Justine Turner
is a world-

famous biographer of Hollywood stars. She's also Charlotte Donovan's overbearing boss. So it comes as no surprise to Charlotte when Justine requests an emergency meeting related to her latest in-progress biography. It is a surprise, though, when Justine up and dies before their urgent discussion can begin. In the wake of such a tragedy, all Charlotte wants to do is finish the Jean Harlow

biography that Justine had started. Instead, she finds herself in grave danger—stalked both online and in person by a drop-dead Jean Harlow look-alike. Together with police sergeant Den Brophy, Charlotte uncovers shocking revelations. But will these revelations be enough to catch the killer? Praise: "The Jean Harlow Bombshell is a page-turner, a modern whodunit

threaded with Golden Age Hollywood glamour. Its protagonist, Charlotte Donovan, is a sleuth for our times, flawed, bright, and eminently relatable. Factor in the delicious elements of romance, friendship, and family, and you have a mystery as captivating as Jean Harlow's (still missing) star sapphire ring."—Jess Lourey, author of Salem's Cipher and Mercy's Chase "Twisty, fascinating, and gently

edgy, this mixture of vintage Hollywood and contemporary New York will delight fans of the traditional mystery as well as those craving a modern read. Loved it!"—Hank Phillippi Ryan, nationally bestselling author of *Trust Me* "Mollie Cox Bryan concocts a fascinating mystery with more twists than a pretzel factory. Bryan's skillful portrayal of Charlotte and best friend Kate make it

fun to follow them as they work through to the solution. An entertaining read, a steady pace, and memorable characters to meet."—Revealing the Evidence [Beautiful Bombshell](#) Hollywood A-List In this sexy novella, the gentlemen from *Beautiful Bastard*, *Beautiful Stranger*, and *Beautiful Player* are out for a wild night on The Strip. A beautiful bastard of a groom-to-be.

A bachelor-party-crashing bride. And one unforgettable night on the Vegas strip. When Bennett's friends steal him away from Chloe for a weekend of shenanigans and strippers in Vegas, their first stop doesn't exactly go as planned. Their scheme for a guys' weekend completely derailed, Bennett and Max take every chance they get to rendezvous secretly with the women they love. But

when the persistently single Will Sumner catches on, the pair realizes they need to team up with him instead of butting heads if they're to escape for more sexy Vegas hookups. Beautiful Bastard's Chloe Mills and Bennett Ryan are back for one last blazing prewedding hurrah—but if what happens in Vegas stays in Vegas, they might not ever want to leave!

cynical detective; the femme fatale; and the twist of fate. Into the Dark captures this alluring genre with a cavalcade of compelling photographs and a guide to 82 of its best films. Into the Dark is the first book to tell the story of film noir in its own voice. Author Mark A. Vieira quotes the artists who made these movies and the journalists and critics who wrote about them, taking readers on a year-by-

year tour of the exciting nights when movies like Double Indemnity, Mildred Pierce, and Sunset Boulevard were sprung on an unsuspecting public. For the first time, we hear the voices of film noir artists speak from the sets and offices of the studios, explaining the dark genre, even before it had a name. Those voices tell how the genre was born and how it thrived in an industry devoted to

sweetness and light. Into the Dark is a ticket to a smoky, glamorous world. You enter a story conference with Raymond Chandler, visit the set of Laura, and watch Detour with a Midwest audience. This volume recreates the environment that spawned film noir. It also displays the wit and warmth of the genre's artists. Hedda Hopper reports on Citizen Kane, calling Orson Welles "Little

Orson Annie." Lauren Bacall says she enjoys playing a bad girl in *To Have and Have Not*. Bosley Crowther calls Joan Crawford in *Possessed* a "ghost wailing for a demon lover beneath a waning moon." An Indiana exhibitor rates the classic *Murder, My Sweet* a "passable program picture." Illustrated by hundreds of rare still photographs, *Into the Dark* conveys the mystery, glamour, and

irony that make film noir surpassingly popular. About TCM: Turner Classic Movies is the definitive resource for the greatest movies of all time. From the #1 New York Times bestselling author of All the Bright Places comes a compulsively

readable novel about a teen girl determined to write her own story--sex, heartbreak, family dramas, and all. "A coming-of-age story that will make your heart ache."

—PopSugar
With high school coming to an end, Claudine Henry is focused on four things: sex, starting college, becoming a famous writer, and... sex. But when her parents announce they're splitting up,

her entire world begins to fall apart. The epic road trip she planned with her best friend is cancelled, and she finds herself stuck on a remote island off the coast of Georgia with her mom - an island with no WiFi, no cell service and no friends. Until she meets the free spirited, mysterious, and beautiful Jeremiah. He infuriates and intrigues her. Their chemistry takes her by surprise, and when Claude decides he

should be her first, she tells herself it's just sex. Exactly what she wanted, right? They both know that what they have can't last forever, but maybe the time they have can be enough. "Romantic and sexy." —Judy Blume, acclaimed author of *Forever The Big Book of Top Gear 2009* HarperCollins A two-toned, three-taloned claw paw has been sprawled in aerosol across walls around the

