Classroom in a Book Adobe Press FrameMaker, which is at the core of the Adobe Technical Communication Suite, has long been the gold standard for writing, illustrating, and laying out technical documentation in print. With new features like support for rich media objects and powerful PDF export, FrameMaker excels at authoring online documents as well. This Classroom in a Book begins with a survey of the fundamentals of FrameMaker 11: setting up master pages, styling paragraphs, defining colors, placing graphics,

creating tables, adding captions, cross-references, footnotes, and hyperlinks. Later chapters cover long-document features, such as tables of contents and indexes. Creating conditional text documents and preparing content for output to print or to screen (PDF or HTML) round out the coverage.
