Raising My Rainbow is Lori Duron's frank, heartfelt, and brutally funny account of her and her family's adventures of distress and happiness raising a gender-creative son. Whereas her older son, Chase, is a Lego-loving, sports-playing boy's boy, Lori's younger son, C.J., would much rather twirl around in a pink sparkly tutu, with a Disney Princess in each hand while singing Lady Gaga's "Paparazzi." C.J. is gender variant or gender nonconforming, whichever you prefer. Whatever the term, Lori has a boy who likes girl stuff—really likes girl stuff. He floats on the gender-variation spectrum from super-macho-masculine on the left all the way to super-girly-feminine on the right. He's not all pink and not all blue. He's a muddled mess or a rainbow creation. Lori and her family choose to see the rainbow. Written in Lori's uniquely witty and warm voice and launched by her incredibly popular blog of the same name, *Raising My Rainbow* is the unforgettable story of her wonderful family as they navigate the often challenging but never dull privilege of raising a slightly effeminate, possibly gay, totally fabulous son. Now with Extra Libris material, including a reader's guide and bonus content

As the conversation picks up momentum, so do the quartet's requirements for Mr Perfect. And they write down a tongue-in-cheek list that's both funny and racy. The next thing Jaine Bright and her three girlfriends know, the List becomes an overnight sensation, grabbing the interest of local newspapers and television coverage. No one expected this avalanche of attention for something that began as a joke among friends. But the joke turns deadly serious when one of the four is murdered... The prime suspect in the case is the victim's boyfriend, one of a number of men who found the List sexist and offensive. But an

impenetrable alibi gets him off the hook. Now, with the help of Jaine's neighbour, an unpredictable police detective, the puzzle must be solved - and time is running out as a deadly stalker targets the three remaining friends, and the dream of Mr Perfect becomes a chilling nightmare.

Paper Towns Simon and Schuster

Against the centre ground Since 1989, politics has been a contest to see who can best serve the needs of the market. In this urgent and wideranging case for the prosecution, Tariq Ali looks at the people and events that have informed this development across the world. It is an investigation that reaches its logical conclusion with the presidency of Donald Trump, the success of En Marche! in France, and the dominance of Merkel's Germany throughout Europe. In this fully updated edition of *The Extreme Centre*, Ali considers recent events that suggest, despite everything, that there is room for hope. He finds promise in Latin America and at the edges of Europe. Emerging parties in Scotland, Greece, and Spain, formed out of the 2008 crisis, are offering new promise for democracy. Even in the UK, with the rise of Jeremy Corbyn, there are indications that the hegemony of the centre may be weaker than imagined.

Sparkle Boy Kingfisher

This unforgettable odyssey into the distant past carries us back to the awesome mysteries of the exotic, primeval world of *The Clan of the Cave Bear*, and to Ayla, now grown into a beautiful and courageous young woman. Cruelly cast out by the new leader of the ancient Clan that adopted her as a child, Ayla leaves those she loves behind and travels alone through a stark, open land filled with dangerous animals but few people, searching for the Others, tall and fair like herself. The short summer gives her little time to look, and when she finds a sheltered valley with a herd of hardy steppe horses, she decides to stay and prepare for the long glacial winter ahead. Living with the Clan has taught Ayla many skills but not real hunting. She finally knows she can survive when she traps a horse, which gives her meat and a warm pelt for the winter, but fate has bestowed a greater gift, an orphaned foal with whom she develops a unique kinship. One winter extends to more; she

discovers a way to make fire more quickly and a wounded cave lion cub joins her unusual family, but her beloved animals don't fulfill her restless need for human companionship. Then she hears the sound of a man screaming in pain. She saves tall, handsome Jondalar, who brings her a language to speak and an awakening of love and desire, but Ayla is torn between her fear of leaving her valley and her hope of living with her own kind.