world since the early 1990s. One of the first writers to use an icon as her throw up, CLAW is of the rarest breed: the female graffiti King. Not content just to beat the boys at their own game, CLAW also designs her own clothing line, Claw Money, as well as a jewellery and accessory line, literally creating her own street style. Bombshell explodes all preconceived notions about the icon many have seen but

few have known. *The Glass Woman* Weidenfeld & Nicolson Gripping account by Richard Hammond of life before and after his terrifying high-speed car crash. Richard Hammond is one of our most in-demand and best-loved television presenters. In September 2006, he suffered a serious brain injury following a high-speed car crash. ON THE EDGE is

his compelling account of life before and after the accident and an honest description of his recovery, full of drama and incident. An adrenalin junkie long before his association with Top Gear, Richard tells the story of his life, from the small boy showing off with ridiculous stunts on his bicycle to the adolescent with a near-obsessive attraction to speed and the smell of petrol. After a series of jobs in local radio,

he graduated to television and eventually to Top Gear. His insights into the personalities, the camaraderie and the stunts for which Top Gear has become famous, make compulsive reading. It was whilst filming for Top Gear that Richard was involved in a high speed crash, driving a jet-powered dragster. His wife Mindy tells the story of the anxious hours and days of watching and waiting until

he finally emerged from his coma. In an extraordinarily powerful piece of writing, she and Richard then piece together the stages of his recovery as his shattered mind slowly reformed. The final chapter recounts his return home and his triumphant reappearance in front of the cameras. Bombshell HarperCollins UK Walk into any European museum today and you will see the curated spoils

of Empire. They sit behind plate glass: dignified, tastefully lit. Accompanying pieces of card offer a name, date and place of origin. They do not mention that the objects are all stolen. Few artefacts embody this history of rapacious and extractive colonialism better than the Benin Bronzes - a collection of thousands of brass plaques and carved ivory tusks depicting the history of the Royal Court of the Obas of Benin City, Nigeria. Pillaged during a British naval attack in 1897, the loot was passed on to Queen Victoria, the British Museum and countless private collections. The story of the Benin Bronzes sits at the heart of a heated debate about cultural restitution, repatriation and the decolonisation of museums. In The British Museums, Dan Hicks makes a powerful case for the urgent return of such objects, as part of a wider project of addressing the outstanding debt of colonialism. The brilliance of the novel [is] that it distracts you with these weirdo characters and mesmerizing and funny sentences and then hits you in a way you didn’t see coming. You’re laughing so hard you don’t even realize that you’ve suddenly caught fire.”

—Taffy Brodesser-Akner, author of *Fleishman is in Trouble*, New York Times Book Review From the New York Times bestselling author of *The Family Fang*, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates and yet inseparable friends at their elite boarding

school. But then Lillian had to leave the school unexpectedly in the wake of a scandal and they’ve barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison’s twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there’s a catch: the twins spontaneously combust when they get agitated, flames igniting

from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it's the truth. Thinking of her dead-end life at home, the life that has consistently disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also staying out of the way

of Madison's buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept that she needs these strange children as much as they need her—urgently and fiercely. Couldn't this be the start of the amazing life she'd always hoped for? With white-hot wit and a big, tender heart,

Kevin Wilson has written his best book yet—a most unusual story of parental love.

From the author of *Survive the Night* and *Final Girls* comes a tense and twisty thriller about a summer camp that's impossible to forget—no matter how hard you try. *Two Truths and a Lie*. Vivian, Natalie, Allison, and

<p>Emma played it all the time in their cabin at Camp Nightingale. But the games ended the night Emma sleepily watched the others sneak out into the darkness. Fifteen years later, Emma is a rising star in the New York art scene, turning her past into paintings—ma-</p>	<p>ssive canvases filled with dark leaves and gnarled branches over ghostly shapes in white dresses. happened to her friends. But her closure could come at a deadly price. **Blonde Bombshell** Catapult If you can judge a book by its enemies, Too Famous could be an instant classic. Bestselling author of *Fire and Fury* and chronicler of the Trump White House Michael Wolff dissects more of the major monsters, media whores, and vainglorious figures of our time. His scalpel opens

their lives, careers, and always equivocal endgames with the same vividness and wit he brought to his disemboweling of the former president. These brilliant and biting profiles form a mesmerizing portrait of the hubris, overreach, and nearly inevitable self-destruction of some of the most famous faces from the Clinton era through the Trump years. When the mighty fall, they do it with

drama and with a dust cloud of gossip. This collection pulls from new and unpublished work—recent reporting about Tucker Carlson, Jared Kushner, Harvey Weinstein, Ronan Farrow, and Jeffrey Epstein—and twenty years of coverage of the most notable egomaniacs of the time—among them, Hillary Clinton, Michael Bloomberg, Andrew Cuomo, Rudy Giuliani,

Arianna Huffington, Roger Ailes, Boris Johnson, and Rupert Murdoch—creating a lasting statement on the corrosive influence of fame. Ultimately, this is an examination of how the quest for fame, notoriety, and power became the driving force of culture and politics, the drug that alters all public personalities. And how their need, their desperation, and their ruthlessness

became the toxic grease that keeps the world spinning. You know the people here by name and reputation, but it's guaranteed that after this book you will never see them the same way again or fail to recognize the scorched earth the famous leave behind them.
