THORNTON DARIO

Where She Came From Harper Collins
For sixty years Jewish refugees and their descendants have prospered in the Federal District of Sitka, a "temporary" safe haven created in the wake of the Holocaust and the shocking 1948 collapse of the fledgling state of Israel. The Jews of the Sitka District have created their own little world in the Alaskan panhandle, a vibrant and complex frontier city that moves to the music of Yiddish. But now

the District is set to revert to Alaskan control, and their dream is coming to an end. Homicide detective Meyer Landsman of the District Police has enough problems without worrying about the upcoming Reversion. His life is a shambles, his marriage a wreck, his career a disaster. And in the cheap hotel where Landsman has washed up, someone has just committed a murder—right under his nose. When he begins to investigate the killing of his neighbor, a former chess prodigy, word comes down from on high that the case is to be dropped immediately, and Landsman finds himself

contending with all the powerful forces of faith, obsession, evil, and salvation that are his heritage. At once a gripping whodunit, a love story, and an exploration of the mysteries of exile and redemption, *The Yiddish Policemen's Union* is a novel only Michael Chabon could have written. *Jews and Culture between the World Wars*
Springer
Story about the removal of Jews from Vienna.

The Jews Princeton University Press
Winner of the National Jewish Book Award in the Holocaust category A monumental work of nonfiction on a wartime atrocity,

its sixty-year denial, and the impact of its truth Jan Gross's hugely controversial *Neighbors* was a historian's disclosure of the events in the small Polish town of Jedwabne on July 10, 1941, when the citizens rounded up the Jewish population and burned them alive in a barn. The massacre was a shocking secret that had been suppressed for more than sixty years, and it provoked the most important public debate in Poland since 1989. From the outset, Anna Bikont reported on the town, combing through archives and interviewing residents who survived the war period. Her writing became a crucial part of the debate and she herself an actor in a national drama. Part history, part memoir, *The Crime and the Silence* is the journalist's account of these events: both the story of the massacre told through oral histories of survivors and witnesses, and a portrait of a Polish town coming to terms with its dark past. Including the perspectives of both heroes and perpetrators, Bikont chronicles the sources of the hatred that exploded against Jews and asks what myths grow on hidden memories, what destruction they cause, and what happens to a society that

refuses to accept a horrific truth. A profoundly moving exploration of being Jewish in modern Poland that Julian Barnes called "one of the most chilling books," *The Crime and the Silence* is a vital contribution to Holocaust history and a fascinating story of a town coming to terms with its dark past.

The Negro Motorist Green Book W. W. Norton & Company

The Jews: A History, second edition, explores the religious, cultural, social, and economic diversity of the Jewish people and their faith. The latest edition incorporates new research and includes a broader spectrum of people - mothers, children, workers, students, artists, and radicals - whose perspectives greatly expand the story of Jewish life.

George Eliot HarperCollins Children's Modern Classics

A 2021 National Jewish Book Award Finalist One of Smithsonian Magazine's Best History Books of 2021 "An uplifting tale, suffused with a karmic righteousness that is, at times, exhilarating." —Wall Street Journal "A gripping narrative that reads like a page turning thriller novel." —NPR In the summer of 1942, the

Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the forbidding Bialowieza Forest. They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story. *A World Without Jews* Bloomsbury Publishing

This landmark work presaged the so-called literature of the proletarian thirties, and is the quintessential novel of poor Jews. Michael Gold's *Jews Without Money* tells the story of Jewish poverty in one ghetto, that of New York. The same story could have been told in hundreds of other

ghettos scattered all over the world, especially in Europe, prior to the rise of Nazism. The book went through fifteen printings upon its publication in 1930 and was translated into every major language in the western world. The appearance of the book at this time is ironic as well as timely. In his introduction to the 1935 printing, Gold himself offers the reason why: "It has become necessary now in America to fight against fascist lies. Recently, groups of anti-Semitic demagogues have appeared in this country. They are like Hitler, telling the hungry American people that capitalism is Jewish and that an attack on the Jews is the best way of restoring prosperity. What folly. What criminal deception and bloody fraud. And there are signs that this oldest of swindles will grow in America." Sixty years after this utterance one can say that Gold was indeed prophetic. But the politics of the age--this or any other--dissolve in the face of a brilliant set of vignettes about growing up on the Lower East Side during the heyday of Jewish life there in the 1920s. Here we find a world of struggle--Jews against Gentiles, Jews against each other, a universe of

gangsters and rabbis, men and women, children and adults--all told in the first person vernacular of a boy growing to manhood dedicated to making clear his love of a long-suffering mother. The races and religions may differ, but the themes are universal.

