Providing thorough, up-to-date coverage of the operation of marine insurance legislation, this text is an essential resource for today's marine insurance professional. Designed with the reader in mind, previous editions of this book have been heavily praised for its accessible and highly-practical format. Section by section, the authors deliver expert commentary on the Marine Insurance Act 1906 and related marine insurance legislation. The origin of

each section or provision is clearly explained, along with the authorities decided since the legislation came into force. New to this edition: Heavily revised with the very latest case law since 2010, some of which having a dramatic effect on the law of marine insurance. The most important cases include *The Cendor Mopu* and *Masefield v Amlin*. All relevant new cases have been added from across the common law world Clarification on new legislation such as the Third Parties (Rights against Insurers) Act 2010 and the Consumer Insurance (Disclosure and Representations) Act 2012 The compulsory insurance provisions affecting oil pollution and passengers The rules on jurisdiction and choice of law in the Brussels Regulation and the Rome I Regulation This compressive text is indispensable for marine lawyers, industry professionals, and students of marine insurance law worldwide.

Television & Cable Factbook The Stationery Office

Now in its 179th edition, Laxton's has become a firm favourite in the UK Building Industry. With more prices and more in-depth build-ups, Laxton's offers more practical and complete information than any other price book available This new edition takes into account major price variations that stem from raw material costs in the last few months. * Higher-fuel costs have impacted on prices across the board, in particular costs of non-ferrous metals in increased * Copper sheet and pipe show price increases of well above 50% in the last year, while zinc, lead and aluminium prices have also risen significantly * There are savings in plaster and drainage goods, prices are down All the prices in Laxton's are based on the new 3 year Construction Industry Joint council wage rate agreement that came into force at the end of

June 2006 *Saving you time - comprehensive basic price and approximate estimating sections make putting together outline costings quicker and easier *Saving you effort - all the information you need on each measured item is clearly set out on a single page, with a full break down of costs *Saving you money - all 250,000 prices are individually checked and updated to make sure that your tender costs are precise

Washington Representatives

This is the 42nd edition of this annual directory on the structure, departments and key personnel of the UK Civil Service. It contains information on ministerial responsibilities, government departments and devolved administrations, executive agencies and non-departmental public bodies, as well as a wide range of other organisations such as museums, libraries, galleries and research councils. It also includes data on: civil service salaries and staffing levels, e-government and e-champions, open government, purchasing and better quality service contracts and the charter mark scheme. Indexes are given by individual officers, department and subject. With this publication comes access to the updated website at www.civil-service.co.uk
