!!!! Most people would
agree that an OK score in
speaking is 5 or 6. Many
students now realise that
a score of 5 or 6 for
speaking is not enough for
their study requirements.
Many students spend
months preparing for the
IELTS speaking test and
still find it difficult to score
7 or higher. In fact some
candidates actually score
lower than they
potentially could have
scored. There are a few
reasons behind this poor
performance and these
will be discussed in detail
throughout this book, but
one major factor is the
lack of quality material
available for IELTS
speaking preparation.
There are a number of
IELTS speaking books on
the market but this book
aims to break new ground
by focusing on how to

prepare for and achieve a
speaking score of 7 (or
maybe higher). All of the
skills and strategies
presented in this book are
typical of a high scoring
speaking candidate. This
book is intended for
anyone who intends to
take the IELTS test; it will
also help learners of
English improve their
speaking skills. It is
suitable for both
classroom use and self-
study.

Everything you need to know about IELTS Speaking in one book! What exactly do you have to do to get a particular band score? Which easy-to-learn words and phrases can improve your score quickly? What should you include in your answers to impress the examiner? Which aspects of grammar or pronunciation should you focus on? Anyone aiming for band 6 or higher in IELTS Speaking needs targeted practise and easy-to-follow explanations. This book - the result of years of IELTS examination experience - provides the most up-to-date information and an extensive bank of topics and questions with suggestions on how to create impressive answers that demonstrate to the examiner that your English is of a high standard. Having taught IELTS preparation courses in China for twelve years and having extensive experience as an IELTS examiner, I have become familiar with the main problems students from different cultural backgrounds face when

getting ready to take the test. This book aims to help students deal with these problems. The first part of the book gives an overview of the speaking test and its requirements in terms of the test criteria. This section also includes information on the use of grammar and various parts of speech. The second part of the book provides topics for the three parts of the test with questions and suggestions for active practice. These topics and questions are based on actual topics and questions that appear in the IELTS Speaking Module. So how is this book different - and better - than other books on the market? First of all, it takes the user through the test and through the test criteria in greater detail than other books. It looks at problems that candidates actually have during the test. Furthermore, it provides candidates with various structured ways to create their own original answers. For each topic, for each part of the test, there are questions followed by suggestions for answer development. Of course, these suggestions are not the only ways to answer the questions, but they

provide starting points for candidates who are having difficulty finding ideas. Students should, of course, aim to supplement them with others that they have learnt during their English studies.

All the tips, techniques, strategies and advice are focused on maximizing students' score by increasing their task-solving speed and efficiency, and preventing typical mistakes. 'Ace the IELTS' is loved by teachers as well as students. Success at IELTS Speaking Test Landon Rogers This course is based on my experiences with training hundreds of students for IELTS tests, I realized that a lot of

students often face challenge with IELTS speaking test, A large number of students who are good in English communication also faced difficulty with speaking test as they were not prepared enough for each question. Thorough study of this book should not take more than four hours for a student; however in four hours the student can improve his/her score by at least 1.5 bands in speaking test. Going through this book in details will help one reduce the pauses or thinking time, help you to answer a question without sounding repetitive and will add better vocabulary to your speech.Let us all be aware that a lot of questions are common or similar in nature in speaking test and it would be wise for the student to come up with the most suitable and accurate answer, rather than giving a too lengthy or too short an answer. Let us all keep in mind that we are allowed only a limited period of time to answer each question.That is the reason we must be prepared well in advance to ensure our answers are to the point that is crisp and precise, we also have to let the examiner understand that we use a

wide range of vocabulary and are not repetitive. We must keep in mind that being repetitive or taking too many pauses can reduce our chances of getting a higher band. I am happy to present this book to you all, so that you can see what are commonly asked questions and what could be a better answer to the question this will definitely help you in scoring desired band in IELTS Speaking test.This book presents you with 160+ commonly asked questions in IELTS speaking test and their suggested answers, the answers have been presented in a manner that the Examiner will understand your depth in knowledge of English Language. I strongly recommend my students to read each question think of a possible answer that they want to give and then read the answer that has been shared here, this will help you prepare an accurate answer for the expected question. As a bonus I have also added a list of Power words, words that can replace simple words and may help you in getting a better band.This book also has a list of Idioms and phrases, we must remember that use of

better Vocabulary and Idioms and phrases will help you in both Speaking as well as Writing tests.

What Can a Student Expect to Learn? Students will be able to enhance their knowledge, gain confidence in presenting answers to questions in IELTS Speaking test. You will learn how to construct and give the most accurate answer for questions. You will be able to maximize their chances of getting a high score in IELTS speaking test. You will be able to construct and present an answer even if they don't know much about the topic. You will be able to use advanced vocabulary and synonyms. You will be able to deal with difficult questions. You will be able to present your ideas and connect it to the question asked.