The Origins of the New Testament Images of Jesus (Second Edition)

Public Affairs

A BEST BOOK OF 2021 FOR THE GUARDIAN * FINANCIAL TIMES * TIMES LITERARY SUPPLEMENT * MINNEAPOLIS STAR TRIBUNE * THE TIMES Hailed as a remarkable literary discovery, a lost novel of heart-stopping intensity and harrowing absurdity about flight and persecution in 1930s Germany Berlin, November 1938. Jewish shops have been ransacked and looted, synagogues destroyed. As storm troopers pound on his door, Otto Silbermann, a respected businessman who fought for Germany in the Great War, is forced to sneak out the back of his own home. Turned away from establishments he had long patronized, and fearful of being exposed as a Jew despite his Aryan looks, he boards a train. And then another. And another . . . until his flight becomes a

frantic odyssey across Germany, as he searches first for information, then for help, and finally for escape. His travels bring him face-to-face with waiters and conductors, officials and fellow outcasts, seductive women and vicious thieves, a few of whom disapprove of the regime while the rest embrace it wholeheartedly. Clinging to his existence as it was just days before, Silbermann refuses to believe what is happening even as he is beset by opportunists, betrayed by associates, and bereft of family, friends, and fortune. As his world collapses around him, he is forced to concede that his nightmare is all too real. Twenty-three-year-old Ulrich Boschwitz wrote *The Passenger* at breakneck speed in 1938, fresh in the wake of the Kristallnacht pogroms, and his prose flies at the same pace. Taut, immediate, infused with acerbic Kafkaesque humor, *The Passenger* is an indelible portrait of a man and a society careening out of control.

The author of the runaway bestseller *How the Irish Saved Civilization* has done it

again. In *The Gifts of the Jews* Thomas Cahill takes us on another enchanting journey into history, once again recreating a time when the actions of a small band of people had repercussions that are still felt today. *The Gifts of the Jews* reveals the critical change that made western civilization possible. Within the matrix of ancient religions and philosophies, life was seen as part of an endless cycle of birth and death; time was like a wheel, spinning ceaselessly. Yet somehow, the ancient Jews began to see time differently. For them, time had a beginning and an end; it was a narrative, whose triumphant conclusion would come in the future. From this insight came a new conception of men and women as individuals with unique destinies--a conception that would inform the Declaration of Independence--and our hopeful belief in progress and the sense that tomorrow can be better than today. As Thomas Cahill narrates this momentous shift, he also explains the real significance of such Biblical figures as Abraham and Sarah, Moses and the Pharaoh, Joshua, Isaiah, and Jeremiah. Full of compelling stories, insights and humor, *The Gifts of the Jews* is an irresistible exploration of

history as fascinating and fun as *How the Irish Saved Civilization*. **BONUS MATERIAL:** This ebook edition includes an excerpt from Thomas Cahill's *Heretics and Heroes. A Twenty-First-Century Companion* St. Martin's Press

The collapse of Austria-Hungary in 1918 left all Austrians in a state of political, social, and economic turmoil, but Jews in particular found their lives shaken to the core. Although Jews' former comfort zone suddenly disappeared, the dissolution of the Dual Monarchy also created plenty of room for innovation and change in the realm of culture. Jews eagerly took up the challenge to fill this void, and they became heavily invested in culture as a way to shape their new, but also vexed, self-understandings. By isolating the years between the World Wars and examining formative events in both Vienna and the provinces, *Becoming Austrians: Jews and Culture between the World Wars* demonstrates that an intensified marking of people, places, and events as "Jewish" accompanied the crises occurring in the wake of Austria-Hungary's collapse, with profound effects on Austria's cultural legacy. In some cases, the consequences

of this marking resulted in grave injustices. Philipp Halsmann, for example, was wrongfully imprisoned for the murder of his father years before he became a world-famous photographer. And the men who shot and killed writer Hugo Bettauer and philosopher Moritz Schlick received inadequate punishment for their murderous deeds. But engagements with the terms of Jewish difference also characterized the creation of culture, as shown in Hugo Bettauer's satirical novel *The City without Jews* and its film adaptation, other texts by Veza Canetti, David Vogel, A.M. Fuchs, Vicki Baum, and Mela Hartwig, and performances at the Salzburg Festival and the Yiddish theater in Vienna. By examining the lives, works, and deeds of a broad range of Austrians, Lisa Silverman reveals how the social codings of politics, gender, and nation received a powerful boost when articulated along the lines of Jewish difference.

