What is it like to be known as Mansoor Ali Khan Pataudi's daughter? Or to have a mother as famous as Sharmila Tagore? Or to be recognized as Saif Ali Khan's sister? Or as Kareena Kapoor's sister-in-law? And where do I stand among them? Actor Soha Ali Khan's debut book is at heart a brilliant collection of personal essays where she recounts with self-deprecating humour what it was like growing up in one of the most illustrious families of the country. With never before published photos from her family's archives, *The Perils of Being Moderately Famous* takes us through some of the most poignant moments of Soha's life—from growing up as a modern-day princess and her days at Balliol College to life as a celebrity in the times of social media culture and finding love in the most unlikely of places—all with refreshing candour and wit.

Love & sex in Islam Wiley-Blackwell

Not much is known about what is arguably the world's, and certainly India's, largest Islamic organization -- the Tablighi Jamaat. From poverty-stricken peasants of Bihar to dairy farmers of Mewat, its members attend three-day retreats in local mosques, and at times, the Markaz in Delhi. They come of their own free will, at their own expense. The Tabligh tells its members to look within, that life is about internal cleansing with regular prayer that paves the path to spiritual uplift. Unlike other Islamic organizations that balance the here and the hereafter, the Tabligh is concerned only about 'matters beyond the sky and under the earth'. Its steadfast refusal to take a political stand has stood it in good stead. It is the 'ideal Muslim organization' for some -- focused solely on introspection in isolation. Now, for the first time,

author Ziya Us Salam provides an inside view of the organization that unwittingly became a 'hotspot' during the novel coronavirus pandemic in 2020.

The year is 1971 Tension is brewing between India and Pakistan One secret could change the course of history . . . It's now up to her When a young college-going Kashmiri girl, Sehmat, gets to know her dying father's last wish, she can do little but surrender to his passion and patriotism and follow the path he has so painstakingly laid out. It is the beginning of her transformation from an ordinary girl into a deadly spy. She's then married off to the son of a well-connected Pakistani general, and her mission is to regularly pass information to the Indian intelligence. Something she does with extreme courage and bravado, till she stumbles on information that could destroy the naval might of her beloved country. Inspired from real events, *Calling Sehmat* . . . is an espionage thriller that brings to life the story of this unsung heroine of war.

At a time when lesbian, gay, bisexual, and transgender individuals—often referred to under the umbrella acronym LGBT—are becoming more visible in society and more socially acknowledged, clinicians and researchers are faced with incomplete information about their health status. While LGBT populations often are combined as a single entity for research and advocacy purposes, each is a distinct population group with its own specific health needs. Furthermore, the experiences of LGBT individuals are not uniform and are shaped by factors of race, ethnicity, socioeconomic status, geographical location, and age, any of which can have an effect on health-related concerns and needs. *The Health of Lesbian, Gay, Bisexual, and Transgender People* assesses the state of science on the health status of LGBT populations, identifies research gaps and opportunities, and outlines a research agenda for the National Institute of Health. The report examines the health status of these populations in three life stages: childhood and adolescence, early/middle adulthood, and later adulthood. At each life stage, the committee studied mental health, physical health, risks and protective factors, health services, and contextual influences. To advance understanding of the health needs of all LGBT individuals, the report finds that researchers need more data about the demographics of these populations, improved methods for collecting and analyzing data, and an increased participation of sexual and gender minorities in research. *The Health of Lesbian, Gay, Bisexual, and Transgender People* is a valuable resource for policymakers, federal agencies including the National Institute of Health (NIH), LGBT advocacy groups, clinicians, and service providers.

