After I Do The New Press

We live in a moment of unprecedented complexity, an era in which change occurs faster than our ability to comprehend it. With "The Moment of Complexity", Mark C. Taylor offers a map for the unfamiliar terrain opening in our midst, unfolding an

original philosophy of our time through a remarkable synthesis of science and culture. According to Taylor, complexity is not just a breakthrough scientific concept but the defining quality of the post-Cold War era. The flux of digital currents swirling around us, he argues, has created a new network culture with its own distinctive logic and dynamic.

Managing ebook Metadata in Academic Libraries: Taming the Tiger tackles the topic of ebooks in academic libraries, a trend

that has been welcomed by students, faculty, researchers, and library staff. However, at the same time, the reality of acquiring ebooks, making them discoverable, and managing them presents library staff with many new challenges. Traditional methods of cataloging and managing library resources are no longer relevant where the purchasing of ebooks in packages and demand driven acquisitions are the predominant models for acquiring new content. Most academic libraries have a complex metadata environment wherein multiple systems draw upon the same metadata for different purposes. This complexity makes the need for standards-based interoperable metadata more important than ever. In addition to complexity, the nature of the metadata environment itself typically varies slightly from library to library making it difficult to recommend a single set of practices and procedures which would be relevant to, and effective in, all academic libraries. Considering all of these factors together, it is not surprising when academic libraries find it difficult to create and manage the metadata for their ebook collections. This book is written as a guide for metadata librarians, other technical services librarians, and ancillary library staff who manage ebook collections to help them understand the requirements for ebook metadata in their specific library context, to create a vision for ebook metadata management, and to develop a plan which addresses the relevant issues in metadata management at all stages of the lifecycle of ebooks in academic libraries from selection, to deselection or preservation. - Explores the reasons behind creating records for our resources and challenges libraries to think about what that means for their context - Discusses the complex nature of academic libraries and the electronic

resources they require - Encourages librarians to find their own way to manage metadata

*The Fifty Year Sword* Simon and Schuster

With compassion and an unswerving regard for the truth, veteran journalist Mark Seal lays bare the deeply moving, inspirational story of Joan Root, a dedicated environmentalist and Oscar-nominated wildlife filmmaker. He covers her early days in Kenya as a shy young woman with an almost uncanny ability to connect to animals; her whirlwind courtship with the dashing Alan Root, their marriage, and the twenty years of nonstop adventure and passionate romance that followed, both in Africa and around the world; the shattering disintegration of the marriage and partnership; and Joan's triumphant struggle to reinvent herself as the protector of her lakeshore community's fragile ecosystem—a struggle that would lead to her tragic death in January 2006. Joan Root dreamed of a bright future for Kenya, a country blessed with unmatched beauty but scarred by decades of colonization and a culture of corruption. She spent her life fighting to make that dream a reality. Her life ended too soon, but "thanks to Seal's meticulous re-creation, her extraordinary life lives on." (People, four-star review)

"I can think of no authors more qualified to research the complex impact of life sentences than Marc Mauer and Ashley Nellis. They have the expertise to track down the information that all citizens need to know and the skills to translate that research into

accessible and powerful prose." —Heather Ann Thompson, author of the Pulitzer Prize-winning *Blood in the Water* From the author of the classic *Race to Incarcerate*, a forceful and necessary argument for eliminating life sentences, including profiles of six people directly impacted by life sentences by formerly incarcerated author Kerry Myers Most Western democracies have few or no people serving life sentences, yet here in the United States more than 200,000 people are sentenced to such prison terms. Marc Mauer and Ashley Nellis of The Sentencing Project argue that there is no practical or moral justification for a sentence longer than twenty years. Harsher sentences have been shown to have little effect on crime rates, since people "age out" of crime—meaning that we're spending a fortune on geriatric care for older prisoners who pose little threat to public safety. Extreme punishment for serious crime also has an inflationary effect on sentences across the spectrum, helping to account for severe mandatory minimums and other harsh punishments. A thoughtful and stirring call to action, *The Meaning of Life* also features moving profiles of a half dozen people affected by life sentences, written by former "lifer" and award-winning writer Kerry Myers. The book will tie in to a campaign spearheaded by The Sentencing Project and offers a much-needed road map to a more humane criminal justice system.

