*The Chronicles of Harris Burdick* Paw Prints

A Warning from the Publisher: Many readers have questions about Lemony Snicket, author of the distressing serial concerning the trials of the charming but unlucky Baudelaire orphans, published under the collective title *A Series of Unfortunate Events*. Before purchasing, borrowing, or stealing this book, you should be aware that it contains the answers to some of those questions, such as the following: 1. Who is Lemony? 2. Is there a secret organization I should know about? 3. Why does Lemony Snicket spend his time researching and writing distressing books concerning the Baudelaire orphans? 4. Why do all of Lemony Snicket's books concerning a sad dedication to a woman named Beatrice? 5. If there's nothing out there, what was that noise? Our advice to you is that you find a book that answers less upsetting questions than this one. Perhaps your librarian, bookseller, or parole officer can recommend a book that answers the question, "Aren't ponies adorable?"

[An Utterly Unreliable Account of Netflix's A Series of Unfortunate Events](#) Little, Brown Books for Young Readers  
This terribly tempting blank book offers ruled pages detailed with illustrations and quotable quotations from Mr. Snicket's archives. This journal is

resilient enough to hold even the most revolting revelations from any budding young researcher or writer in disguise. Consumable.

**The Basic Eight** Little, Brown Books for Young Readers

Tolstoy wrote that happy families are alike and that each unhappy family is unhappy in a different way. In *Watch Your Mouth*, Daniel Handler takes "different" to a whole new level....

*The Magic Misfits: The Minor Third* HarperColl

Renowned storytellers share tales inspired by the thought-provoking illustrations in Chris Van Allsburg's "The Mysteries of Harris Burdick," including Kate DiCamillo, Lois Lowry, Stephen King, and Jon Scieszka.

[Horseradish](#) HarperCollins

There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . .

*The Carnivorous Carnival* contains such a distressing story that consuming any of its contents would be far more stomach-turning than even the most imbalanced meal. To avoid causing discomfort, it would be best if I didn't mention any of the ingredients of this story, particularly a confusing map, an ambidextrous person, an unruly crowd, a wooden plank and Chabo the Wolf Baby. Your time might be better filled with something more palatable such as eating your vegetables or feeding them to someone else. With 5 million copies sold in the UK alone, one might consider Lemony

Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

*The Unauthorized Autobiography*  
HarperCollins

NOW A NETFLIX ORIGINAL SERIES If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched and will most likely fill you with deep despair. From *The Bad Beginning* to *The End*, this comprehensive collection with unfortunate bonus material that may or may not include trivia questions, character profiles, and several very sad sentences is the only choice for people who simply cannot get enough of a bad thing!

[A Series of Unfortunate Events Complete Collection: Books 1-13](#) HarperCollins  
Fletcher Christian, master's mate on HMS Bounty prepares to seize control of a ship torn apart by the sadism of her captain

[A Series of Unfortunate Events: The Notorious Notations](#) Egmont Books (UK)  
I'm telling you why we broke up, Ed. I'm writing it in this letter, the whole truth of why it happened. Min Green and Ed Slaterton are breaking up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. Two bottle caps, a movie ticket, a folded note, a box of matches, a protractor, books, a toy truck, a pair of ugly earrings, a comb from a motel room, and

every other item collected over the course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped.

*The Unauthorized Autobiography* HarperCollins

From bestselling author Lemony Snicket and celebrated illustrator Maira Kalman comes an uproarious, whimsical word book like no other. Together, Snicket and Kalman present a strikingly beautiful journey woven from a practical introduction to thirteen wonderful words, featuring such marvels as Bird, Dog, Panache, and Haberdashery. Snicket, the notoriously clever and elusive New York Times bestselling author, pushes the boundaries of storytelling in the most fanciful of ways. Maira Kalman, renowned for her art and design, carries this madcap adventure to wondrous heights with her vision of a world populated with hats, song, and cake. This rollicking, surprising book is a true celebration of words.

*The Bad Mood and the Stick* HarperCollins

The definitive - and only - book for anyone interested in learning more about the alarmingly elusive author. Here is a collection of evidence - writings, annotated photographs, mysterious diagrams, and several disorientating maps, accompanied by captions, an introduction, and an extensive index. Together, these pieces will shed light on a life that until now has been unfortunately shrouded in darkness, and will finally answer the questions on everyone's mind: what do we really know about Lemony Snicket? And why is he so interested in the lives of the Baudelaire orphans?

