JAZMIN BISHOP

[The Universe Next Door](#) InterVarsity Press

With over a quarter million copies in print in three editions, *The Universe Next Door* has established itself as the premier textbook on worldviews. In clear, readable prose, James W. Sire explains the basics of Christian theism, deism, naturalism, nihilism, existentialism, Eastern pantheistic monism, New Age philosophy and postmodernism. In an increasingly pluralistic academic environment, the ability to understand and evaluate various worldviews is vitally important.

The Universe Next Door Wm. B. Eerdmans Publishing

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Schrodinger's Cat Trilogy P & R Publishing

"[Mackler's] teens feel lived in to me--smart, observant, but realistic in terms of their insecurities and limitations. I particularly appreciate the candid and non-judgmental way she depicts teen sensuality and female desire . . . Much to discuss here in the age of #metoo." --Gabrielle Zevin, *New York Times* bestselling author From Carolyn Mackler, author of the Printz Honor-winning *The Earth, My Butt, and Other Big Round Things*, comes a story of what happens when the "happily ever after" turns out to be less than perfect. It's been five months since sixteen-year-old Virginia Shreves thought her life was finally back on course: she has come to terms with who she is both inside and out, and she's even started to rebuild her relationship with her older brother Byron, whose date-rape charge completely shattered everything. But just as she's getting used to the new normal, Virginia's world turns upside down again. Sparks with boyfriend Froggy Welsh the Fourth fade, her best friend Shannon bombshells bad news, and then the police arrest Byron. As Virginia struggles to cope, she meets Sebastian, an artist with his own baggage. The pair make a pact not to share their personal dramas. But secrets have a way of coming out, and theirs have the potential to ruin everything. In this follow-up to the acclaimed *The Earth, My Butt, and Other Big Round Things*, Carolyn Mackler brings Virginia's story satisfyingly full circle in a hope-filled tale of forgiveness, love, friendship, and the beauty in life's imperfections.

Ann Martin's phenomenal Newbery Honor book, now in paperback The summer Hattie turns 12, her predictable smalltown life is turned on end when her uncle Adam returns home for the first time in over ten years. Hattie has never met him, never known about him. He's been institutionalized; his condition involves schizophrenia and autism. Hattie, a shy girl who prefers the company of adults, takes immediately to her excitable uncle, even when the rest of the family -- her parents and grandparents -- have trouble dealing with his intense way of seeing the world. And Adam, too, sees that Hattie is special, that her quiet, shy ways are not a disability,

The Universe Next Door Shaw Books

Can the intellectual life be a legitimate Christian calling? James Sire brings wit and wisdom to this question in his deeply personal exploration of how to think well for the glory of God and the sake of his kingdom, showing how to cultivate intellectual virtues—habits of the mind—that will strengthen you in pursuit of your calling.

Coraline Everest Media LLC

The sequel to the cult classic *The Illuminatus! Trilogy*, this is an epic fantasy that offers a twisted look at our modern-day world—a reality that exists in another dimension of time and space that may

be closer than we think.

Shows ways to develop a Christian world-view and to apply it to ethical issues and the study of academic disciplines

Rethinking Worldview InterVarsity Press

"Cody knows there are many mysteries in the big, wide universe. Like why it hurts so bad to get stung by a yellow jacket. Or the exact moment when her best friend, Spencer, will arrive with his parents and move into her neighborhood for good. But the biggest mystery of all may be Mr. Meen, Grandma Grace's next-door neighbor. No one has ever seen him, and when a 'Welcome home' sign appears in his window, Cody and Spencer can hardly wait to see who shows up"--

The house next door to the Kennedys appears to be haunted by an all-pervasive evil, and the couple watches as a succession of owners becomes engulfed by the sinister force, until the Kennedys set out to destroy the house themselves.

5th Edition [Standard Large Print 16 Pt Edition] Simon and Schuster

When *The Universe Next Door* was first introduced more than twenty years ago, it set the standard for a clear, readable introduction to worldviews. In concise, easily understood prose, James W. Sire explained the basics of theism, deism, naturalism, nihilism, existentialism, Eastern monism and the new consciousness. The second edition was updated and expanded to include sections on Marxism and secular humanism, as well as a completely reworked chapter on what is now known as New Age philosophy rather than new consciousness.

