 The #1 New York Times and USA TODAY bestseller is now available at an incredible low price for a limited time only! Discover the "compulsively readable" (Booklist) first book in the Infernal Devices trilogy, prequel to the internationally bestselling Mortal Instruments series! Clockwork Angel is a Shadowhunters novel. When Tessa Gray crosses the ocean to find her brother, her destination is England, the time is the reign of Queen Victoria, and something terrifying is waiting for her in London's Downworld, where vampires, warlocks, and other supernatural folk stalk the gaslit streets. Only the Shadowhunters, warriors dedicated to ridding the world of demons, keep order amidst the chaos. Kidnapped by a secret organization called The Pandemonium Club, Tessa learns that she herself is a Downworlder with a rare ability: the power to transform into another person. What's more, the Magister, the shadowy figure who runs the Club, will stop at nothing to claim Tessa's power for his own. Friendless and hunted, Tessa takes refuge with the Shadowhunters of the London Institute, who swear to find her brother if she will use her power to help them. She soon finds herself fascinated by—and torn between—two best friends: James, whose fragile beauty hides a deadly secret, and Will, whose caustic wit and volatile moods keep everyone in his life at arm's length...everyone, that is, but Tessa. As their search draws them deep into the heart of an arcane plot that threatens to destroy the Shadowhunters, Tessa realizes that she may need to choose between saving her brother and helping her new friends save the world...and that love may be the most dangerous magic of all.

The Infernal Devices: Clockwork Prince Turtleback Books
 "One Good Dog is a wonderful novel: a moving, tender, and brilliantly crafted story about two fighters—one a man, one a dog—hoping to leave the fight behind, who ultimately find their salvation in each other. Susan Wilson's clear and unflinching style is perfectly suited for her story that strips away the trappings and toys we all hide behind, and exposes our essential need to give and accept love in order to thrive."—Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* Adam March is a self-made "Master of the Universe." He has it all: the beautiful wife, the high-powered job, the glittering circle of friends. But there is a price to be paid for all these trappings, and the pressure is mounting—until the day Adam makes a fatal mistake. His assistant leaves him a message with three words: your sister called. What no one knows is that Adam's sister has been missing for decades. That she represents the excruciatingly painful past he has left behind. And that her absence has secretly tormented him all these years. When his assistant brushes off his request for an explanation in favor of her more pressing personal call, Adam loses it. And all hell breaks loose. Adam is escorted from the building. He loses his job. He loses his wife. He loses the life he's worked so hard to achieve. He doesn't believe it is possible to sink any lower when he is assigned to work in a soup kitchen as a form of community service. But unbeknownst to Adam, this is where his life will intersect with Chance. Chance is a mixed breed Pit Bull. He's been born and raised to fight and seldom leaves the dirty basement where he is kept between fights. But Chance is not a victim or a monster. It is Chance's unique spirit that helps him escape and puts him in the path of Adam. What transpires is the story of one man, one dog, and how they save each other—in ways they never could have expected.