"A crisp, dramatic examination of how technology and human ingenuity are undermining North Korea's secretive dictatorship."—Kirkus Reviews One of the least understood countries in the world, North Korea has long been known for its repressive regime. Yet it is far from being an impenetrable black box. Media flows covertly into the country, and fault lines are appearing in the government's sealed informational borders. Drawing on deeply personal interviews with North Korean defectors from all walks of life, ranging from propaganda artists to diplomats, Jieun Baek tells the story of North Korea's information underground—the network of citizens who take extraordinary risks by circulating illicit content such as foreign films, television shows, soap operas, books, and encyclopedias. By fostering an awareness of life outside North Korea and enhancing cultural knowledge, the materials these citizens disseminate are affecting the social and political consciousness of a people, as well as their everyday lives. "A fine primer on the country, based on extensive interviews with defectors."—Times Literary Supplement "A fascinating book."—The New York Times "[A] timely and cogent book."—Los Angeles Review of Books "A fascinating and intelligent overview of the ways that information is liberating North Koreans' minds."—Robert S. Boynton, author of *The Invitation-Only Zone: The True Story of North Korea's Abduction Project* "A fascinating, important, and vivid account of how unofficial information is increasingly seeping into the North and chipping away at the regime's myths—and hence its control of North Korean society."—Sue Mi Terry, former CIA analyst and senior research scholar at the Weatherhead East Asia Institute, Columbia University **The Book of the Secrets** Lothian Children's Books A powerful program to stop manipulators in their tracks In *Who's Pulling Your Strings?*, Dr. Harriet B. Braiker, New York Times bestselling author of *The Disease to Please*, explains how depression, low self-esteem, anger, and feelings of helplessness can be caused by relationships with manipulative people. She exposes the most common methods of manipulators, and with the help of self-assessment quizzes, action plans, and how-to exercises, she helps you recognize and end the manipulative cycle for good.

I Sleep in My Own Deathbed No name. Cancelled

Two billionaire brothers. A promise. A charade. And falling in love... Vikram and Vishal are the heirs to the well-known Saaho Group fortune. London bred and educated, the handsome brothers are accustomed to a jet-setting lifestyle while they win cutthroat business deals, date beautiful women and spend time with their doting family. But what are Vikram and Vishal doing in a small village in India? Why are they putting on a pretence by working as an accountant and a driver for the modest Gulati family? When the sweet, kindhearted older Gulati sister begins to melt Vikram's ruthless heart, and the bold, feisty younger sister steals away Vishal's peace of mind, will the Saaho brothers continue with their charade?

This monograph studies research conducted for the purpose of investigating the relationship between vocabulary recognition and morphological knowledge during the early and middle elementary school years. The findings suggest that lexical development can be characterized in terms of increasing morphological complexity, and as a child ages, the proportion of known complex words that the child figured out by analyzing their morphological structure increased.

The #1 New York Times bestseller, USA Today Book of the Year and now a major motion picture starring Emily Blunt. Rachel takes the same commuter train every morning and night. Every day she rattles down the track, flashes past a stretch of cozy suburban homes and stops at the signal that allows her to daily watch the same couple having breakfast on their deck. She's even started to feel like she knows them. Jess and Jason, she calls them. Their

life—as she sees it—is perfect. Not unlike the life she recently lost. And then she sees something shocking. It's only a minute until the train moves on, but it's enough. Now everything's changed. Unable to keep it to herself, Rachel goes to the police. But is she really as unreliable as they say? Soon she is deeply entangled not only in the investigation but in the lives of everyone involved. Has she done more harm than good?

This book is one of the many Islamic publications distributed by Ahlulbait Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbait Organization (www.shia.es) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi'a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and

fought! In addition, For a complete list of our published books please refer to our website (www.shia.es) or send us an email to info@shia.es

A legend of Hindi cinema, Gulzar is among South Asia's finest poets and lyricists, whose songs have touched millions. He remains as popular today, and as sensitive a chronicler of our emotions, as he was over half a century ago. In this book of conversations with the acclaimed author and documentary filmmaker Nasreen Munni Kabir, Gulzar speaks about the making of his most enduring songs—from 'Mora gora ang lai le' (Bandini; 1963) and 'Dil dhoondta hai' (Mausam; 1975) to 'Jiya jale' (Dil Se; 1998) and 'Dil toh bachcha hai ji' (Ishqiya; 2010).
