JENNINGS CLARENCE

Santiago - Finisterre - Muxia Findhorn Press

This two-volume set of guidebook and map book makes an indispensable companion to planning and walking the 784km Camino Frances pilgrim route from St-Jean-Pied-de-Port across northern Spain to Santiago de Compostela. Divided into 6 sections, the guidebook includes an additional section from Santiago de Compostela to Finisterre and Muxia on the Galician coast. Each section is broken down into detailed stages with easily customisable start and finish points due to the amount of accommodation available en route. Over 500 of these pilgrim lodgings are listed within this guidebook, including all public and private albergues, with contact details and a description of facilities available. The accompanying map book offers detailed, stage-by-stage maps and profiles of the route as well as over 120 town and village maps that helps you find the exact location of

accommodation and other sites important to pilgrims. The small size allows you to keep the map book in an accessible pocket for use throughout the day. This two-part guidebook and map book provide an abundance of advice on planning and preparation, sample itineraries and detailed information that allows complete customisation of the Camino, making this an ideal guidebook for all pilgrims walking the Camino Frances.

Lisboa-Porto-Santiago Cicerone Press Limited

The actor-turned-travel writer meditates on how travel has helped him to overcome life-long fears and confront his resistance to commitment, tracing his soul-searching visits to such world regions as Patagonia, the Amazon, and Kilimanjaro.

CAMINO PRIMITIVO Camino Guides

A revised handbook to the Portuguese route of the Camino de Santiago

A Journey of 500 Miles, Two Best Friends, and One Wheelchair St. Martin's Griffin

Previously published as *The Diary of a Magus*, this book tells of Coelho's initiation into a spiritual path, leading to inner development and wisdom. He shares exercises in self-control and self-discovery, which he was taught on his pilgrimage along the ancient road to Santiago.

Pilgrim's Guide to the Camino Portugues Cicerone Press Limited

Three different pilgrimage routes through northern Spain to the sacred city of Santiago de Compostela: the Camino del Norte (a 790km five-week coastal route from Irún), Camino Primitivo (which splits from the Norte at Sebrayo for the next 320km) and the Camino Inglés (a five-day 87km route from Ferrol)

Lisbon - Porto - Santiago / Camino Central, Camino De La Costa, Variante Espiritual & Senda Litoral Bergverlag Rother GmbH

The Camino de Santiago (the Way of St James) is a glorious 500 mile walk across the north of Spain, following an ancient pilgrimage route west to the magnificent cathedral at Santiago de Compostela. This 'mapbook' includes picture icons for accommodation, cafes, restaurants, shops, tourist information, banks and cashpoints.

A Pilgrim's Guide to the Camino Inglés Rick Steves

A complete set of maps and town plans in English, Spanish, French, German, Portuguese, Italian, Dutch and Polish make up this indispensable guidebook for spiritual seekers and travelers wishing to walk the way of Saint James. Covering the sacred route from St. Jean Pied de Port to Santiago,

this portable book of maps makes the perfect companion for adventurers attempting to heed the spiritual calling. Revised and updated to offer the most recent information, this exploration is light enough to carry while walking long distances each day. The maps show the location of all pilgrim hostels en route, the distances between villages, and points of interest, as well as counter guides, alternative routes, and accommodations.

Camino Del Norte Cicerone PressLtd

The road across northern Spain to Santiago de Compostela in the northwest was one of the three major Christian pilgrimage routes during the Middle Ages, leading pilgrims to the resting place of the Apostle St. James. Today, the system of trails and roads that made up the old pilgrimage route is the most popular long-distance trail in Europe, winding from the heights of the Pyrenees to the gently rolling fields and woods of Galicia. Hundreds of thousands of modern-day pilgrims, art lovers, historians, and adventurers retrace the road today, traveling through a stunningly varied landscape which contains some of the most extraordinary art and architecture in the western world. For any visitor, the Road to Santiago is a treasure trove of historical sites, rustic Spanish villages, churches and cathedrals, and religious art. To fully appreciate the riches of this unique route, look no further than The Pilgrimage Road to Santiago, a fascinating step-by-step guide to the cultural history of the Road for pilgrims, hikers, and armchair travelers alike. Organized geographically, the book covers aspects of the terrain, places of interest, history, artistic monuments, and each town and village's historical relationship to the pilgrimage. The authors have led five student treks along the Road, studying the art, architecture, and cultural sites of the pilgrimage road from southern France to Compostela. Their lectures, based on twenty-five years of pilgrimage scholarship and fieldwork, were the starting point for this handbook.

