anti-Zionism/antisemitism on university campuses • The rise of antisemitism in Europe • Why the United States and Israel are linked in the minds of antisemites Clear, persuasive, and thought provoking, Why the Jews? is must reading for anyone who seeks to understand the unique role of the Jews in human history.

They provide us with opportunities not only to celebrate and mourn, but also to renew and change ourselves..." The year 2001 began as the United Nations Year of Dialogue between Civilizations. By its end, the phrase that came most readily to mind was 'the clash of civilizations.' The tragedy of September 11 intensified the danger caused by religious differences around the world. As the politics of identity begin to replace the politics of ideology, can religion become a force for peace? The Dignity of Difference is Rabbi Jonathan Sacks's radical proposal for reconciling hatreds. The first major statement by a Jewish leader on the ethics of globalization, it also marks a paradigm shift in the approach to religious coexistence. Sacks argues that we must do more than search for values common to all faiths; we must also reframe the way we see our differences.

"The present book is a revised edition of The Hebrew Gospel of Matthew according to a Primitive Hebrew Text (1995) in which the Hebrew text of the Gospel of Matthew as it appeared in Even Bohan is printed, accompanied by an English translation and an expanded and thorough revision of Howard's critical analysis. An important thrust of this new edition is to establish that the Hebrew Matthew of the Even Bohan predates the fourteenth century. It shares many readings with ancient Christian writings, some of which were lost in antiquity only to reappear in modern times. These included Codex Sinaiticus, the Old Syriac version, the Coptic Gospel of Thomas, and a host of others. Howard also analyzes the language, artistic touches, and theology of the Hebrew Gospel. Perhaps most significant are the portraits of Jesus Christ and John the Baptist depicted in the document. Both portraits belong to an early form of Jewish Christianity -- lost in antiquity -- in which the Baptist plays a salvific role in the redemption of humanity and Jesus operates as a divine solicitor and judge."-- Back cover.

Targum Onkelos (or Unkelus) is the official eastern (Babylonian) targum (Aramaic translation) to the Torah. However, its early origins may have been western, in Israel. Its authorship is attributed to Onkelos, a famous convert to Judaism in Tannaic times (c. 35-120 CE). According to Jewish tradition, the content of Targum Onkelos was originally conveyed by God to Moses at Mount Sinai. However, it was later forgotten by the masses, and rerecorded by Onkelos. Some identify this translation as the work of Aquila of Sinope in an Aramaic translation (Zvi Hirsch Chajes), or believe that the name "Onkelos" originally referred to Aquila but was applied in error to the Aramaic instead of the Greek translation. The translator is unique in that he avoids any type of personification. Samuel D. Luzzatto suggests that the translation was originally meant for the "simple people." This view was strongly rebutted by Nathan Marcus Adler in his introduction to Netinah La-Ger. In Talmudic times, and to this day in Yemenite Jewish communities, Targum Onkelos was recited by heart as a verse-by-verse translation alternately with the Hebrew verses of the Torah in the synagogue. The Talmud states that "a person should complete his portions of scripture along with the community, reading the scripture twice and the targum once (Shnayim mikra ve-echad targum)." This passage is taken by many to refer to Targum Onkelos.

The Koren siddur, originally published in 1981, has been completely re-typeset for maximum clarity and legibility. Teams of rabbis, scholars, and designers from Israel, North America, and Britain have worked for nearly three years updating and researching every subtlety of the Hebrew text. Rabbinic experts and gabbaim have reviewed all the halachic issues and nuances that distinguish prayer in Israel from prayer in the Diaspora. Proudly reflecting the centrality of Israel, the siddur contains prayers for the Jewish state, its soldiers, and holidays. With a poetic English translation and illuminating commentary by the outstanding teacher of English-speaking Jewry, Chief Rabbi Sir Jonathan Sacks, this siddur will inspire prayerful devotion. An excellent guide to the intricate concepts of Jewish mysticism found in Chabad Chasidic philosophy. It traces the history of Jewish mysticism from its earliest beginnings through its expansion in the sixteenth century and the new era of its promulgation through the Chasidic movement. Special attention is given to the teachings of Rabbi Schneur Zalman of Liadi, who first elucidated Kabbalistic concepts in a systematic manner and made them accessible to the average person.

This central text of Jewish mysticism was written in thirteenth-century Spain, where Kabbalah flourished. Considered to be the most articulate work on the mystical Kabbalah, Gates of Light provides a systematic and comprehensive explanation of the Names of God and their mystical applications. The Kabbalah presents a unique strategy for intimacy with the Creator and new insights into the Hebrew Scriptures. In the Kabbalah, aspects of God emanate from a hierarchy of Ten Spheres interconnected by channels that may be disrupted or repaired through human activity.
