This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish rorindicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website:

 Lake Superior's windswept rock, clear water, and wooded shores create some of the most stunning landscapes in Minnesota, Wisconsin, Michigan, and Ontario. Over two years, sportsman, writer, and world traveler Greg Breining set out to circle this great lake by kayak, a means of travel that allowed him to visit the lake's places of rare beauty and solitude, experience its wildly varied moods, and see its remote historic sites and isolated communities. Wild Shore is a tale of outdoor adventure, odd characters, humorous stories, and quiet reflection.

¡Buenos días! *Curso de español para niños* Editorial Edinumen

El propósito fundamental de este Comentario es presentar el mensaje de las Escrituras de un modo relevante para la vida de nuestros pueblos, sin la pretensión de ofrecer fórmulas mágicas, capaces de transformar el mundo de un día para otro. El título de «latinoamericano» se debe a que ha sido redactado en su mayor parte por biblistas latinoamericanos. La generosa participación de algunos colaboradores peninsulares quiere atestiguar la existencia de lazos fraternos que van más allá de las fronteras continentales. Quizá llame la atención la variedad de enfoques en la práctica de la exégesis y la hermenéutica bíblicas. Esta diversidad se debe, en parte, a que los pueblos latinoamericanos tienen muchos elementos básicos comunes, pero presentan también diferencias y matices propios de cada país (cf. Documento de Puebla, 51). Los distintos enfoques atestiguan, al mismo tiempo, la libertad con la que cada colaborador ha realizado su trabajo, siempre dentro de un compromiso de fidelidad a la Palabra de Dios.