[A Novel University-Press.org](http://A_Novel_University-Press.org)

A chilling biography of the head of Nazi Germany's terror apparatus, a key player in the Third Reich whose full story has never before been told. Reinhard Heydrich

is widely recognized as one of the great iconic villains of the twentieth century, an appalling figure even within the context of the Nazi leadership. Chief of the Nazi Criminal Police, the SS Security Service, and the Gestapo, ruthless overlord of Nazi-occupied Bohemia and Moravia, and leading planner of the "Final Solution," Heydrich played a central role in Hitler's Germany. He shouldered a major share of responsibility for some of the worst Nazi atrocities, and up to his assassination in Prague in 1942, he was widely seen as one of the most dangerous men in Nazi Germany. Yet Heydrich has received remarkably modest attention in the extensive literature of the Third Reich. Robert Gerwarth weaves together little-known stories of Heydrich's private life with his deeds as head of the Nazi Reich Security Main Office. Fully exploring Heydrich's progression from a privileged middle-class youth to a rapacious mass murderer, Gerwarth sheds new light on the complexity of Heydrich's adult character, his motivations, the incremental steps that led to unimaginable atrocities, and the consequences of his murderous efforts toward re-creating the entire ethnic

makeup of Europe. "This admirable biography makes plausible what actually happened and makes human what we might prefer to dismiss as monstrous."—Timothy Snyder, *Wall Street Journal* "[A] probing biography.... Gerwarth's fine study shows in chilling detail how genocide emerged from the practicalities of implementing a demented belief system."—*Publishers Weekly* "A thoroughly documented, scholarly, and eminently readable account of this mass murderer."—*The New Republic* *Jews and Judaism in Vienna* Green Integer Books
The "extraordinary" true story of the St. Louis, a German ship that, in 1939, carried Jews away from Hamburg—and into an unimaginable ordeal (*The New York Times*). On May 13, 1939, the luxury liner St. Louis sailed from Hamburg, one of the last ships to leave Nazi Germany before World War II erupted. Aboard were 937 Jews—some had already been in concentration camps—who believed they had bought visas to enter Cuba. The voyage of the damned had begun. Before the St. Louis was halfway across the Atlantic, a power struggle ensued between

the corrupt Cuban immigration minister who issued the visas and his superior, President Bru. The outcome: The refugees would not be allowed to land in Cuba. In America, the Brown Shirts were holding Nazi rallies in Madison Square Garden; anti-Semitic Father Coughlin had an audience of fifteen million. Back in Germany, plans were being laid to implement the final solution. And aboard the St. Louis, 937 refugees awaited the decision that would determine their fate. Gordon Thomas and Max Morgan Witts have re-created history in this meticulous reconstruction of the voyage of the St. Louis. Every word of their account is true: the German High Command's ulterior motive in granting permission for the "mission of mercy;" the confrontations between the refugees and the German crewmen; the suicide attempts among the passengers; and the attitudes of those who might have averted the catastrophe, but didn't. In reviewing the work, the *New York Times* was unequivocal: "An extraordinary human document and a suspense story that is hard to put down. But it is more than that. It is a modern allegory, in which the SS St. Louis

becomes a symbol of the SS Planet Earth. In this larger sense the book serves a greater purpose than mere drama.”

A Novel of Our Time Advancement of Sephardic Studies and Culture

Princeton scholar Leonard Barkan writes about his unabashed love of Berlin, despite its tortured history as the place where Hitler and his cadre plotted the extermination of the Jews, including members of Barkan's own family. But this is not another Holocaust book: Barkan wants to explore what a very Jewish city Berlin has been through the ages and how steeped in modern Jewish culture this vital urban marvel continues to be. Part travelogue and part history, it's a beautiful tribute to a complex city.”

A Novel Jewish Publication Society of America

The biggest crime story in American history began on the night of March 1, 1932, when the twenty-month-old son of Charles and Anne Lindbergh was snatched from his crib in Hopewell, New Jersey. The news shocked a nation enthralled with the aviator, the first person to fly solo nonstop across the Atlantic. American law enforcement marshalled all its resources

to return “Little Lindy” to the arms of his parents—and perhaps even more energized were the legions of journalists catering to a public whose appetite for Lindbergh news was insatiable. In *Little Lindy Is Kidnapped*, Thomas Doherty offers a lively and comprehensive cultural history of the media coverage of the abduction and its aftermath. Beginning with Lindbergh's ascent to fame and proceeding through the trial and execution of the accused kidnapper, Doherty traces how newspapers, radio, and newsreels reported on what was dubbed the “crime of the century.” He casts the affair as a transformative moment for American journalism, analyzing how the case presented new challenges and opportunities for each branch of the media in the days before the rise of television. Coverage of the Lindbergh story, Doherty reveals, set the template for the way the media would treat breaking news ever after. An engrossing account of an endlessly fascinating case, *Little Lindy Is Kidnapped* sheds new light on an enduring quality of journalism ever since: the media's eye on a crucial part of the story—itsself.