2014 Popular Theology Book of the Year - World Magazine How do you view the world? It's a big question. And how you answer is one of the most important things about you. Not sure what you'd say? Join James Anderson on an interactive journey of discovery aimed at helping you understand and evaluate the options when it comes to identifying your worldview. Cast in the mold of a classic "Choose Your Own Adventure" story, *What's Your Worldview?* will guide you toward finding intellectually satisfying answers to life's biggest questions—equipping you to think carefully about not only what you believe but why you believe it and how it impacts the rest of your life.

A Basic Worldview Catalog: Easyread Super Large 20pt Edition InterVarsity Press

With the many models of worship available, choosing a style to worship God can be a bit overwhelming. Is it better to go with traditional or contemporary models? Christians may find themselves asking how early believers worshiped and whether they can provide insight into how we should praise God today. Rooted in historical models and patristic church studies, *Ancient-Future Worship* examines how early Christian worship models can be applied to the postmodern church. Pastors and church leaders, as well as younger evangelical and emerging church groups, will find this last book in the respected *Ancient-Future* series an invaluable resource for authentic worship.

The Universe Is Expanding and So Am I B&H Publishing Group

For more than thirty years, *The Universe Next Door* has set the standard for a clear, readable introduction to worldviews. In this new fifth edition James Sire offers additional student-friendly features to his concise, easily understood introductions to theism, deism, naturalism, Marxism, nihilism, existentialism, Eastern monism, New Age philosophy and postmodernism. Included in this expanded format are a new chapter on Islam and informative sidebars throughout. The book continues to build on Sire's refined definition of worldviews from the fourth edition and includes other updates as well, keeping this standard text fresh and useful. In a world of ever-increasing diversity, *The Universe Next Door* offers a unique resource for understanding the variety of worldviews that compete with Christianity for the allegiance of minds and hearts. *The Universe Next Door* has been translated into over a dozen languages and has been used as a text at over one

hundred colleges and universities in courses ranging from apologetics and world religions to history and English literature. Sire's *Naming the Elephant: Worldview as a Concept* provides a useful companion volume for those desiring a more in-depth discussion of the nature of a worldview.

Summary of James W. Sire's *The Universe Next Door* HarperCollins

With over a quarter million copies in print in three editions, *The Universe Next Door* has established itself as the premier textbook on worldviews. In clear, readable prose, James W. Sire explains the basics of Christian theism, deism, naturalism, nihilism, existentialism, Eastern pantheistic monism, New Age philosophy and postmodernism. In an increasingly pluralistic academic environment, the ability to understand and evaluate various worldviews is vitally important.

How the Bible Created the Soul of Western Civilization Oxford University Press, USA

In this companion volume to *The Universe Next Door*, James W. Sire offers his refined definition of a worldview and addresses key questions about the history of worldview thinking, the existential and intellectual formation of worldviews, the public and private dimensions of worldviews and how worldview thinking can help us navigate an increasingly pluralistic universe.

A Journey through 55 Alternative Realities, Parallel Worlds and Possible Futures Art Inst of Chicago

Conceiving of Christianity as a "worldview" has been one of the most significant events in the church in the last 150 years. In this new book David Naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life. This informative volume first locates the origin of worldview in the writings of Immanuel Kant and surveys the rapid proliferation of its use throughout the English-speaking world. Naugle then provides the first study ever undertaken of the insights of major Western philosophers on the subject of worldview and offers an original examination of the role this concept has played in the natural and social sciences. Finally, Naugle gives the concept biblical and theological grounding, exploring the unique ways that

worldview has been used in the Evangelical, Orthodox, and Catholic traditions. This clear presentation of the concept of worldview will be valuable to a wide range of readers.

In this accessible and engaging work, veteran apologist Jim Sire gives us eyes to see the signs all around us that point to the specific truth of God in Christ. Sire focuses on the power of good literature—even from those who deny the existence of God—to enable us to perceive and testify to God's reality in ways that rational argument alone cannot.

Shaping a Christian Worldview Simon and Schuster

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The purpose of this book is to outline the basic worldviews that underlie the way we in the Western world think about ourselves, other people, the natural world, and God or ultimate reality. We must understand and then genuinely communicate with others in a pluralistic society. #2 A worldview is a set of presuppositions that we hold about the basic makeup of our world. It is the basis for all our thoughts and actions. It is not a professional philosophy or theology, but a basic understanding of the world that we all have. #3 A worldview is made up of a series of basic assumptions that are generally unquestioned by each of us, rarely mentioned by our friends, and only brought to mind when we are confronted with a foreign ideology. #4 We cannot avoid assuming some answers to these questions. We will adopt either one stance or another. Refusing to adopt an explicit worldview is itself a worldview or at least a philosophical position.
