Re: Increasing Small Arms Lethality - Military Analysis of M4/M16 « Reply #13 on: February 17, 2010, 12:15:25 pm » Sometimes it's easy to forget that the Military is fighting force and not a fraternity or corporation. Increasing Small Arms Lethality - Military Analysis of M4 ... There are several ways to extend the

lethality of the infantry. A more effective 5.56-mm bullet can be designed which provides enhanced terminal performance out to 500 meters. A better option to increase incapacitation is to adopt a larger caliber cartridge, which will function using components of the M16/M4. Increasing Small Arms Lethality In Afghanistan by Major ... Has anyone taken a look at the paper "Increasing Small Arms Lethality in Afghanistan: Taking Back the Infantry Half-Kilometer" by MAJ Thomas P. Ehrhart? From what I have heard it has caused something of a stir within the US Army. The debate over replacing US infantry weapons and marksmanship training has gone on for a little, but here someone has finally put it into a serious thesis. MAJ Ehrhart - Increasing Small Arms Lethality in Afgh. FORT McCOY, Wis. - Sgt. Marcos Campos of Fresno, Calif., an instructor with Task Force Cold Steel, provides direction to Staff Sgt. Gabriel Lopez of San Diego on the M-240B qualification range during the new Army Reserve Small Arms Trainer Course. The ... Increasing Lethality - U.S. Army Reserve Small Arms ... The point of departure is this paper by Army Maj. Thomas Ehrhart, Increasing Small Arms Lethality in Afghanistan: Taking Back the Infantry Half-Kilometer (.pdf), written last year at the Command and General Staff College, that says fighting in Afghanistan has exposed the fact that American infantry are poorly equipped and trained for long ... Increasing Small Arms Lethality in Afghanistan - Taking ... There is no problem with the lethality of the 5.56 NATO caliber. Most NATO nations are

confident with the lethality of their 5.56mm and 7.62mm rounds. To increase small arms lethality, nations must better train their soldiers. Soldiers must "train as they fight."