Jews Without Money Jewish Encounters
After the death of her mother, Epstein decided to uncover her mother's past to learn more about her ancestors who were victims of the holocaust. This is a memoir of a central European Jewish family and three generations of remarkable women.
Synagogues Without Jews The City Without Jews
The Day After Tomorrow
Content In the aftermath of World War One, Austria faces a severe economic crisis. Unemployment. Fear of decline. However, some people argue that the problem sits deeper. For them, the country's soul is at stake. Finally, people are fed up and demand a solution. And they get what they want. They get their hero. His name is Chancellor Dr. Schwertfeger. The Aryan messiah elected by the masses offers a simple but radical solution: “Out with the Jews!” A word and a blow and soon the whole country celebrates the day the last Jew left Austria. The whole country? No, not everybody is happy. Lives are shattered. Friends, families, and lovers torn apart. And to make matters worse, the economy is not picking up. The gap left by the Jewish exodus is greater than expected. In this time of turmoil, one man

is prepared to make a stand. Leo is one of the exiled and had to leave his loved one behind. Now, he is ready to fight for the love of his life and to die for his home country! Will the lovers be reunited? And what will become of Austria? About the Author and the Book With this satirical book, Hugo Bettauer was fighting the violent Anti-Semite movements of the 1920s. But little did he know! He was right and wrong at the same time. He was right, the Anti-Semites were aiming at a final solution to the so called Jewish question. Yet, we all know the course of history - exiling the Jews was not enough for the NAZIs. The converted Christian Hugo Bettauer did not live to witness this human tragedy. After a failed attempt at moving to the US, the Austrian stayed in his home country where he worked as an author and as a correspondent for American newspapers. He wrote one of the first stories about a serial killer, wrote movie scripts, and published a magazine campaigning for progressive ideas such as impunity for homosexuals and women's rights. His articles caused so much sensation that he was taken to court, his magazine was seized and Mr. Bettauer

received death threats. On 20th March 1925, Hugo Bettauer was shot and killed by a member of the NAZI party. The killer was released from a psychiatric clinic only 18 months after committing the crime. What is there to learn from this story? It is more than just a piece of history. It was prophetic at the time of its release and its prophetic voice is still valid. As it seems, the demagogues, the dictators, the racists, the fascists, the haters of human rights, the terrorists and Anti-Semites are present here and now, the world over. The City Without Jews A Novel of Our Time Story about the removal of Jews from Vienna. Die Stadt Ohne Juden Ein Roman Von Abermorgen Through words and more than 300 exquisite photographs, Synagogues Without Jews tells the engaging histories of over thirty Jewish communities across Europe that thrived before WWII. Beautiful full colour photographs and architectural drawings bring back the past splendor of these synagogues and once again we can see why they were the pride and joy of their congregations. The City Without Jews Colchis Books The behind-the-scenes story of

Hollywood's struggle with Nazism before the outbreak of war. The abundance of WWII-era documentaries and the huge cache of archival footage that has emerged since 1945 make it seem as if cinematic images of the Nazis were always as vivid and plentiful as they are today. Yet between 1933 and 1939, representations of the Nazis and the full meaning of Nazism came slowly to Hollywood, growing more distinct and ominous only as the decade wore on. Recapturing what ordinary Americans saw on the screen during the emerging Nazi threat, Thomas Doherty reclaims forgotten films, such as Hitler's Reign of Terror (1934), a pioneering anti-Nazi docu-drama by Cornelius Vanderbilt, Jr.; I Was a Captive of Nazi Germany (1936), a sensational true tale of "a Hollywood girl in Naziland!"; and Professor Mamlock (1938), an anti-Nazi film made by German refugees living in the Soviet Union. Doherty also recounts how the disproportionately Jewish backgrounds of the executives of the studios. Becoming Austrians Knopf Books for Young Readers The book, "" Antiquities of the Jews; Book -

XVI ""', has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.

A World Without Jews Alpha Edition In 1929, the Soviet Union declared the area of Birobidzhan a homeland for Jews. It was championed by a group of intellectuals who envisioned a place of post-oppression Jewish culture, and by the early 1930s, tens of thousands of Jews had moved there from the shtetls. The state-building ended quickly, in the late 1930s, with arrests and purges of the Communist Party and cultural elite, but after the Second World War, the newly named

"Jewish Autonomous Region" received an influx of Jews dispossessed from what had once been the Pale, most of whom had lost families in the Holocaust. In the late 1940s, another wave of arrests swept

through Birobidzhan, traumatizing the Jews into silence, and effectively making them invisible. Now Masha Gessen gives us a haunting account of the dream of

Birobidzhan-and how it became
