preference is Tilapia Fish Farming. Many people are raising Rohu, Catla fish in home ponds. Tilapia tastes better. Read Tilapia Fish Farming. You can also grow vegetables and fish farming with in integrated system called Aquaponics. Read about Aquaponics. You can find consultants on Indiamart dot com who can set up a fish pond for you. Fish Farming; Cultivation; Fish Pond Preparation | Agri ... Fish farming can be combined with agriculture, animal husbandry and irrigation practices, which can lead to better utilisation of local re-sources and ultimately to higher production and net profits. This practice is called 'integrated fish farming' and the subject is extensively dealt with in Agrodok No. 21. Small-scale freshwater fish farming As the tilapia is a very tasty and fast growing fish, so it has a great demand to the fish farmer. It has made a revolution in the field of fish farming. Farming in a modern way of tilapia fish desired income can be made within a short time. Tilapia culture is also a suitable way of earnings for the unemployed people.