Billionaire oil trader Marc Rich for the first time talks at length about his private life (including his expensive divorce from wife Denise); his invention of the spot oil market, which made his

fortune and changed the world economy; his lucrative and unpublicized dealings with Ayatollah Khomeini's Iran, Fidel Castro's Cuba, war-ravaged Angola, and apartheid South Africa; his quiet cooperation with the Israeli and U.S. governments (even after he was indicted for tax fraud by Rudy Guiliani) and near-comical attempts by U.S. officials to kidnap him illegally. This sure-to-make-headlines book is the first no-holds-barred biography of Rich, who was famously pardoned by Bill Clinton, and resurfaced in the news during the confirmation hearings of Attorney General Eric Holder. *The King of Oil* sheds stunning new light on one of the most controversial international businessmen of all time.

Book 1: Experience a river's tale of freedom and friendship with "Adventures of Huckleberry Finn by Mark Twain." Twain's narrative takes readers on a journey along the Mississippi River, exploring themes of freedom, friendship, and the pursuit of a meaningful life. Book 2: Embark on an exploration of spirituality and healing with "Science and Health, with Key to the Scriptures by Mary Baker Eddy." Eddy's work delves into the spiritual dimensions of life, offering insights into the principles of healing and the interconnectedness of mind, body, and spirit.

**Heart Like Mine** Simon and Schuster

The definitive biography of country legend Merle Haggard by the New York Times bestselling biographer of Clint Eastwood, Cary Grant, The Eagles, and more. Merle Haggard was one of the most important country music musicians who ever lived. His astonishing musical career stretched across the second half of

the 20th Century and into the first two decades of the next, during which he released an extraordinary 63 albums, 38 that made it on to Billboard's Country Top Ten, 13 that went to #1, and 37 #1 hit singles. With his ample songbook, unique singing voice and brilliant phrasing that illuminated his uncompromising commitment to individual freedom, cut with the monkey of personal despair on his back and a chip the size of Monument Valley on his shoulder, Merle's music and his extraordinary charisma helped change the look, the sound, and the fury of American music. The Hag tells, without compromise, the extraordinary life of Merle Haggard, augmented by deep secondary research, sharp detail and ample anecdotal material that biographer Marc Eliot is known for, and enriched and deepened by over 100 new and far-ranging interviews. It explores the uniquely American life of an angry rebellious boy from the wrong side of the tracks bound for a life of crime and a permanent home in a penitentiary, who found redemption through the music of "the common man." Merle Haggard's story is a great American saga of a man who lifted himself out of poverty, oppression, loss and wanderlust, to catapult himself into the pantheon of American artists admired around the world. Eliot has interviewed more than 100 people who knew Haggard, worked with him, were influenced by him, loved him or hated him. The book celebrates the accomplishments and explore the singer's infamous dark side: the self-created turmoil that expressed itself through drugs, women, booze, and betrayal. The Hag offers a richly anecdotal narrative that will elevate the life and work of Merle Haggard to where both properly belong, in the pantheon of American music and letters. The Hag is the definitive

account of this unique American original, and will speak to readers of country music and rock biographies alike.

**The Subtle Art of Not Giving a F\*ck** Simon and Schuster  
From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo*, comes a breath taking novel about modern marriage, the depth of family ties, and the year that one remarkable heroine spends exploring both. When Lauren and Ryan's marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart, and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, begin to change Lauren's ideas about monogamy and marriage. She starts to question: When you can have romance without loyalty and commitment without marriage, when love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story about what happens when the love fades. It's about staying in love, seizing love, forsaking love, and committing to love with everything you've got. And above all, *After I Do* is the story of a couple caught up in an old game-and searching for a new road to happily ever after.

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come

together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

When did we start believing that God wants to send us to safe places to do easy things? Jesus didn't die to keep us safe. He died to make us dangerous. The will of God is not an insurance plan; it's a daring plan. It's time to quit living as if the purpose of your life is to arrive safely at death. All In, a four-session video-based

Bible study (DVD/digital video sold separately) by New York Times bestselling author Mark Batterson, challenges participants to resolutely follow God wherever he leads by pointing out that if Jesus is not Lord of all, he is not Lord at all. Most people think they are following Jesus. They may think they are following Jesus, but the reality is, they've invited Jesus to follow them. They call him Savior, but they've never surrendered to him as Lord. Are you following Jesus? Or have you invited Jesus to follow you? Participants will find Batterson's teaching filled with his customary vivid, contemporary stories as well as biblical characters like Shamgar, Elisha, Jonathan, and Judas. It's time to go all in for God. Sessions include: Now or Never: Pack Your Coffin All In: Charge! All Out: Rim Huggers All in All: Burn the Ships Designed for use with All In Video Study 9780310333104 (sold separately).