Dubious Wit & Wisdom of Lemony Snicket Egmont Books (UK)

NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: Many readers have questions about Lemony Snicket, author of the distressing serial concerning the trials of the charming but unlucky Baudelaire orphans, published under the collective title *A Series of Unfortunate Events*. Before purchasing, borrowing, or stealing this book, you should be aware that it contains the answers to some of those questions, such as the following: 1. Who is Lemony? 2. Is there a secret organization I should know about? 3. Why does Lemony Snicket spend his time researching and writing distressing books concerning the Baudelaire orphans? 4. Why do all of Lemony Snicket's books contain a sad dedication to a woman named Beatrice? 5. If there's nothing out there, what was that noise? Our advice to you is that you find a book that answers less upsetting questions than this one. Perhaps your librarian, bookseller, or parole officer can recommend a book that answers the question, "Aren't ponies adorable?"

A Series of Unfortunate Events: Lemony Snicket Harper Collins

New York Times bestselling author Lemony Snicket sheds light on the way bad moods come and go. Once there was a bad mood and a stick. The stick appeared when a tree dropped it. Where did the bad mood come from? Who picked up the stick? And where is the bad mood off to now? You never know what is going to happen.

*"Who Could That Be at This Hour?"*

Harper Collins

Flannery Culp wants you to know the whole story of her spectacularly awful senior year. Tyrants, perverts, tragic crushes, gossip, cruel jokes, and the hallucinatory effects of absinthe --

Flannery and the seven other friends in the Basic Eight have suffered through it all. But now, on tabloid television, they're calling Flannery a murderer, which is a total lie. It's true that high school can be so stressful sometimes. And it's true that sometimes a girl just has to kill someone. But Flannery wants you to know that she's not a murderer at all -- she's a murderess.

*The Incomplete History of Secret Organizations* HarperCollins

Through a series of maps, diagrams, writings, photographs, and a comprehensive index, the mystery of author Lemony Snicket is unveiled to middle readers.

**"Shouldn't You Be in School?"**

Hachette UK

Before the Baudelaires became orphans, before he encountered *A Series of Unfortunate Events*, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. Train travel! Murder! Librarians! *A Series Finale!* On all other nights, the train departs from Stain'd Station and travels to the city without stopping. But not tonight. You might ask, why is this night different from all other nights? But that's the wrong question. Instead ask, where is this all heading? And what happens at the end of the line? The final book in Lemony Snicket's bestselling series, *All the Wrong Questions*.

**The Beatrice Letters** HarperCollins

In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he has written an account that should not be published, in four volumes that shouldn't be read. This is the first volume.

*Lemony Snicket: the unauthorized autobiography A Series of Unfortunate Events: Lemony Snicket* The Unauthorized Autobiography The first Series of Unfortunate Events gift/box-set of this New York Times best-selling series. The set includes *The Bad Beginning*, *The Reptile Room*, and *The Wide Window*.

**A Series of Unfortunate Events Box: The Trouble Begins** Harper Collins

There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but *The Hostile Hospital* contains none of them. Within its pages are such burdensome details as a suspicious shopkeeper, unnecessary surgery, heartshaped balloons, and some very startling news about a fire. Clearly you do not want to read about such things. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful

children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake. *The Unauthorized Autobiography* Harper Collins

The Baudelaire orphans disguise themselves as employees of the Hotel Denoument and find themselves pursued by the evil Count Olaf and others.

*The Penultimate Peril* Back Bay Books Looking for wit, wisdom, and inspiration all within the pages of one useful book? Read *Something Else*. Life is a turbulent journey, fraught with confusion, heartbreak, and inconvenience. This collection of wit and wisdom from New York Times bestselling author Lemony Snicket is unlikely to help. It includes a new introduction filled with curious aphorisms, a handful of never-before-seen-or-heard quotations, and fan favorites from works over the years. These dubious offerings, collected from Snicket's books, unpublished papers, and more, have been made pleasing to the eye by illustrations, select fan art, and design flourishes.