A Pilgrim's Guide to the Camino de Santiago Camino Guides

Trekking 500 miles on the ancient Camino de Santiago was not just an item for Russ Eanes to check off his bucket list. It was a journey he had dreamed of taking for decades. At age 61, with his children grown, he was too young to retire but wise enough to know that he needed to reorient the hurried pace of his life. He left his work and took a sabbatical to "reset" himself and the first step was to head to the Camino. With everything he needed in a 16-pound pack and, equipped with a set of seven simple principles, he took off from St. Jean Pied de Port, France, to walk, as pilgrims have for twelve centuries, across Spain, to realize his dream. It was the Walk of a Lifetime. In a style that is part personal memoir and part travel memoir, he combines history, spirituality, coffee, culture and humor into an engaging journey of personal rediscovery.

[The Pilgrimage Road to Santiago](#) Createspace Independent Publishing Platform

Representing the most popular Christian pilgrimage anywhere in the world, this guide combines maps, photographs, and hospitality information to help travelers in their journey.

The Longest Way Home Wm. B. Eerdmans Publishing

Each year some tens of thousands of people from all over the world pull on their walking boots and head out on the Camino to Santiago pilgrimage trail. Once the domain of penitent pilgrims these days the Camino attracts 'pilgrims' for a diversity of reasons, some spiritual and others more worldly, e.g. to experience a different culture, to sort out personal problems, to escape the rat race, to embark on an adventure, to get fit. Whatever your reason for walking, Trish Clark's latest book is an invaluable guide to walking the Camino YOUR way. Guide to the Camino draws on her own personal experience of following the 850 kilometre Camino Frances from St-Jean-Pied-de-Port in France to Santiago de Compostela in north-west Spain. The book covers preparation for walking the Camino and includes a step by step guide to each day on the trail. Distances, maps, photos, local history, legends, fiestas and fairs, eating and drinking, things to see and do and the time of the pilgrims' Mass in each overnight location are covered. It offers details of more comfortable accommodation than the usual multibunk bed, dormitory-like albergues, and lists accommodation in hotels, hostels and pensions including those run by monks, nuns and religious orders. A day-to-day 'flashback' recalls the author's own experience of walking the Camino. This easy to use, easy to pack guide is the perfect travelling companion for those planning to walk the Camino and enlightening armchair reading for those contemplating it.

A How-To Guide for the Novice Camino de Santiago Pilgrim Footprint Travel Guides

Over 1,200 years old, 500 miles long, and rich with tradition and sacred history: Embark on the trip of a lifetime with Moon Camino de Santiago. Inside you'll find: Strategic trekking guides for walking the Camino, including where to start to get the Compostela certificate and excursions to gateway cities like Santiago, León, and Pamplona Unique ideas for enriching your experience: Admire folkloric art and Romanesque churches, stroll through the stone archways and winding alleys of

medieval cities, and soak up mountain views as you cross over the Pyrenees and descend into green valleys. I'll Push You Springer

The only guidebook to the Camino Finisterre and its Muxía extension written in both English and Spanish, this reference contains all the information needed by modern-day pilgrims wishing to walk this sacred road. Overview route planners plus daily stage maps and detailed town plans help sojourners with as much advance preparation as they need. The maps feature contour guides to help distinguish the terrain that will be crossed each day, while full information on all pilgrim hostels, as well as details for alternative accommodation, allow travelers to plot adequate nightly stopping points. All reference information is accompanied by helpful spiritual guidelines to support the seeker's inner journey as well as the outer pilgrimage. Newly updated to include the latest maps and photos, this lightweight guide fits into a walker's pocket for carefree traveling.

Oviedo to Santiago on Spain's Original Way Pili Pala Press

"I am about to share here a story about stars that dance. . . . If the very thought of seeing stars dance piques your curiosity at some deep level of your soul, then pay attention to what follows, for the walk to the Field of Stars, to Santiago de Compostela, is a journey that has the power to change lives forever." -- from the introduction "Pilgrimage" is a strange notion to our modern, practical minds. How many of us have walked to a distant holy place in order to draw nearer to God? Yet the pilgrimage experience is growing these days in various parts of the world. Seeking to take stock of his life, Kevin Codd set out in July 2003 on a pilgrimage that would profoundly change his life. To the Field of Stars tells the fascinating story of his unusual spiritual and physical journey on foot across Spain to Santiago de Compostela, the traditional burial place of the apostle James the Greater. Each brief chapter chronicling Codd's thirty-five-day trek is dedicated to one or two days on the road. Codd shares tales of other pilgrims, his own changes of perspective, and his challenges and triumphs along the way -- all told with a disarming candor. Seen through the eyes of a Catholic priest who honors the religious worldview that originally gave rise to these medieval odysseys, "pilgrimage" comes to life and takes on new meaning in these pages.

Findhorn Press

Do you think you are too old, too young, or not fit enough for an adventure? This bestselling book has helped many a Camino Dream come true Do you want to hike the famous pilgrimage trail, the 500 mile/800 km Camino Frances in Spain, but don't have 30+ days for that trek? Or are you terrified of the fitness, research, and planning that is required? The Camino Ingles is the answer! The Camino Ingles is one of the Northern Caminos, a Galician pilgrimage trail ending in Santiago de Compostela, a great doable walking adventure for anyone of moderate fitness. You may have heard of the Camino, called variously, St. James Way, or Jacobsweg; but there are in fact, many Caminos, and the English Way or Camino Ingles is one of them. Walking the Camino was a goal of mine last year, and the year before that, and the year before that. I had never even walked five miles, but I wanted to walk the Camino to prove to myself that I could achieve a goal. But, I didn't have the time for 500 miles, then, I heard of the Camino Ingles. No more excuses! The shorter time and distance of the Camino Ingles was the clincher, and I set out on a quieter, less travelled and less well documented hike through Spain. This book helps you to set a practical goal and achieve it, by showing you exactly how to: Walk the Camino Ingles, a Galician route as old as the Camino Frances Prepare your mind, body and feet to enjoy the long walk Pack and what to discard to travel light Plan your travel and arrival in Spain in the shortest time Decide on strategies to overcome

obstacles Find the medieval way posts for an authentic experience Enjoy the food of the region Book, or not book your bed for a good nights' rest Get your Compostela in Santiago Find more information if you really want it Follow this book to complete a real pilgrimage trek in only 6 days, there is enough detail to guide you each day. Go on, what's stopping you? It's only one step at a time!

Moon Camino de Santiago Cicerone Press Limited

A guidebook to walking the Camino Portugués (Portuguese Way), 620km from Lisbon in Portugal to Santiago de Compostela in Spain. The book gives stage-by-stage directions for the Central Camino, starting from Lisbon, Porto or Tui, the Coastal Camino between Porto and Redondela, and the Spiritual Variant route from Pontevedra to Padrón. It also describes link routes that can be used to swap from one route to another. Detailed route guidance and maps are accompanied by fascinating information about historic and religious sites passed along the way. It is packed with essential information for pilgrims, with advice on getting there, when to go, where to stay and equipment. An indispensable facilities table showing the availability of accommodation, refreshments, supermarkets, ATMs and pharmacies along the route, and a handy glossary, make this the complete guide to the Camino. Since 1211 Santiago de Compostela has been a place of holy pilgrimage and the Camino Portugués is the second most travelled pilgrim route. The largely rural journey takes in four UNESCO World Heritage Areas - the Knights Templar Castle at Tomar, Portugal's oldest University at Coimbra, and the old towns of Porto and Santiago - culminating at the cathedral at Santiago de Compostela.

[Camino de Santiago, Camino Frances](#) Cicerone Press

Spiritual seekers and travelers will find all the resources they need to walk the Way of Saint James in this complete set of maps and town plans translated into English, Spanish, and French. Light enough to carry while walking long distances, the maps show all pilgrim hostels en route and the distances between all villages and points of interest.

Way of St. James from the Pyrenees to Santiago. 42 Stages. With GPS-Tracks Camino Guides

The Camino Ingles or English Way, also known as The Celtic Camino, was popular with pilgrims arriving by sea in the medieval period. It is quietly coming alive again and ready to welcome pilgrims seeking a more solitary way along the rugged r as of Northern Galicia. It provides the minimum distance required for a pilgrim to apply for a Compostela. This reference contains all the information needed by modern-day pilgrims wishing to walk these sacred roads. Overview route planners plus daily stage maps and detailed town plans help sojourners with as much advance preparation as they need. The maps feature contour guides to help distinguish the terrain that will be crossed each day, while full information on all pilgrim hostels, as well as details for alternative accommodation, allow travelers to plot adequate nightly stopping points. All reference information is accompanied by helpful spiritual guidelines to support the seeker's inner journey as well as the outer pilgrimage. This lightweight guide fits into a walker's pocket for carefree traveling. This guidebook also seeks to find a balance between the outer and inner journey, between the practical and spiritual, which is why it is subtitled A Practical & Mystical Manual - that we might find a place to eat and sleep at the end of a hard day's walk but also, and crucially, that we might find the courage to dive into the mystery of our own soul awakening.

[To Santiago de Compostela and Finisterre from Irun Or Oviedo](#) Harper Collins

With over 1000 years of history, the Way of St. James is one of the classic long distance walks. This historical route along almost 1000 kilometres from the Pyrenees to Santiago de Compostela offers unique cultural, scenic and nature experiences. Since the Holy Year of 2010 the Way of St. James has gained even more in popularity and attracts more and more people from very different backgrounds, faiths and generations. It does not matter what the reason might be for setting out on the path to Santiago de Compostela - in the end you are confident that you have had a quite special experience. The Rother walking guide describes in a total of 42 stages the whole of the Camino francés from Saint-Jean-Pied-de-Port via Roncesvalles, as well as the Aragon route from the Somport pass via Jaca to Santiago de Compostela, including possible secondary routes and the extension to Finisterre or Muxía. Thus the Way of St. James leads through a wealth of diverse landscapes, continuously interrupted by culturally and historically interesting places like Roncesvalles, Pamplona, Puente la Reina, San Juan de Ortega, Burgos or Leon, to name but a few. The natural experience dominates at first with the Pyrenean mountains, then the Rioja region characterised by vineyards, followed by the endless barren wastes of the Castilian plateau. But finally, it is the greenery of Galicia that rewards you for all your efforts and deprivations of the long journey, before you reach the climactic destination of Santiago de Compostela. If you still have

time, then continuing to the coast, to Finisterre and Muxía, is highly recommended. Detailed maps, precise descriptions of the individual stages including easy-to-read height profiles, as well as comprehensive details of the infrastructure along the way such as medical services, shopping opportunities or banks, make your planning of the walk easier, especially for deviations from the stages described in this guide. Detailed information is also given about the location and standard of accommodation in the pilgrim hostels along the way, graded accordingly with one to three St. James shells. General tips on planning the route and equipment at the start of the book make this walking guide into a compact and practical guide. Special mention is also made of historical and

scenic delights, as well as regional peculiarities, local fiestas and culinary specialities. A selection of representative photos provide insights into the diversity of landscape and culture experienced along the Way of St. James.

The Camino Ingles Camino de Santiago MapsSt. Jean Pied de Port - Santiago de Compostela Devoted entirely to the subject of what to wear and what to carry on a Camino pilgrimage—with tips and advice on how to create a lightweight backpack so you can walk comfortably without carrying a burden on your back. Learn how to choose backpacking gear and clothing that will work best for you, the route you take, and the time of year that you'll be walking. Examine the pros and

cons for difficult gear choices, like should you use a poncho, or rain jacket? water bottles or backpack hydration system? a sleeping bag, or a sleeping sheet? And what about taking a mobile phone or other tech-devices? Consider the options, and decide what works best for your journey. You'll also find a "skin-out" packing list that includes the weight of each item—including weight estimates for picnic and snack foods; and for water (because these are typically the heaviest items in your backpack). Use this comprehensive pack list as an example checklist to organize your own Camino backpack. A Camino journey can strengthen the body and refresh the soul. But to walk long distances every day you should carry as little as possible. This is the book to help you do that.
